BITS and PIECES

ASSHOLE OF THE MONTH

Facts can be unclear, the truth is often murky, and two people may have different recollections of the same event, but the smell of shit is unmistakable. Though the circumstances surrounding her claims to fame are fully disputable, Paula Corbin Jones of Lonoke, Arkansas, is beyond the whiff of any doubt HUSTLER Magazine's Asshole of the Month for October 1994.

For the sake of avoiding an argument, let's assume that everything Paula Jones has said since going public at the Conservative Political Action Conference in February of this year is true. At this gathering of objective, unbiased opponents of United States President William Jefferson Clinton, Paula Jones revealed that on May 8, 1991, in a Little Rock, Arkansas, hotel room, then-governor Clinton made a series of unwanted sexual advances and asked her to have oral sex. Jones attended the conservative conference under the aegis of Little Rock, Arkansas, attorney Cliff Jackson. Jackson's long-running hatred for and string of high-profile stunts orchestrated to discredit Clinton are well-documented, but don't let Jackson's grudge agenda reflect on Jones's credibility.

At the behest of a zealously right-wing television preacher, Paula titillated the audience of Pat Robertson's *700 Club* cable show with a lurid account of then-governor Bill's whipping out his johnson and imploring her to "kiss it." Who among those God-fearing, righteously judgmental masses would question the veracity of a miniskirt-favoring woman who, without benefit of wedlock, moved in with her boyfriend soon after meeting him?

Jones must have been a prize back in '91. She remembers Clinton, working the reception area at a government function, "staring at her" from over the heads of a crush of questioning reporters. A state trooper approached the registration table where Jones was stationed and told her: "The governor said you make his knees knock." A little later, the trooper returned and handed Jones a slip of paper with a hotel-room number on it, saying, "The governor would like to meet you up in his room." Realizing she'd made an impression, Jones calculated that she could parlay a meeting with Clinton into a better-paying job with the state than the one she currently held.

Take the lady at her word when she says she had no reason to expect a sexual situation up alone in that hotel room.

Naturally, Paula has told everyone that she refused to suck Clinton's dick, an account that is not necessarily contradicted by a state trooper's contention that a "Paula" emerged from the room with Clinton and said she was willing to be Bill's regular girlfriend.

A federal sexual-harassment civil suit filed against Clinton by Jones alleges that her civil rights were violated after she refused Clinton's advances, that she received retaliatory punishment at her job and was denied raises and promotions. The favorable performance evaluations and merit-increase raise Paula is on record as having received after her brush with Clinton should in no way be interpreted as impugning her honesty.

"This case is not about money," emphasizes Jones, referring to the legal action that seeks to bring her $700,000. To underline this point of honor, Paula has pledged to give any funds she is awarded in court, above legal fees, to charity. No charity has been named to benefit from the proceeds of the movie and book rights that she haggled over with her initial attorney. Neither that theoretical cash nor the out-of-court settlement that same lawyer sought from Clinton in order to maintain Paula's silence should be construed as denigrating her altruistic intentions.

Savvy and slick Willie wouldn't switch to wiping his ass left-handed without consulting opinion polls. But don't let Clinton's known compulsion for gauging how his actions will be received before exposing his intentions stand in the way of swallowing whole Jones's story that Bill was caught with his trousers around his ankles and his boner pointing at a broad who wanted no part of it.

The evidence shows that Paula Corbin Jones is no more difficult to believe than is President Clinton. Sexual harassment is a serious issue that should not be trivialized, just as the workings of this nation should not be jeopardized by the credible accusations of an Asshole.

Farts in the Wind

Anthony Ramirez: Congressman Dan Rostenkowski is in a shitload of trouble, under indictment for an array of corruption charges. Anthony Ramirez is just one thorn in Rostenkowski's side. Making his case for the reasoning that kept him on the public payroll of Rostenkowski's office for nine years as a no-show employee, Ramirez had the gall to say: "A good employee never questions anyone anyway." For his effort and dedication, Ramirez receives the civil service's coveted award for the year's Hardest-Working Hardly Working Asshole.

Grace Slick: What's the difference between an old hippie rock star and a real revolutionary? In the case of former Jefferson Airplane singer Grace Slick, no police bullet in the head. Grace pleaded guilty to pointing a shotgun at police while she was in a drunken rage in front of her Northern California home. A normal person would have been killed on the spot; Slick will do community service—standard sentencing for leisure-class Assholes.

How bright is that babe? HUSTLER's Intelligence Test for Girls

A guy's chances at bagging a broad are inflated considerably if he can predetermine her intellectual tolerance for his line of bullshit. Of course, few scientific phenomena are more baffling than the female brain. But, while the girly-mind's mood swings and irrational outbursts remain wholly impossible to decipher, let alone predict, an ideal gauge of womanly intellect has finally been perfected by a crack team of HUSTLER researchers. The simple IQ quiz below will determine a potential prey's intelligence factor and, in inverse proportion, her susceptibility to being bamboozled into bed.

ANSWERS

Award the female subject one point for each correct response.

TRUE or FALSE: All statements are false, unless test is administered by a faggot.

MULTIPLE CHOICE: D is more wrong than the other answers. Never give a woman the option of a correct answer.

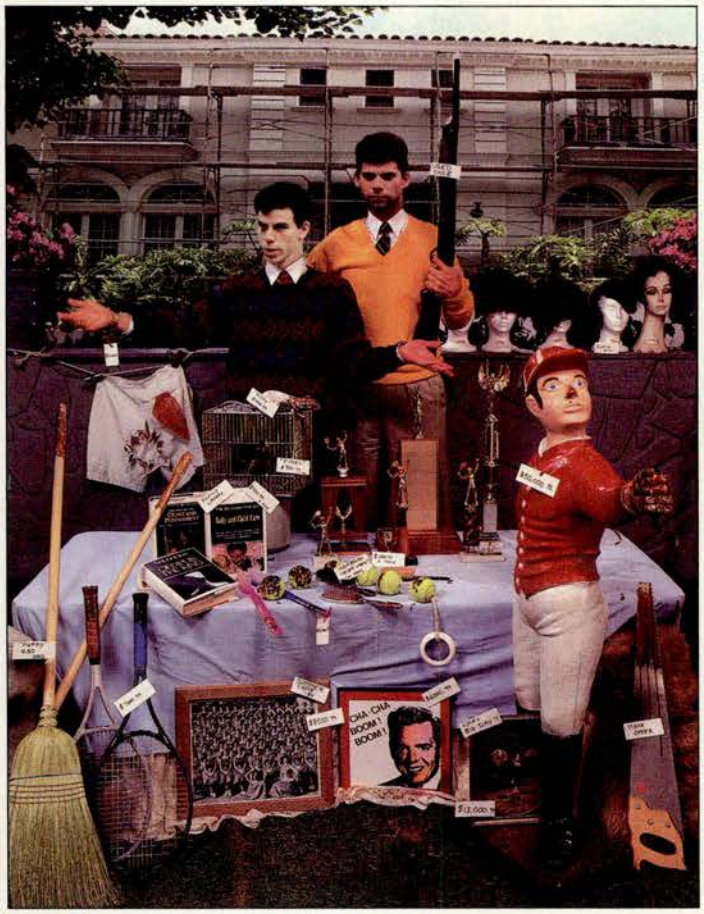

FILL IN THE BLANKS: Any response other than "sex" is completely delusional. With luck, she required extra paper.

Tallying the results:

0-10: Dopey, desperate and dumb: a dream girl. She's willing to swallow any lie and just about anything else.

11-20: Lamebrained, within limits. The potential for cajoled intercourse exists—particularly if alcohol is involved.

21-30: Einstein with a vagina. Shame her by saying there's no point in having big brains unless somebody's going to fuck them out.

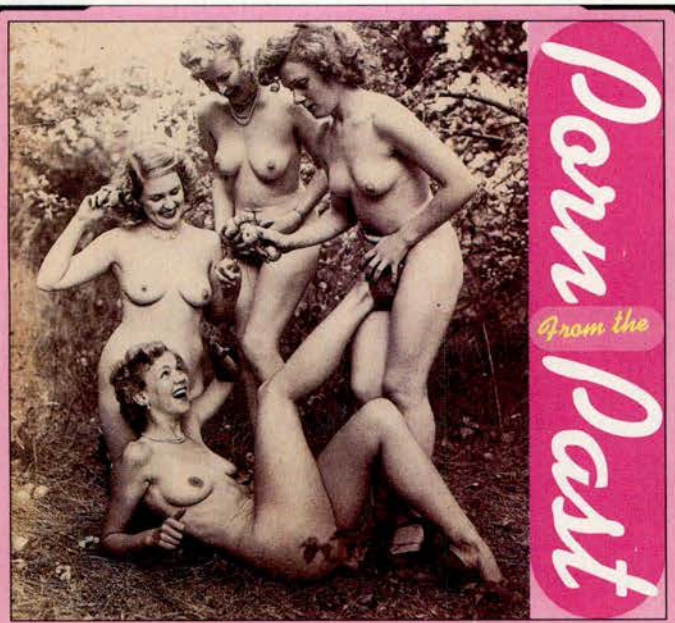

Menendez Yard Sale

Out of the Closet and Into the Yard

Rising court costs and continuing treatment for a pesky hemorrhoidal itch are only two of the reasons why blood brothers Erik and Lyle Menendez need financial help. Having murdered their wealthy parents after years of supposed abuse—alleged to include probings of the boys' butts with foreign objects—and squandered the inherited loot, the Cuban-American siblings are forced to sell their most treasured family heirlooms. From pet rodents Ricky and Fidel to the late Jose Menendez's favorite string of Ben-wa tennis balls, everything must go! Don't mind the subtle sheen of shit that covers most of these valuable items. In addition, Erik's wigs of the week are available, as are discreet family photos that give a glimpse into the childhood joys of two dysfunctional boys. Go ahead and browse. Just keep those hands where they can be seen.

"MOST TASTELESS CARTOON"

"Well, Miss, there's evidence you did have a Peeping Tom."

Meet the Women of *Wimbledon*

Prime-time soap operas just got hotter. Take a look at the ladies of *Wimbledon Place*. A new nighttime series inspired by the salacious sleaze of ratings phenom *Melrose Place*, *Wimbledon Place* swings and scores, as the babes of the lady's tennis tour do whatever it takes to get legs up on the competition. There's no fault in the love matches of these alley dwellers, who prove once again: Truth is hotter than fictionalization.

Martina Navratilova: She volleyed for the joys of playing doubles. Will her partner's tongue be called in or out? And, will she dispute the call?

Monica Seles: A backstabbed wunderkind victimized by her own beauty. Will opponents puncture her spirit? Or will she devise a backhanded method to seek revenge?

Jennifer Capriati: A promising swinger who's yet to master the courts of Wimbledon. Could her career be cut short by drugs? Or will she learn to play on grass?

HUSTLER's "No Comment"

Some magazines thrive on innuendo and rely on rumors to ensure big sales. HUSTLER believes that such editorial tactics are strictly bush-league. Some things, such as the sexual proclivities of celebrity women who don't have boyfriends, are not intended for publication. Take this photo, for example. We refuse to say why these specific starlets have been grouped together. In fact, our lips are sealed. Muff's the word. We simply won't dive into another's private affairs and stick our tongues where they don't belong. Maintaining our strict "no comment" policy is another instance of HUSTLER taking the higher moral road, above our publishing peers. Simply put, we care a lot.

Illustrated Mayhem

Looking for some sexual violence? Discover the twisted minds and tortured pens of Eros Comix. The X-rated-cartoon books in the extensive Eros catalogue are smart, sexy and a perfectly viable way to whack off. Titles such as *Vegetable Lover, I Want to Be Your Dog*, *Slug 'N' Ginger* and *Bang Gang* offer fantastically detailed images of sexual brutality that would be illegal if they'd been photographed instead of drawn. For a complete list of this carnal comic collection, write to Eros Comix, P.O. Box 25070, Seattle, WA 98125.

Pussygate

As he entered his tarnished golden years, disgraced former President of the United States Richard Milhous Nixon wanted to change his image from dour politician to cutting-edge comedian. Nixon, seen here trying his hand at directing a satiric photo feature with HUSTLER photographer Ladi von Jansky, displayed a ribald appreciation of women that rivaled even our own. Sadly, Nixon died a week after his pictorial was finished, taking with him a silly side the world will discover on page 36 of this issue, with Tricky Dick's *Presidential Hard-on*. Goodnight, funnyman. Thanks for the mammaries.

PARODY. NOT TO BE TAKEN SERIOUSLY. DEAD AND DISGRACED POLITICIAN'S HEAD PASTED ONTO OUR MODEL'S BODY.

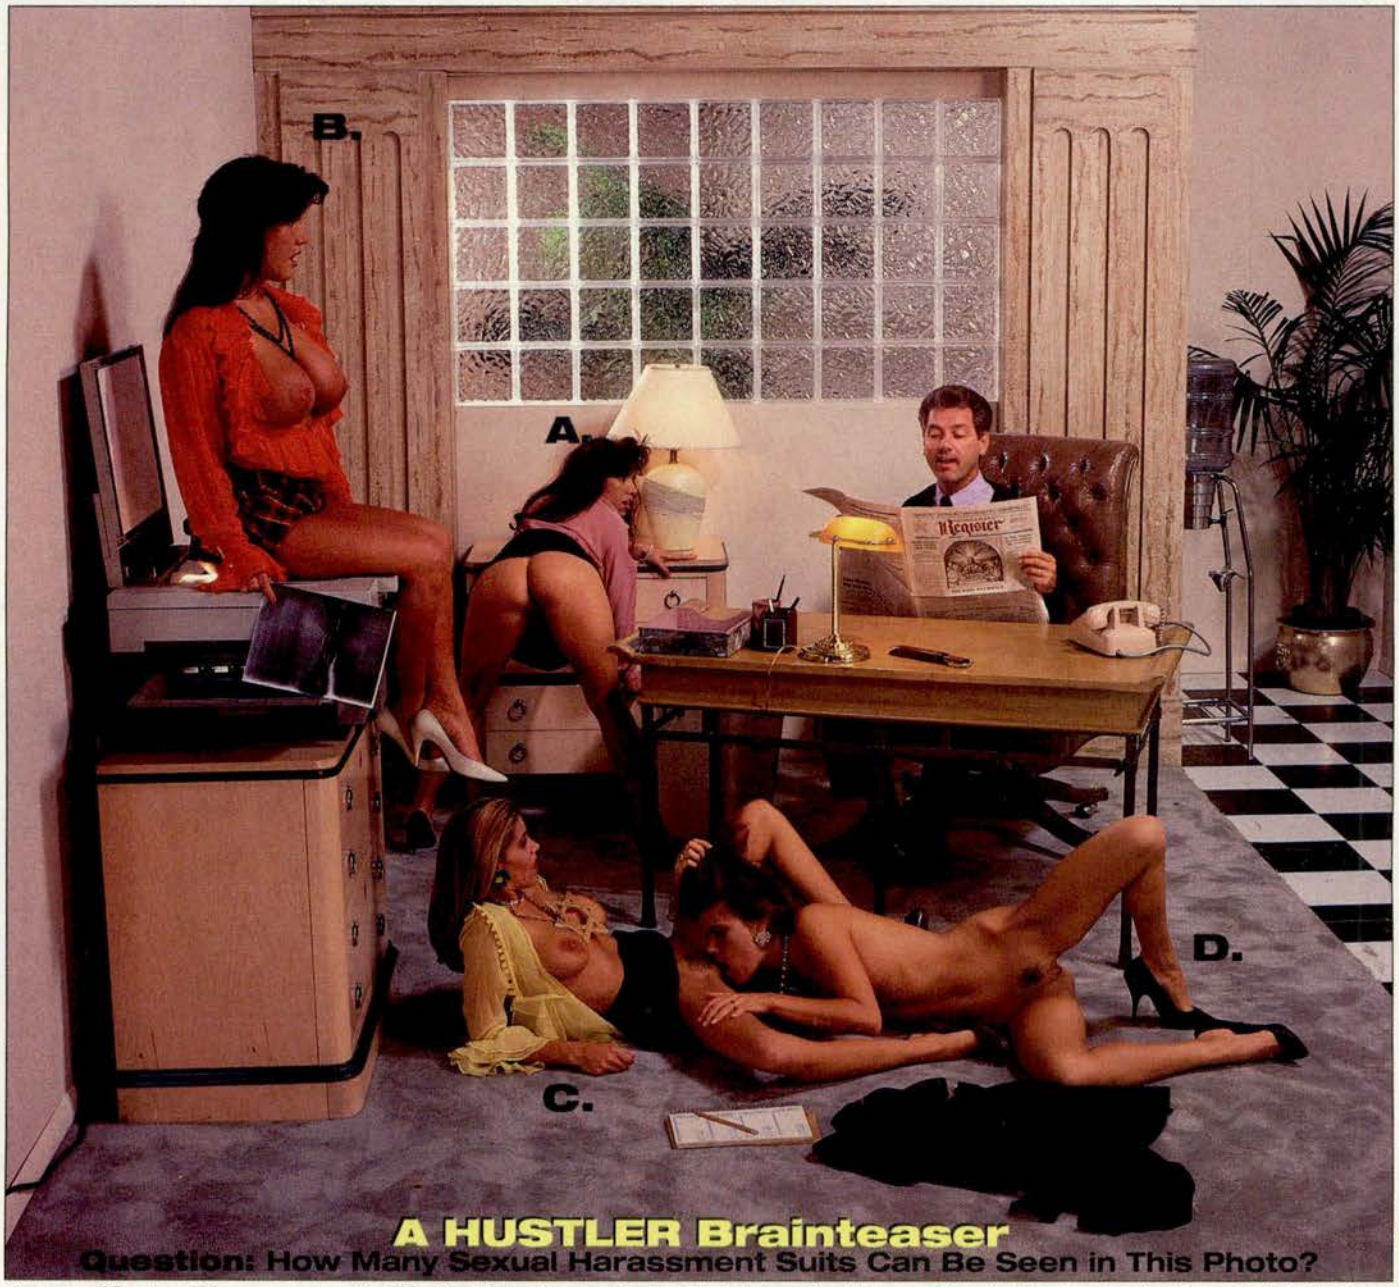

Tail to the Chief

Bill Clinton may be our country's most honorable President ever. Why? Because this Arkansas hoochie-coochie hound's agenda is neither hidden nor different from the common man's. Clinton displays an amazing acuity for spotting and rating women even under the most trying circumstances, such as attending the funeral of dead and disgraced former President Richard Nixon. HUSTLER supports a Commander in Chief who uses his staff to keep himself focused.

Exposing Her Legal Briefs

War isn't shit compared to the hells faced by the Everyman in today's workplace. The most inoffensive phrase or the slightest twitch of his mouth is often misconstrued as harassment by the modern working woman, whose method of career advancement is to seek millions of dollars in lawsuits against regular guys. No man in the prevailing pathetically correct job atmosphere is free from potential clit-instigated litigation. Don't get judicially fucked, guys! Consider the evidence below and learn from this poor fellow's predicament. Quit work, stay at home, and read HUSTLER. The monetary compensation may be little, but the emotional rewards are rich.

Answer: They're all harassment suits! That's right—despite the fact that this male office-peon is minding his own business in this lewd and ludicrous situation, his female coworkers will all have sound legal cases against the man. How? Read the evidence:

Woman A: *"By storing pertinent papers in the bottom file-drawer, the accused created an uncomfortable working environment that forced me to bend and expose my backside."*

Woman B: *"After complaining about poor-quality photocopies, the accused suggested that I 'lubricate the glass to help things slide through easier.' This obvious sexual innuendo created an embarrassing situation."*

Woman C: *"I'm a member of the Zionist nation. The defendant mocked my religion by openly reading the Catholic Register, insinuating that Catholic people are superior to Jews because we have no such paper."*

Woman D: *"While engaging an associate in conversation on the morning in question, the accused exhibited lewd and mocking facial gestures, making me self-conscious while I finished my oral interlude."*

Feed a Starving African Child.

Nopoopoo lives in Somalia. Every day he looks at his picture of Sally Struthers and feels a little bit better. Until the crippling hunger overwhelms his tiny bones. Nopoopoo is only one example of a desperate African child who would benefit from a bowlful of Sally. Give the gift of life.

From Rwanda to Somalia to Ethiopia, the dying people of Africa need help. They need someone to give them hope. They need something to fill their stomachs. They need a slice of Sally Struthers.

The fatter Sally gets, the more she'll feed.

The HUSTLER Humanitarian Foundation (a profit organization) has discovered the solution to Africa's desperate hunger problem. Working in conjunction with the Kinsu Knife Corporation™, we'll carve, package and send lifesaving slabs of TV pitchwoman Sally Struthers to the people who need her fatty tissue the most. No population will prove too large—there's more than enough of Sally to go around.

Nopoopoo has never seen real meat.

Squatting next to a food pail that has never been soiled with a single crumb, Nopoopoo dreams of a day when he can leave this Somali refugee camp, come to America, track down Sally Struthers, slaughter the "sow of infinite girth" and bring her salted flesh back to Somalia to feed his entire tribe. Nopoopoo dreams, but he has never seen real meat.

Nopoopoo's mother, her breasts dried and wasted, is unable to give her son anything to sink his teeth into. To provide hope for her boy, Mama Nopoopoo has hung a photograph of Sally Struthers above his rusting food tin. Though he's never smelled it, tasted it or touched it, Nopoopoo at least knows what a lard-rich hunk of meat looks like.

But Mama Nopoopoo's kindness has only made Nopoopoo's longing crueler.

You really can make a difference.

For no money down, you can help send a nourishing piece of Sally Struthers to what's left of the home of a dying African citizen. You can even specify which part of Sally's bloated body you wish to pledge. But, it doesn't matter. From her chunky cheeks to her nutritious kneecaps, every bit of Sally provides the fat and minerals these famished people need to survive. Even the smallest slice of Sally's skin will make a dying child feel alive and full for the first time in his life.

He may even burp!

That's right—with your generous pledge, a hungry child will get a taste of a genuine American meathead. He may even burp. Carve a chunk of love for the starving people of Africa. And, of course, your gift is guilt-deductible.

FEEDBACK

Kneed Tonya

I'm writing in response to HUSTLER's choice for Asshole of the Month ("Asshole of the Month," *Bits & Pieces*, July '94). I think it sucks! I cannot believe the way that HUSTLER bashed Tonya Harding, making uncalled-for comments about her health, figure and private life and so on! This is a young woman with her life ahead of her, and it's not fair that she should have to live with all the cruel things HUSTLER said about her when it branded her Asshole. Tonya is, after all, a woman, and she deserves respect from America's Magazine. Granted, she did what she did, but it's no different than what our past, present and future Presidents have done and will continue to do. And that is, to take an opponent out of the running by whatever means available.

Unlike some of our fine, upstanding Presidents and government officials, Tonya unfortunately got caught. Personally, I do not know this woman, but I have admiration for her. Right on, Tonya! I do, however, think that no-good snitch of a man she was married to deserves Asshole of the Month. Tonya depended on him, put her career in his hands, and he turned on her because he couldn't handle doing the time. What a weak punk. —D. M.

Draper, Utah

Attempting to bust someone's knees may be on a par with challenging personal indiscretions in your book of competitive tactics, D. M., but America's Magazine prefers its winners to be determined by merit. No one has the right to waylay an opponent by breaking the law. And, while we're evening the score, whimpering wife-snitcher Jeff Gillooly was crowned HUSTLER's Asshole of the Month in June 1994. Now that's a fair blow!

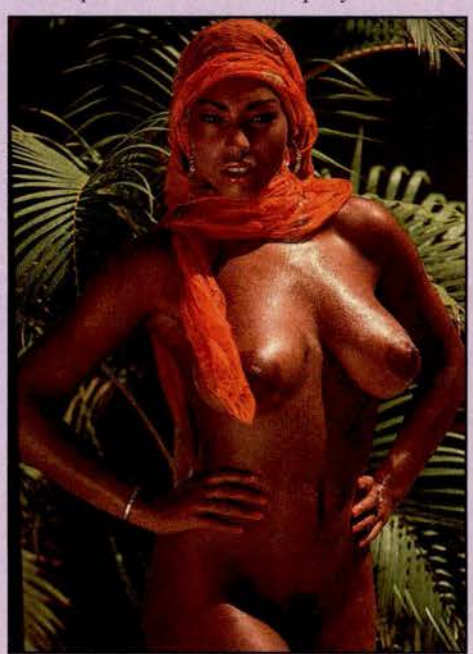

Space Oddity

My husband and I enjoy HUSTLER's love-set pictorials because it gives us ideas to spice up our sex lives. The pictorial *Science Friction* (*Shelly, Shawnie and Angelo: Science Friction*, July '94) in HUSTLER's 20th-anniversary issue gave us an idea. Shawnie, on pages 71 and 72, is in an elevated, round, plastic tube. We would like to know where we can find one of those. My husband and I find it very erotic to be in a confined space (inspired by HUSTLER's pictorial) and making love while elevated.

Keep up the sexy love-set pictorials in future editions for our—and others'—fantasy inspiration! —D. M.

Rockville, Maryland

The remarkable elevated, round, plastic tube of which you speak, D. M., was built with special resin-based polymers that won't be developed until spring 1999. Which accounts for the fact that, while commonplace in the 21st century—the time of HUSTLER's Science Friction pictorial—the plastic tubes simply can't be found on Earth today.

Awww-some

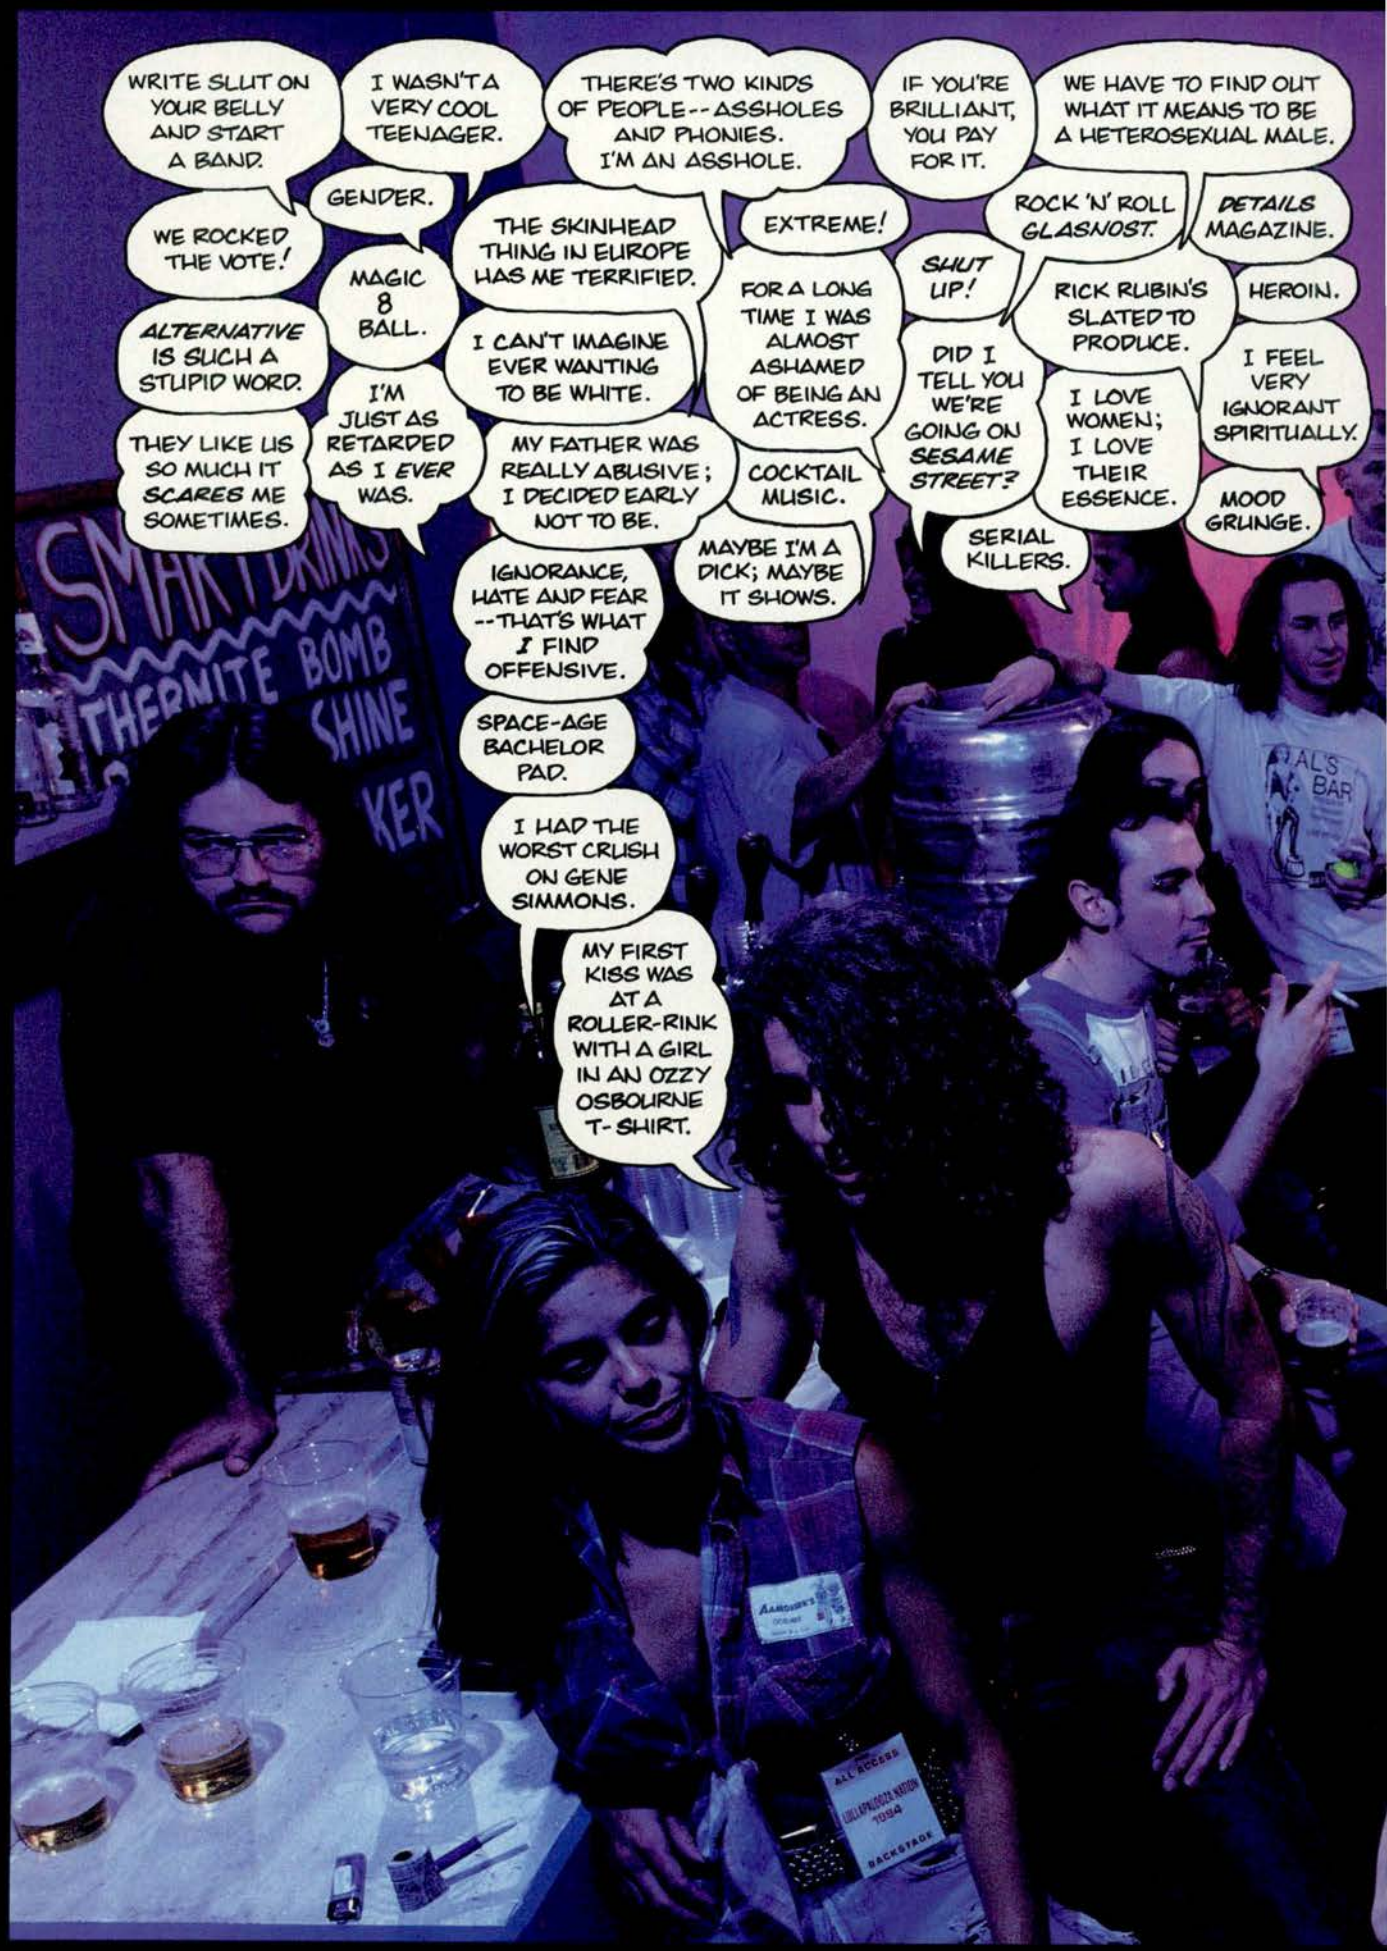

I'm writing in hopes that HUSTLER will print the poem I've enclosed as part of a birthday surprise for my boyfriend. I don't own a stitch of talent when it comes to writing, and that's why I'm so proud of this trashy poem, entitled *Face*. My boyfriend is turning 32 and has always enjoyed HUSTLER Magazine, reading it from cover to cover every month. He will most definitely be blown away at what I think is a perfect way to express my intoxication of love for him on his birthday and every day after! Thanks, HUSTLER!

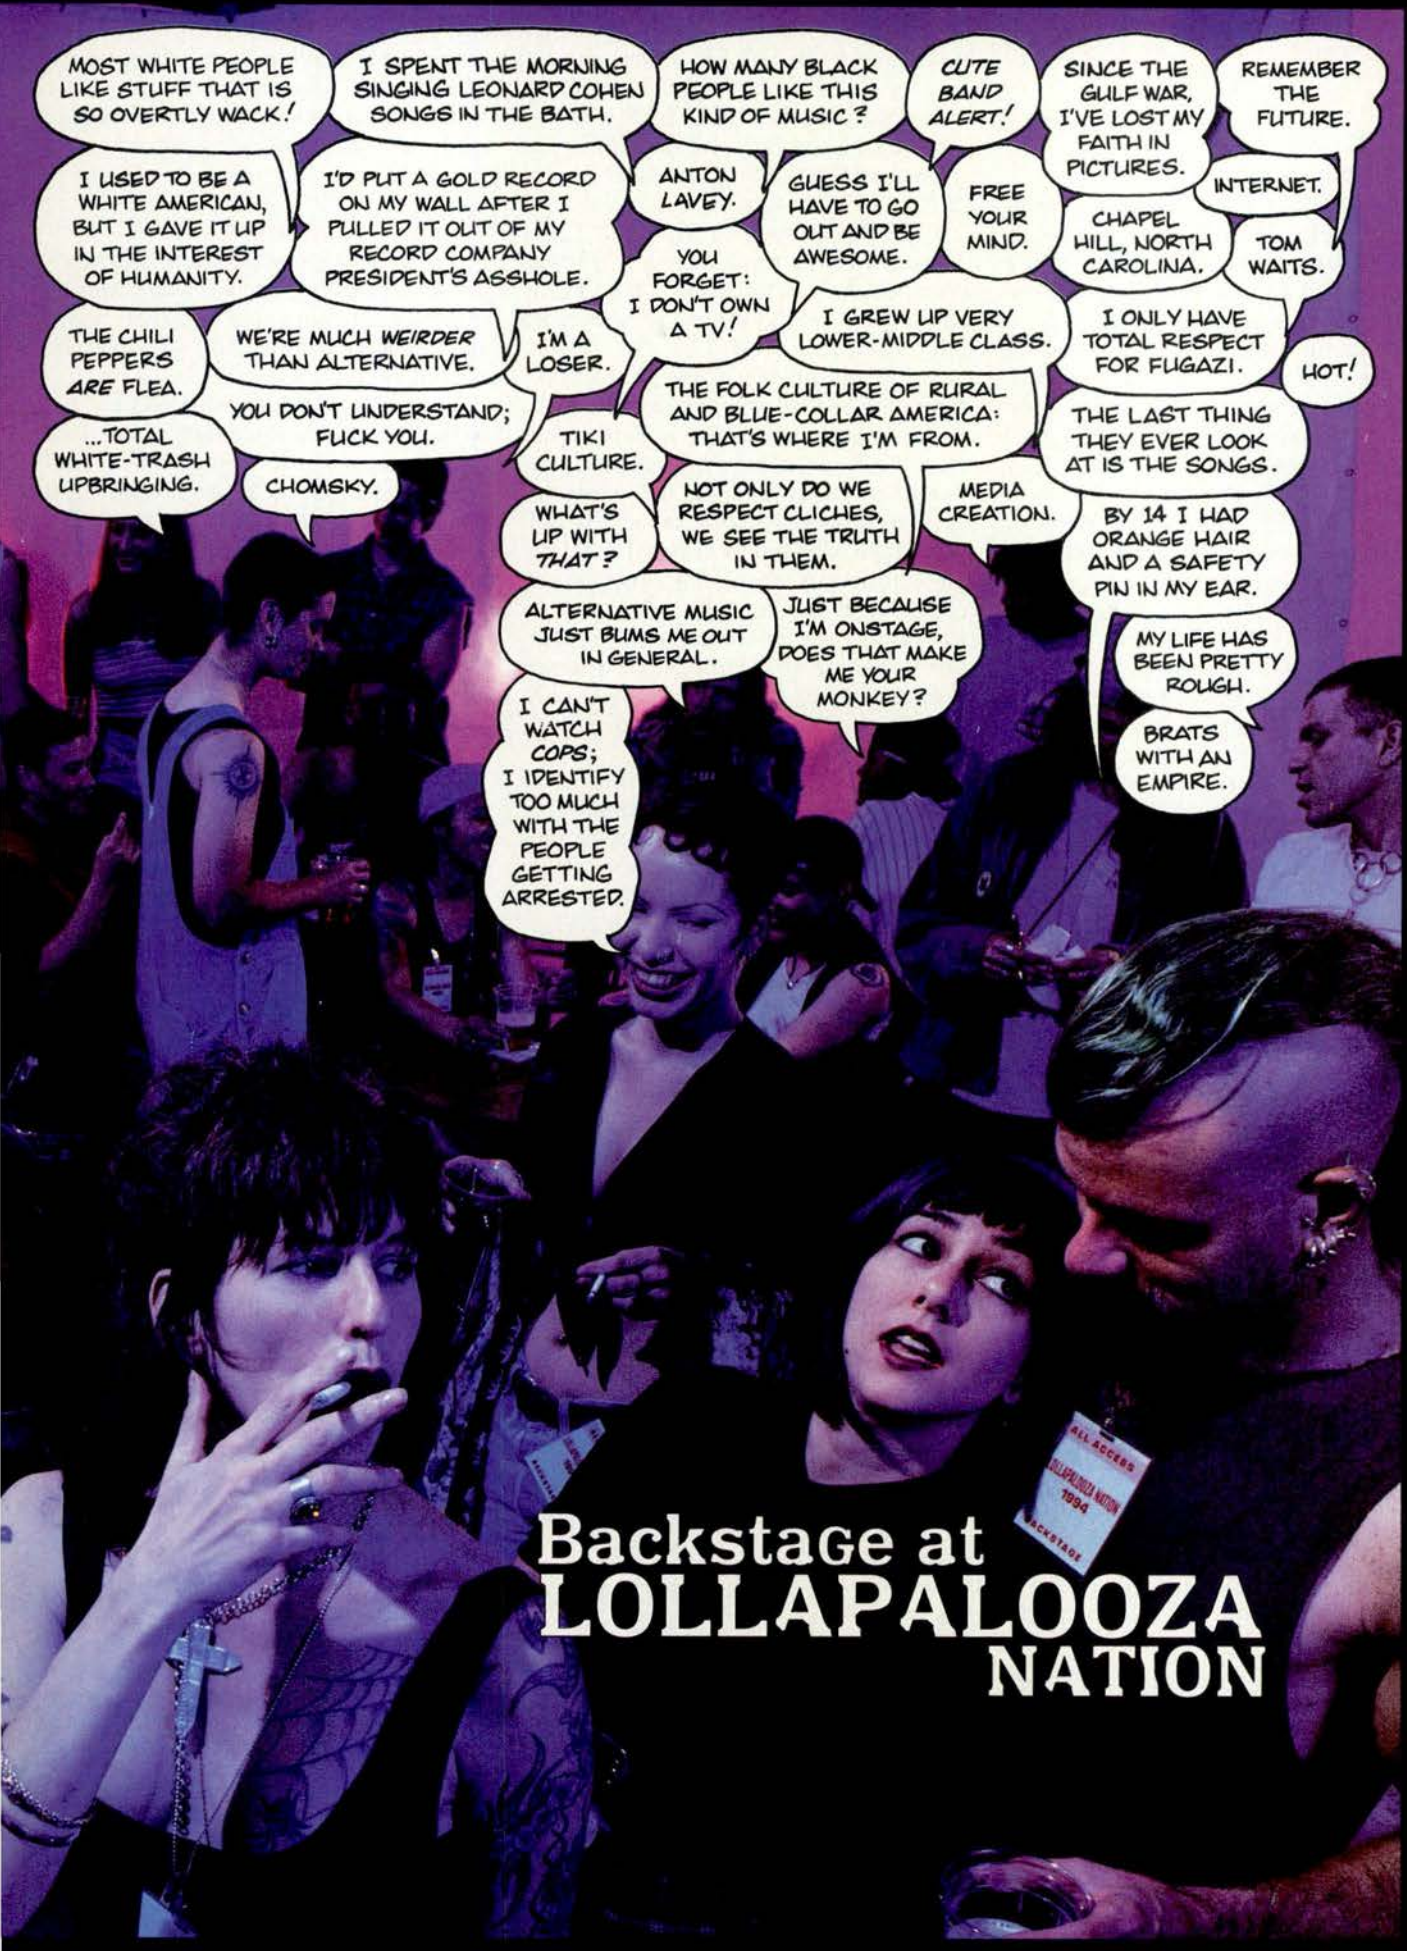

There's something in your touch that fills me full of thrills/My panties get so wet and your cock's my favorite meal/I love to suck your dick and gobble up your cum/To bob my head about when you're hard against my tongue/I like to watch your eyes as you watch me give you face/I like it even better when my pussy's what you taste/It makes me catch my breath and bite upon my lip/When you flick your tongue about and rub your face against my clit/I get these little spasms, gripping wavelike shocks/Silent little signals that my pussy needs your cock!

Happy birthday, Aaron! —C. C.

Mole Man

What the fuck is it with the disappearing mole? Scoping HUSTLER's pictorial of Adela (*Adela: Cabin Fever*, June '94), it drove me fucking nuts to see that mole so close to Adela's gorgeous poop chute! It was beautiful—that is, until I turned the page for the closeup! The mole was gone! That ass isn't complete without the mole! If it ain't broke, don't fix it! HUSTLER's cartoons and jokes are killer, and its pictorials are the best, but shit like that really fucks me off! —Mad Dog

Perryville, Missouri

Ever wonder why they call you "Mad Dog" and not "Mr. Sensitive"? Some may find pigmented spots, marks or small, permanent protuberances on the human body attractive, but Adela was embarrassed about her mole. Of course, now that Adela knows what a turn-on it was for you, she really regrets covering it up with her finger for the closeup.

History Lesson

I have just finished reading HUSTLER's 20th-anniversary issue, and as a relative newcomer to HUSTLER, I was very interested in the article highlighting many noteworthy stories HUSTLER has featured during its 20 years of publication (*Historic HUSTLER: A Broad Overview of 1974 to 1994*, July '94).

I find it curious that Sissy the Texas Tunnel (*Beaver Hunt*, January '90) has provided the most-discussed HUSTLER photo ever; yet she has never been more fully featured in HUSTLER. Surely after printing the breathtaking photo Sissy submitted to *Beaver Hunt* and noting the overwhelming interest it generated, HUSTLER would have offered the Texas Tunnel a full layout under the expert eye of a professional photographer. If not, why? If so, why did the Texas Tunnel decline to expose herself to further acclaim? Did she find the notoriety her *Beaver Hunt* photo engendered upsetting? I'm sure HUSTLER readers would love to see Sissy again. —B. S.

Toronto, Ontario, Canada

Like so many overnight sensations in similar circumstances, Sissy apparently felt smothered by the avalanche of support, disbelief and, frankly, outrage that accompanied HUSTLER's publication of her gargantuan gash. Although certifiably world-famous, Sissy and her eye-searing snatch are presently living a life of seclusion. However, should Sissy care to burst once more into the limelight of America's Magazine, she need only enter Beaver Hunt again.

Small Wonder

I have a fantasy rarely seen in any publication: a beautiful woman who shrinks a man down to tiny size and then teases and taunts him by playing with him and treating him like a toy.

I'm a regular reader of HUSTLER and would love to see something of this kind of material (giant women/tiny men) handled by your team of professionals. Or, if you know of anyone who deals with this admittedly bizarre dream, I'd appreciate knowing how to contact them. —T. M.

Class Ass

HUSTLER's 20th-anniversary issue was spectacular! You couldn't have picked a more perfect Honey for the delicious centerspread. Charmaine (*Charmaine: Rock Solid*, July '94) is the most beautiful and cock-raising mocha girl I've ever seen. I've never been too attracted to black chicks, but Charmaine and her velvet, chocolate-nippled breasts, enticing pink pussy and dick-hungry, round ass gave me a hard-on that won't quit. HUSTLER always honors and respects women by revealing them in sensual pictorials embraced by wonderful backdrops of nature or intimate, designed interiors. The girls are the main attraction of the photo, but the sets play an integral part in enhancing their beauty. In other words, HUSTLER's a class act. Keep going strong! —G. N.

Still Life With Beavers

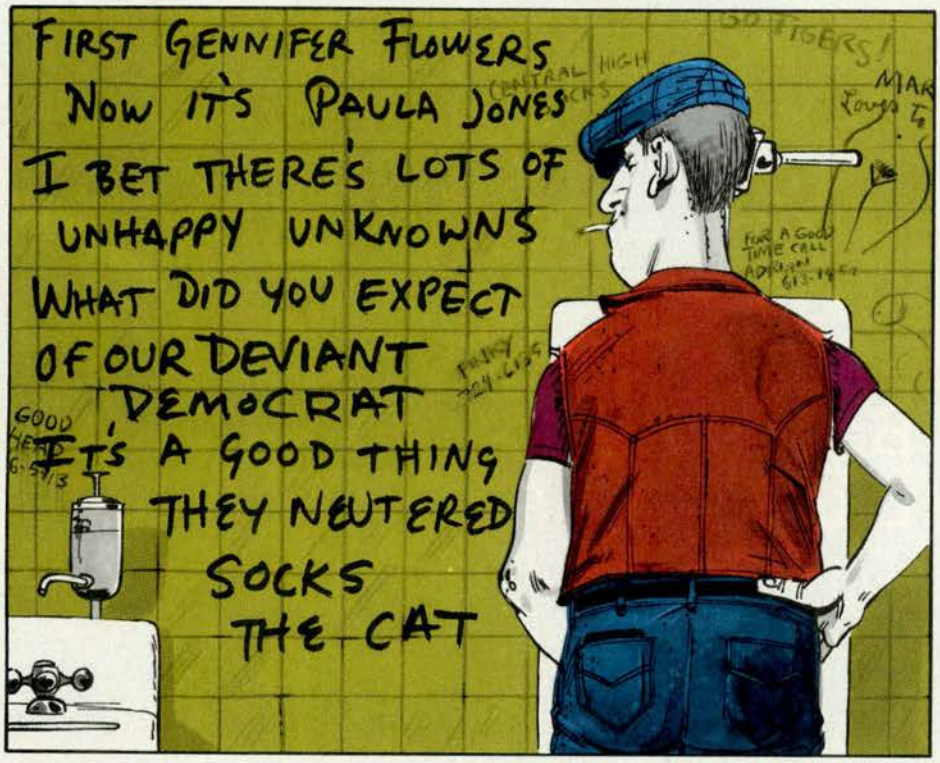

I'm writing HUSTLER Magazine to say that *Beaver Hunt* is the best feature of any magazine whether X-rated or not! I enjoy imagining the Beavers in real-life situations. The details of their living environments—as evidenced in the backgrounds of the photos they submit—give my fantasies a bone-stiffening reality. Still, I'm left only with the paper their pictures are printed on. I'd give anything to hear these down-to-earth goddesses speak! —F. L.

MR. SMITH GOES TO HUSTLER®

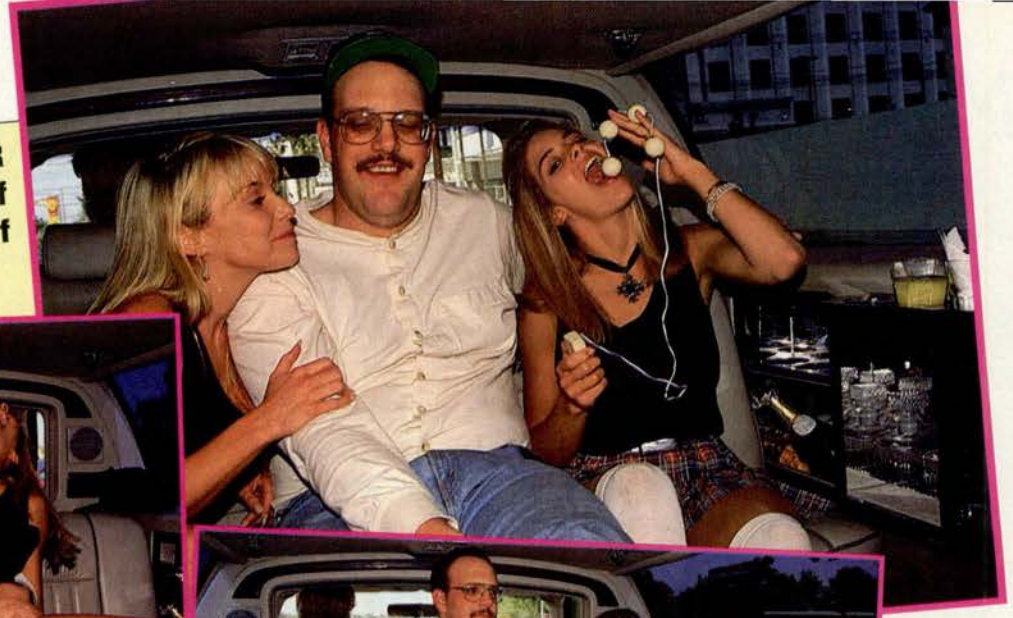

For every HUSTLER fan, the contest was a dream come true. In the January '94 issue of America's Magazine, readers were asked to fill out and send in a survey. One lucky respondent was picked to enter the world of HUSTLER. That fortunate fellow was Chad Smith. Now the most famous man in Yankton, South Dakota, Chad won an all-expenses-paid vacation to our Beverly Hills headquarters, including $900 spending money, and the opportunity to live life like a HUSTLER editor for three bone-aching days.

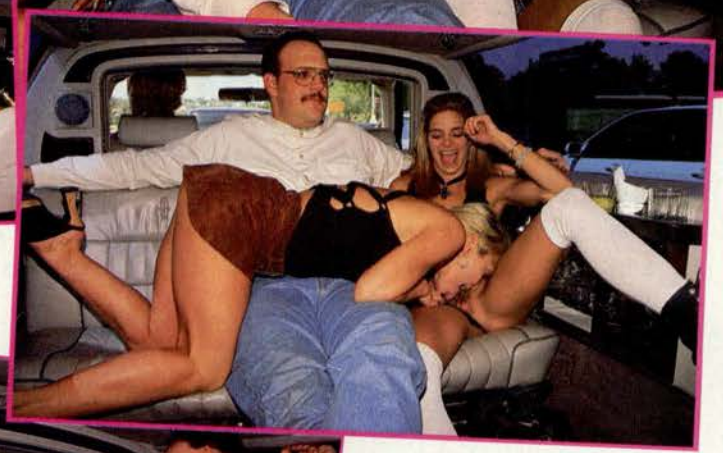

Smith arrived early one Thursday morning and was met at the Los Angeles International Airport by HUSTLER Associate Editor Scott Schalin and a specially trained welcoming committee.

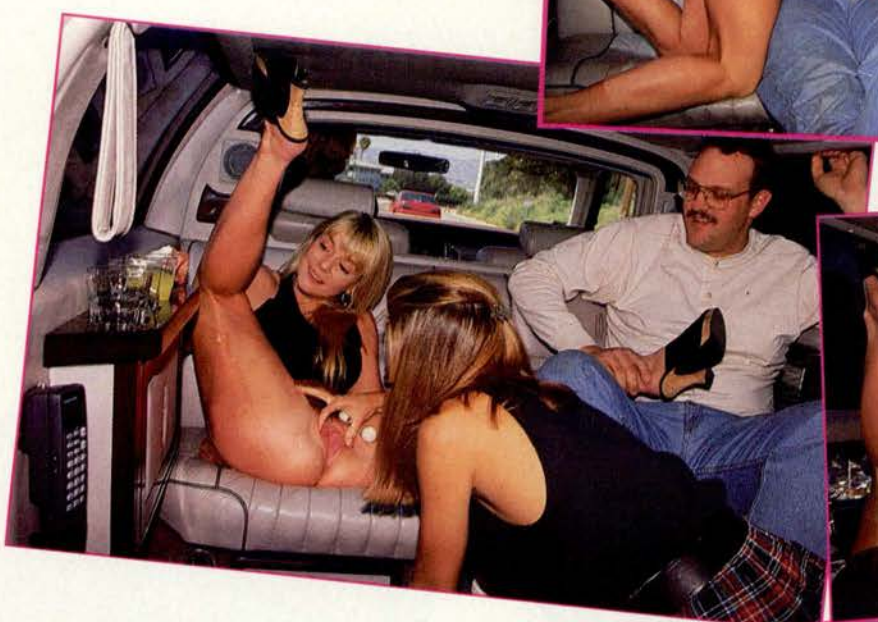

Once inside the HUSTLER limousine, Chad was off for "the wildest ride of my life."

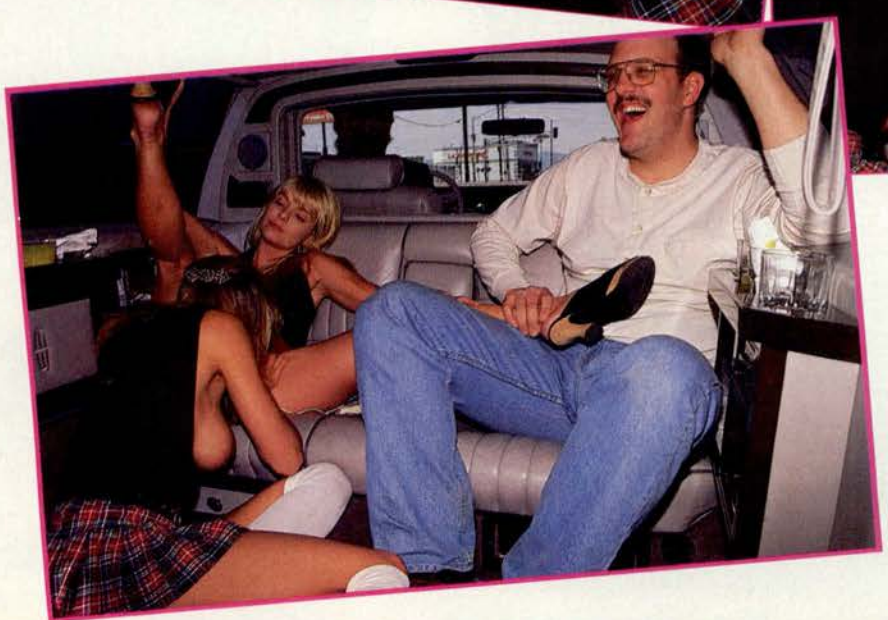

"I've never had so much fun getting my hands dirty on the job!" Chad laughs, recalling his arrival at the HUSTLER studios. There, the plucky winner assisted in the production of a comical photo shoot, *HUSTLER's World of Schoolyard Wit*, which appeared in our September '94 issue.

By weekend's end, Chad had seen the beach, smelled the smog and licked the essence of Los Angeles from the mouths of HUSTLER's finest femmes. Sure, he was tired, but it was a good kind of tired.

Back in Yankton, this volunteer firefighter and painter of window frames has become a celebrity, making the front pages of local papers and praising HUSTLER for a weekend he admits he'll never forget. "Every time I open a HUSTLER now," Chad Smith says by way of an unsolicited product endorsement, "I get a smile on my face and a good feeling in my gut." The pussy and the pleasure were all ours.

Beaver Come Home

I love HUSTLER Magazine. But I have a question about April (*April: Fool Bloom*, April '94). With a fucking asshole that big, who needs a pussy? Goddamnedest thing I ever saw.

Speaking of pussy, Corina (*Beaver Hunt*, April '94) has a cunt I'd like to lick for a good, long time. Could you ask Corina if she's in my neighborhood to stop by and pee in my face while I squeeze her delicious mammaries? I'd appreciate it. —F. B.

Kettle Call

I found an issue of HUSTLER in a desk where I work. So I looked at it and found some things that struck me as hypocritical. As an African-American Male Nigger-Spearchucker-Coon-Jigaboo-Jungle Bunny, I think HUSTLER's humor is pretty funny. But some people actually believe the things they see around them, and never question the source or intent. For instance, HUSTLER may pick Rush Limbaugh for Asshole of the Month ("Asshole of the Month," *Bits & Pieces*, May '94), but I'm willing to bet Rush Limbaugh just loves HUSTLER's nigger cartoons. HUSTLER criticizing Rush Limbaugh on one page and crucifying a black man on another? What I think we got here is a case of the pot calling the kettle black.

In HUSTLER's May 1994 *Feedback*, a reader thought that HUSTLER's beer parody showing a black man being lynched with fire saying, "I asked for a Butt Lite!" was nothing but purely racist ("Parody Bites," *Feedback*, May '94). The letter immediately following "Parody Bites" in May 1994's *Feedback* was written by someone from my hometown, Chicago Heights, Illinois. I'd call Chicago Heights a racist town.

This happened to me: Once upon a time, this coon drove his coon Aunt and coon children to a religious camp in the kountry. Coon Aunt was a very devout Christian. Coon Aunt said, "Let's stop at this little kountry town and get some food from these kindly kountry folk." I, the coon driver, said, "Auntie Coon, I don't like stopping in a town where there ain't no coons like us." Auntie Coon said, "These is nice kountry folks." So I said okay. But my coon mind told me something wasn't right. *Look at the way these kountry white folks is smiling at us!* it said. But we pulled into a fast-food place, ordered, got some food and drove away.

Got down the road in this kountryside. Opened the food, and it was covered with blond hairs. Hair in the french fries. Hair in the burgers. Hair in the soda! Auntie Coon said, "Let's take it back." I said, "No. We might end up having to call the friendly kountry police."

Wonder why I use a "K" instead of a "C"? Humor. Now that's funny.

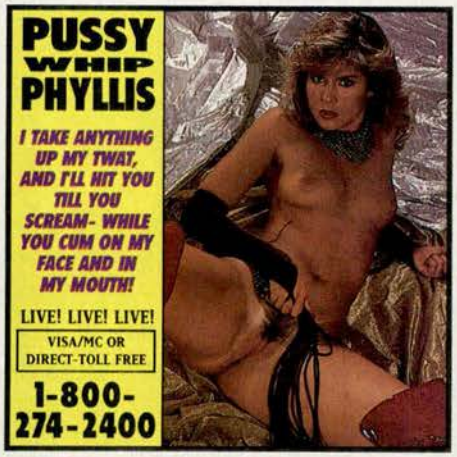

P.S. My letter might not be neat enough to print, and I ain't got no phone 'cause we po'. Way y'all want us. After all, the only good coon is a.... But you know that already. —R. C.

KEEPERS

CHICKS WHO CAN STICK AROUND

THE KIND OF MAN WHO READS HUSTLER MAGAZINE LEADS AN EXHAUSTING LIFE. THERE ARE SO MANY WOMEN, AND THE MOST ANY OF US HAS IS ONE DICK. IT'S IMPOSSIBLE TO KEEP UP, BUT WE TRY, AND THE EFFORT WEARS US DOWN. A HUSTLER MAN TENDS TO LURE A RAPID SUCCESSION OF LADIES INTO ONE SIDE OF HIS BED, BOOTING THEM OUT THE OTHER SIDE. HE BECOMES IMMERSED IN THE PRESS OF HIGH FEMALE TURNOVER. HE HARDLY HAS TIME TO LOOK UP FROM WHAT HE'S DOING TO SEE WHO'S NEXT. UNDER THESE PRESSURED CIRCUMSTANCES, A GOOD, LIVE PRIZE IS SOMETIMES TOSSED BACK INTO THE STREAM, THE HUSTLER MAN NEVER REALIZING THAT HIS SNATCH OF THE DAY MAY IN FACT BE THE CATCH OF A LIFETIME—OR AT LEAST A TROPHY WORTH KEEPING HOOKED FOR A MONTH OR SO. KEEP IN MIND A FEW SIMPLE POINTS OF FEMALE CHARACTER AS A BASIC CHECKLIST. WHEN A WOMAN IS FOUND TO POSSESS THESE POSITIVE QUALITIES, THE WISE MAN WILL KEEP HER ON THE LINE.

SHE'S GOT TO LOOK GOOD: LOOKS AREN'T EVERYTHING, BUT THEY'RE A START. IT IS ALWAYS EASIER TO MAINTAIN INTEREST IN AN ATTRACTIVE GIRL THAN IN A PLAIN JANE. IF A BROAD HAS A PLEASING APPEARANCE, SHE GENERALLY KNOWS IT AND IS LESS PRONE TO MADDENING FITS OF INSECURITY. REMEMBER THAT A MAN IS JUDGED BY THE COMELINESS OF HIS GIRLFRIEND. A POTENTIAL COMPANION PIECE NEEDN'T HAVE THE VISUAL ALLURE OF BROOKE SHIELDS IN HER PRIME, BUT NO MAN WILL RETAIN HIS SELF-RESPECT IF HE'S SEEN WITH A SPECIMEN WHO RESEMBLES SHIELDS AFTER SHE GOT UGLY.

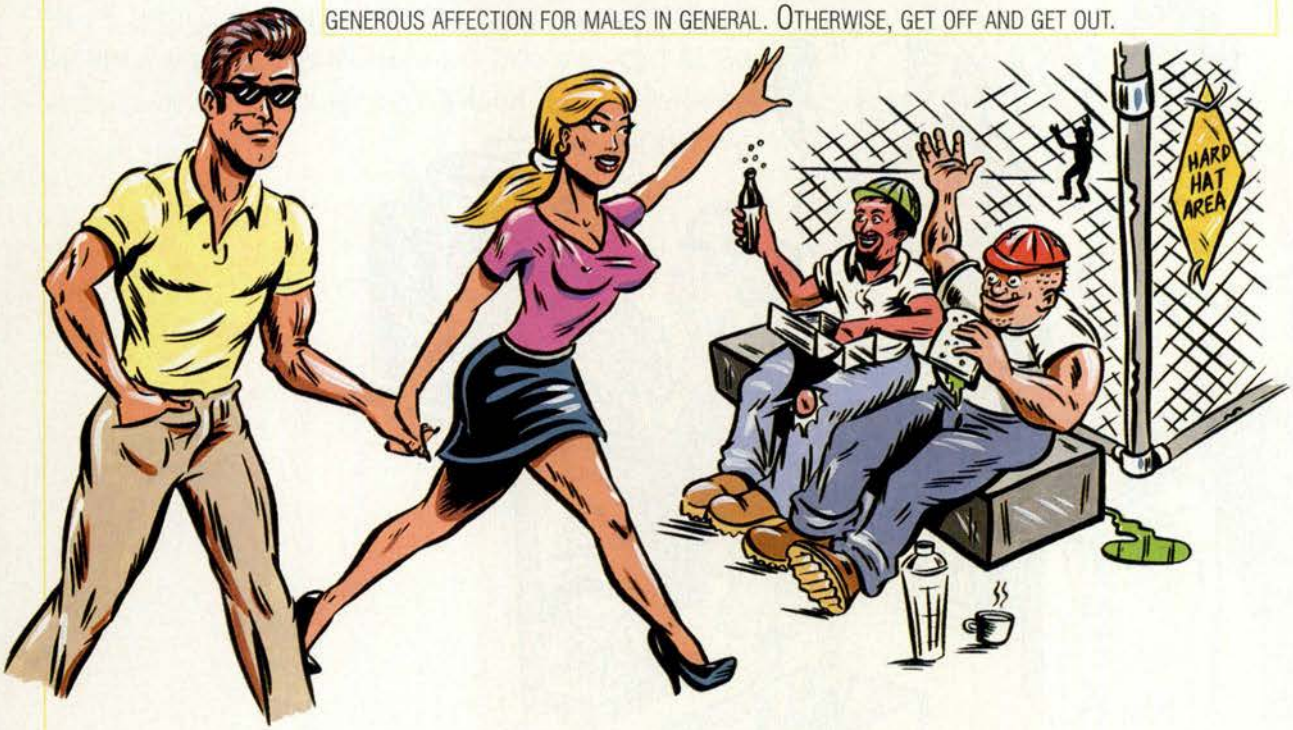

SHE'S OPEN TO SEXUAL EXPERIMENTATION: BUT NOT TOO OPEN. NOBODY WANTS TO DEAL FOR LONG WITH THE *PLAYBOY*-MODEL SYNDROME (PMS): A BEAUTIFUL BUT COLD FISH REFUSES TO FLIP AND FLOP ACROSS THE MATTRESS ONCE SHE'S BEEN LANDED. IF SHE HAS ANY PLACE ON HER BODY WHERE SHE REFUSES TO BE TOUCHED, OR IF THERE IS ANY PLACE ON HER PARTNER'S BODY THAT SHE REFUSES TO TOUCH, SHE WILL WEAR THIN UPON THE THIRD REFUSAL. ON THE OTHER HAND, A LOOSE SLATTERN WHO HINTS THAT SHIT IS AN EXTENSION OF HER SENSUAL SELF SHOULD BE QUICKLY WIPED AND DUMPED.

NO GORILLA IN THE SHADOWS: EVERYBODY WANTS A SLICE OF A GOOD THING. BE AWARE THAT SOME MOOKS, PARTICULARLY THE HOMICIDAL VARIETY, WILL GO TO HEINOUS LENGTHS TO PROTECT THEIR SUPPLY. OPERATORS WHO CHOOSE COMMITMENT-FREE SEXING WITH THE GIRL OF SOME OTHER GUY SHOULD BE CONSIDERATE OF HER OLD MAN'S FEELINGS, PARTICULARLY IF HE IS A MEMBER OF THE LAW-ENFORCEMENT COMMUNITY OR IS A VIOLENT OFFENDER DUE TO BE RELEASED FROM PRISON. NEVER UNDERESTIMATE THE EX-BEAU WHO OWNS SEVERAL GUNS AND IS UNDER THE DELUSION THAT HIS REVERED HONEY HAS MOVED ON TO SOME SCUM-FUCK WHO DESERVES A BULLET IN THE HEAD.

SHE SEEMS FOND OF MEN: THE MOST TEMPTING TARGETS ARE OFTEN THE MOST DANGEROUS. MANEATERS EXUDE A PALPABLE, ALMOST IRRESISTIBLE ALLURE. IF HER TRUE INTENTIONS WERE VISIBLE, THE FEMME FATALE WOULD SCARE OFF HER TESTICLE-DRAGGING VICTIMS BEFORE THEY GOT WITHIN THE CLUTCH OF HER TALONS. THE PUNISHER OF MALES IS CHARACTERISTICALLY A VERY HOT (THOUGH OFTEN GRUDGING) FUCK. SHE WORKS FAST. DO NOT MISTAKE EROTIC MALICE FOR SEXUAL MAGNETISM. A STEADY GIRL'S CHARMS SHOULD SPRING FROM AN EASY, NATURAL, GENEROUS AFFECTION FOR MALES IN GENERAL. OTHERWISE, GET OFF AND GET OUT.

SHE CLEANS, UNASKED: A WOMAN'S PRESENCE IS FELT AND SEEN IN MANY WAYS. HOPEFULLY, HER TOUCH ENHANCES THE HOME ENVIRONMENT. THE BEST OF THE BREED TEACH BY EXAMPLE. RATHER THAN HARANGUE A CARNAL ACQUAINTANCE ABOUT THE RING AROUND HIS BATHTUB, THE LADY WHO HOLDS HER OWN SIMPLY SCOURS THE TUB, WHILE VOICING NO COMPLAINTS, AND LETS HER HANDIWORK SPEAK FOR ITSELF. TO TURN SPRING CLEANING INTO A PARTICIPATORY EVENT, THE TIDY PACKAGE NEED ONLY SCRUB THE SHOWER FLOOR WHILE HER NEAT BUNDLE IS ENCASED IN SHEER PANTIES AND BRA. SUCH ACTIVITY IS A CUE TO SOAP UP.

SHE PROVIDES HER OWN CASH FLOW: The male ego is tricky, especially when a guy is exploited financially to the point where he becomes a paying customer. Every man has a distinct dollar threshold; when expenditures exceed it, he is reduced to a trick. Sex, of course, is freely given, but keep track of companion costs and notice whether she does or not. Meals, movies, the price of personal lubricants—these ancillary outlays add up fast. A chick who kicks in her fair share of money is worth the weight of her gold. No man should be known as a John, unless that's his name.

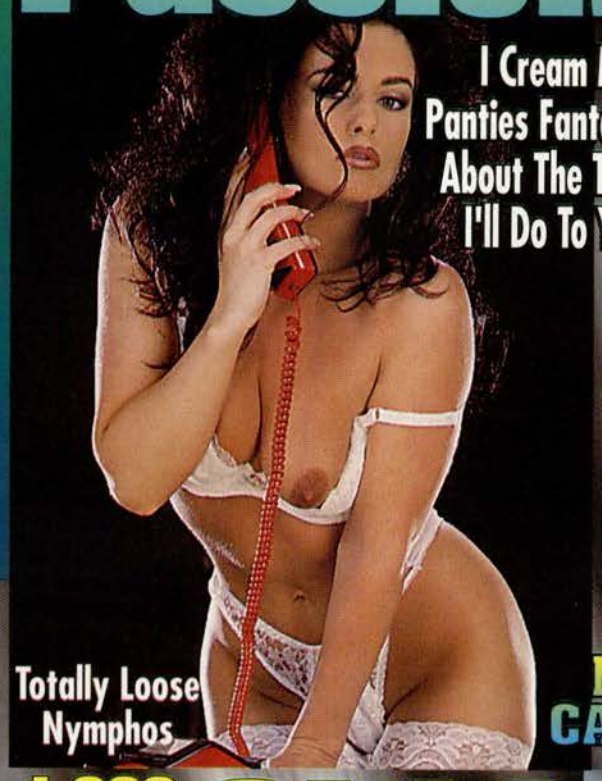

SHE IS FROM AN ACCEPTABLE GENE POOL: Not that anyone ever plans to stick around long enough to get married, settle down and have kids, but accidents do happen. Meeting (or better yet, checking out photographs, home videos or psychiatric evaluations of) the parents, siblings or other blood relatives of a seemingly standout specimen can be a shock, and a relief. A female may be passing fine currently, but if she comes from a line of mutants, her own degeneration is genetically programmed. Oh, well. Say goodbye nicely, retrieve all house keys, and dip back into the stream.

HOT LETTERS

COME SEA

Ever hear someone say, "I know a real nice nude beach, kinda place you'd never imagine was there"? They give what sound like really clear directions—they might even draw an incredibly detailed map—but if you do actually hit the right spot, you've got to walk a mile off the beaten track. Then you have to negotiate some terrifying cliff or a groaning, rickety, wooden stairway that threatens to collapse at the merest fart. All for a chance to take your clothes off in public.

I made it to 24 years old without ever having visited a nude beach. I could never find one. Meg—my best friend—and Sally—my second-best friend—and I spent dozens of nights lying awake in our dorm room imagining all sorts of sexy things, nude beaches included. I melted at the idea of attracting masculine attention by stripping naked on the seaside sand. Rock-hard studs Keanu Reeves and Patrick Swayze, stars of the surf flick *Point Break,* featured prominently in my fantasies.

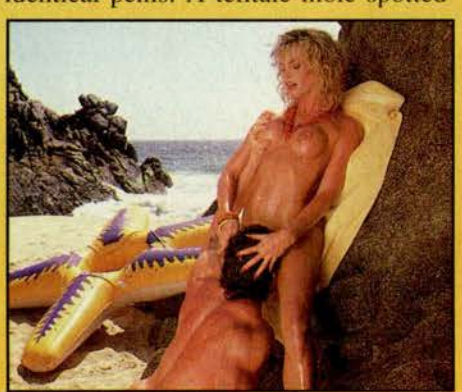

The nude beach that I finally found stretched about a mile and a half and curved along the coastline, forming plenty of secluded coves that allowed total privacy. I made my way, beach bag in hand, through the trees that concealed the strip of sand from the public eye. Lost in the special freedom that came from doffing my duds in the sun and surf—which was just as thrilling as I'd imagined it would be—I wandered along the water's edge, looking for a quiet spot and, of course, keeping an eye out for especially hot, buff guys. Not that I thought I'd find any, given the multitude of uglies.

To my dismay, though it had taken me most of my adult lifetime to find my very first nude beach, after spending ten minutes there, I felt like screaming at all the naked people to cover up. Two-hundred-pound lardos with torrents of flesh pouring down their fat figures, mottled, dimply buttocks with visible hemorrhoids, and tits flapping around their waists like spaniel ears; armies of guys with puny, clenched butts, like knots in string, and shriveled wieners—so much for all people being equal without clothes.

After about a mile of lobster-faced suburban housewives, old men with meaty pricks playing volleyball and nasty little kids who sneered, "Show us yer cunt," I'd had it. Feeling defeated, I put my suit and sundress back on. I was dejectedly making my way back to civilization, where hideous freaks are at least partly covered by clothing, when I detected an out-of-the-way area of sand that was empty except for one nude figure spread-eagled on a green beach blanket. I had a sneaking suspicion that, here at last, I had found a fuckable dude. A large cock with a distinctive, curved head snoozed like a fish on the guy's taut stomach, which was thickly oiled with lotion. A sense of déjà vu grew stronger the closer I got. All of a sudden, I figured it out.

I had seen that cock before.

I didn't recognize the dude's face, but every woman where I worked had received, through inter-office mail, an anonymous, photocopied image of this identical penis. A telltale mole spotted his mushroom cap. He was the new mailroom boy, about 19 years old.

Opening my beach bag, I pulled out my towel and unfurled it with a sharp crack. The boy looked sideways at me, pissed that someone would invade his space when there was so much vacant sand around. Certain I had his undivided attention, I pulled my sheer cotton summer dress over my head, watching through the thin material as his eyes glimmered at the sight of my smooth, tanned body. Next, I shook my red hair loose and reached down between my breasts to undo my swimsuit top. From the pressure of their load, the bra cups sprang apart, leaving my tight, full tits blinking happily in the sunshine. A sigh of surprise hissed from the mailboy's zinc-oxide-protected lips. His cock gave a leap. Slowly—for maximum suspense—I pulled the matching panties down the length of my golden legs and stepped daintily out of them, allowing him to ogle the pubic flame that licks up my stomach. I spread my legs and bent over, inviting him to participate in a blue-eye-to-browneye staring match with my winking asshole. When he'd scoped my three-piece birthday suit—tits, ass and pussy—I turned to face him. His cock cast a shadow like a meat sundial as it rose in an ever-steepening gradient, nodding upward in time with his pulse until, fully erect, it stood rigid.

No one else was in sight. Without delay, I squatted over his face, brushing my bush against his sun-reddened face while lowering my mouth around his cock. His heavy balls flexed in my grip, and I squeezed them hard before sucking each one like a plum, spitting out sand as I went.

After a moment's hesitation, the mailboy latched his firm hands around my thighs, pulling my crotch to his face. He licked the full length of my rapidly moistening pussy lips, his abrasive chin-stubble chafing my clit.

I keep myself clean, but I wished I hadn't wiped that morning, because the horndog moved his lips to my asshole next, tracing his tongue in tiny, slick circles around the rim before darting it in and out of my twitching bung. He gently slid a saliva-slickened finger assward, full-length, backed out to the knuckle, then slid his thumb into my dripping pussy and let thumb and finger meet, tugging on the membrane wall separating my cunt and my asshole.

Nearly choking on his cock, I wrig-

HUSTLER Picks Porn's All-Time Finest Fuckers

Dirty movies used to be just that: *movies*. Real films with real production values, shown in real theaters and, most importantly, featuring real stars. Porn performers of the past exuded carnal charisma and star quality, simultaneously lighting up big screens and the laps of raincoated patrons the world over. HUSTLER takes an admittedly subjective look back at the 13 most enthralling smut stars of all time, eminent professionals of eros who set a standard for fucking on film that has seldom been matched since.

GINGER LYNN: When home video boomed in the mid-'80s, Ginger Lynn was point girl for the first wave of sleek VHS vixens. Lynn looked every bit the hot, off-limits high-school cheerleader—a pose that made the sight of anal beads pooping from her perfectly pink asshole infinitely pop-worthy. Ginger Lynn also ushered in a new, welcome cinematic onslaught of anal sex: Good-looking girls jockeyed for a chance to loosen their butt cheeks after Ginger's double penetration in the Dark Brothers' *Between the Cheeks* made the open-ass policy a sexual necessity for any would-be superstar. Ginger's face-splitting grins while gobbling cock gave viewers a trickling, interactive feeling. This girl truly got off on getting fucked on film.

SEKA: She was no spring chicken; her hair was dyed the most cornea-searing shades of platinum, and her floppy milk-bags swung like benippled bell clappers not far from her navel. Nonetheless, in the fledgling days of home video, the name *Seka* was synonymous with hot sex and hefty sales. *Inside Seka* and the legendary *Swedish Erotica* series, in which she starred, served as onanistic touchstones for a generation that learned to touch itself in front of the family VCR. Seka's name on the marquee of an adult theater meant a packed house of avid meat-pullers. Her strongest appeal was her superhuman sexual confidence, an unmistakable air that was equal parts raunchy and regal. A true queen of the scum screen.

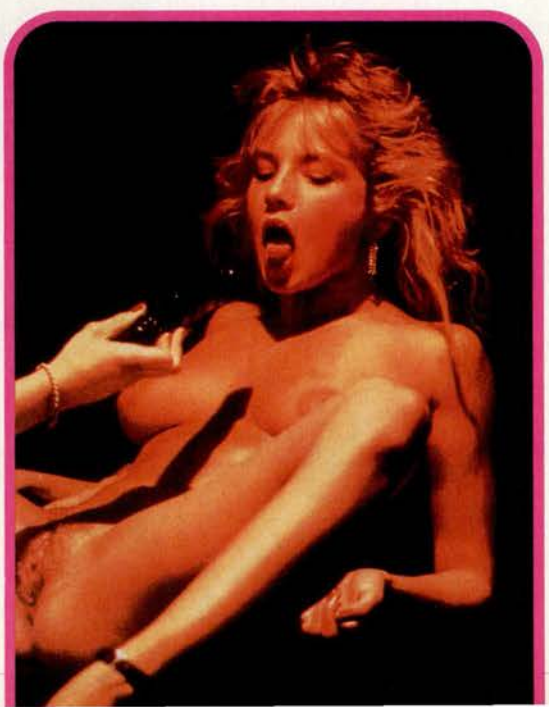

ANNETTE HAVEN: Flawless, alabaster skin, supple as smooth sin, enwrapped exquisitely proportioned buttocks and breasts. Framed by a bewitching, raven-hued mane, a startling face—finely chiseled cheeks, brow and chin; a mouth to melt in—flashed a haunting, clear-eyed gaze. Even with a dick in her throat, Annette Haven always held back some secret and erotic thing, saving it for a special someone, for that guy with his hand on his bone, flogging toward a private epiphany of ecstacy in the public porn theater.

NIKKI DIAL: If the Milk Advisory Board and the porn industry had ever banded together, Nikki Dial could have served as their spokesmams. With teeth whiter than pure cream and a chin cleft deep enough to hold a pint of jizz, Dial stood as one of the finest porn packages to emerge this decade. Her all-American beauty was surpassed only by a deep-dish apple pie of a pussy. Dial's natural D cups were evidence that God truly does exist, and her hyper-charged fucking proved that goddesses were not extinct.

AMBER LYNN: Amber Lynn had an air of devilish defiance to match her ice-princess beauty. Proud to be a slut, Amber Lynn, with her teeth-clenching sexuality, transcended most of her peers, and today stands as a monument to which all girls are to be compared. Equally passionate with lips wrapped around cock or clit, she was also blessed with a body as stout as a prized steed, with firm but meaty thighs and an ass as big and hard as the bumper of a Studebaker. Amber Lynn rightly remains one of the most famous women ever to swill semen on film.

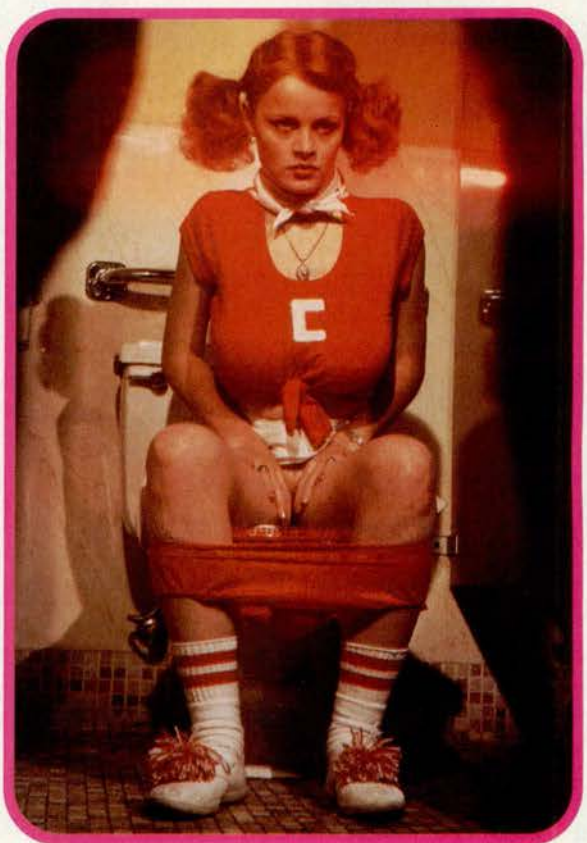

TRACI LORDS: This notorious nook is remembered for the way she fucked over the adult-entertainment industry—and that's a fucking shame. Chipper and cherubic, superstar Traci Lords dazzled the masturbatory masses in dozens of erotically inflamed '80s features. She was infinitely energetic and impossibly gorgeous, with gravity-bamboozling boobies, long legs, a pouty mouth that literally always cried out for more and profusely palmable seat-meat. Lords's perfect sex bundle was felled by a single flaw: too much youth. In all but one of her films (*Traci, I Love You*, pictured here), Lords was under the age of 18—not even *barely* legal. Meat-beaters the world over mourn the loss of Traci Lords to this day, and must make do with her appearances in R-rated, direct-to-video drivel. That's the *real* crime.

VANESSA DEL RIO: A fucking animal. A beast of boning. Untamable sexuality. The original gang-bang woman took on five to seven studs at a time; when the last dude had shot his final charge of cum, it looked as though Vanessa had done the wilding. Big bones, big tits, big mouth, big tongue, big clit, Vanessa licked larger than life. She was New York's finest cocksucker, applying the sloppiest spit-shine the blue screen has ever seen. Her feminine rapacity was more exaggerated than a drag queen's most farfetched excesses, yet she always seemed entirely true to life.

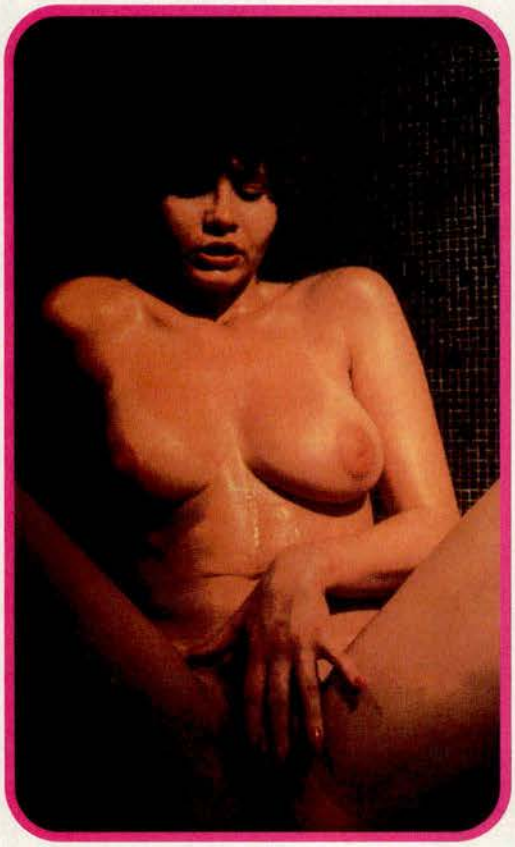

BARBARA DARE: A grown-up professional in an industry of immature amateurs, Barbara Dare always gave the paying customers their money's worth, and more. A testament to natural athleticism, her body was a sleek, coiled instrument of extra-effort lust. She never coasted through a half-assed fuck. Barbara Dare was a lady, somehow rising above a norm that is often awkward and embarrassing to a level of dignity and grace. Many a shame-filled mook has jerked off guilt-free to a Barbara Dare sex scene, proud of what she has done—and proud of what he has done too.

LISA DELEEUW: She was a liquid pearl: white and pink all over, lit up by a flaming red mane, dunked in lust and dripping with gooey desire. Large-breasted, knob-nippled, cartoonishly curvaceous Lisa DeLeeuw looked like an exquisite pastry of pure, sweet sex in her early-'80s heyday: lip-smacking good, and eager to be gobbled. A strong, suckable, star-baby standout from porn's "Golden Age."

DESIREE COUSTEAU: With her bubble-up buns, billowing pillow-boobs and personality-plus, Desiree Cousteau was a bimbo back when that word still meant fun, spunk, ebullience and charm. Daffy-fuck Desiree oozed vulnerability and warmth, and she was always a good sport about being taken advantage of sexually. In Alex DeRenzy's original *Pretty Peaches,* an enema-injected stream of H_2O spewed from Cousteau's puckered *culo* for everyone to see. Viewers often wanted to rescue Desiree and protect her from all things vile and sleazy—except themselves.

SHAUNA GRANT: Shauna Grant and her beautiful B cups were joys for every cock to behold. The shyness young Shauna occasionally displayed while sucking dick made her on-screen debaucheries seem nearly illegal. Her fair skin, especially the bit stretching around her bubbly butt like plastic wrap clinging to a holiday roast, held the redness of a playful slap for many appetizing minutes after a healthy spanking. Sadly, Grant's carnal career was cut short by a self-inflicted gunshot wound, snuffing the promise of her blossoming body and a raw sensuality into which she had only just begun to grow.

CHRISTY CANYON: How many ways are there to say big boobs? Whatever the number, Christy Canyon was a multiple of them all. The mountain-mammaried brunette, whose declarations of retirement from porn and subsequent resurfacings rival in number the inches of her bra size, fucked with an abandon becoming her built-for-sex body. Flowing locks, bucking hips, puffy-target lips (above and below) and, oh yes, those big boobs—Christy was as grand as a Canyon can be, and loads more fun to spelunk in.

JAMIE GILLIS: The cocksman's cocksman, Jamie Gillis brought an orgy's worth of energy to every schtupping. No matter what the position, Gillis was always on top. He combined personal dynamism, a refined sense of professionalism and a slight hint of hostility, making him the stand-in stud most worthy of the stroke world's highest honors.

(continued from page 29)

With my tortured cock pinched in the iron grip of outraged sphincters, I pushed and pulled until the butt-ring relented. The earthy odor of pud-pummeled colon pierced my nostrils.

gled out of his six-pack grip. I slipped my lower lips apart and steadily slid his enormous glans into my molten pussy. His phallus cap felt like an eight ball. Getting the rest in was like sitting on a fire hydrant. After what seemed like an eternity, I wrapped around the rod like a human condom, dragging myself up and down its beefy massiveness. Soon enough, I heard myself moaning like a car-accident victim, drifting in and out of consciousness, lost in erotic sensation.

Ready to come, Bouncing Boy pulled out, grabbed me under the arms, and lay backward, bringing me with him, so that my face was level with his pulsating prick. His balls, low-hung in the heat of the day, waxed and waned as they prepared to shoot. I wrapped my lips around his knob. Bursts of cum shot against the back of my throat. I snaked up his torso to his gasping face and kissed him, spitting his gloppy semen into his mouth. Clamping my finger and thumb over his nose, I forced him to swallow.

When he finally recovered his breath, he looked at me and said, "That was a dirty trick."

"That's nothing," I replied. "Don't bother coming to work tomorrow morning. You're fired." —A. D.

ANIMAL LUST

I'm a single man with an unusual pet—a talking Brazilian parrot. Hand-fed since he was a chick, Alvin is as devoted to me as a child to a parent. Unfortunately, I've brought him up badly. Every time me and my buddies get together, we teach him every filthy, sex-related comment we can think of. Thanks to this unruly education, "Eat my smelly butthole, shit-cunt," is more along Alvin's verbal line than "Polly wanna cracker."

Every once in a while, I take Alvin out of the house, and all hell breaks loose. On our way to the veterinarian last week, Alvin accosted passersby at every red light. A middle-aged housewife in a new Lincoln Towncar pulled up alongside us the third time we stopped. Poking his head out the window while digging his inch-long claws into my shoulder, Alvin screeched, "Squat on me, fuck-bitch!"

"What did you say?" asked the Donna Reed twin, eyes popping out of her skull.

"Felch me, baby!" screamed my bird.

Incensed, the woman promptly flung a load of freezing, sticky liquid into my face—a 7-Eleven Big Gulp, ice cubes and all.

"Thanks a lot, Al," I muttered.

For the remainder of the trip, I drove with the windows closed. Alvin didn't behave himself any better when we arrived at the vet's office. The waiting room was jammed.

"Cunt-face! Ass-wipe! Pussy-fart!" Alvin cawed raucously, perched on my shoulder. Offended, several people stepped outside.

When an angry-looking lady vet advanced through the throng, it occurred to me that she was going to throw Alvin and me out on our asses. She resembled that Sydney bitch on *Melrose Place*—dangerous, and plotting something wicked. But when she stopped to speak, she smiled.

"What a gorgeous specimen," said the lady vet admiringly. Her sweet voice was without a trace of hostility. "So healthy. Let's keep him that way. What do you say?"

Grinning, she led Al and me into a small, windowless examination room. As I followed, I noticed that her veterinary apparel, a white-skirted tunic, appeared to be a size too small. The cotton fabric of her slight skirt strained to cover her high-riding ass. Below the starched pleats, the pale slivers of her ass cheeks jiggled against her deeply tanned upper thighs.

"Do my balls, baby!" screeched Alvin. I felt a flush of embarrassment, but the lady vet appeared unfazed.

"He's very intelligent," she remarked. She studied my embarrassed blush.

"You look hot," she told me. "It *is* hot in here. Do you mind if I unbutton my blouse a little?"

I shook my head. Reaching to the neck of her frock, she undid the top button, and then the one below that. The flaps of her blouse fell open, revealing lightly freckled flesh where the deep cleavage of her considerable bust began.

"Lick your cunt!" snapped Alvin. "Bang your box!"

The lady vet turned to me with a definite hint of nastiness. She pointedly locked the examining-room door.

"You taught him everything he knows, I take it," she said with assurance, undoing yet another button on her blouse. She wasn't wearing a bra.

"Well...," I stammered.

"Suck dick, bitch!" shouted Alvin.

"Did you teach your bird to say everything you wished you could say?" asked

PRESIDENTIAL HARD-ON: RICHARD NIXON'S CELEBRITY SEX FANTASY

FEATURING JANE FONDA AND, IN HER LAST ROLE, JACQUELINE KENNEDY ONASSIS

HUSTLER Magazine proudly presents the final creative endeavor of the 37th President of the United States, Richard Milhous Nixon. HUSTLER sends condolences to the Nixon family and to paranoid, sneak-freak gin-hounds everywhere, who have lost one of their finest.

Additionally, HUSTLER was honored when former First Lady Jacqueline Kennedy Onassis agreed to make her second nude appearance in America's Magazine. "I was somewhat annoyed when you ran the photos of me sunbathing in 1975," she admitted, "but your crazy mag has given me so many laughs through the years, I just couldn't say no when Dick called me with this idea." Sadly, Mrs. Kennedy Onassis missed a crucial chemotherapy session in order to participate in the shoot and, well, her rest is history.

This HUSTLER Celebrity Sex Fantasy is dedicated to the memory of these two American icons.

LETTERS

(continued from page 35)

the lady vet, diagnosing with a purposeful glance the ontology of the bulge in my shorts.

"You know," she continued, looking me straight in the eye, "everything that happens inside this room is strictly confidential. I never betray the intimate details of a doctor/client relationship."

I didn't understand what the hell she meant. But to my amazement, the next thing she did was yank open my fly.

"What the fuck!" I gasped.

"Take it out," she ordered. "Don't you have a dirty mind to match your parrot's dirty mouth?"

I didn't know which one was crazier, this vet or my pet. On my shoulder, Alvin continued his spiel: "Cram it in! Cram it in!"

"Are words all it takes to get you hot?" demanded the lady vet. "I prefer more than that."

She pulled up her skirt, toying with the contents of her panties. One finger disappeared into the hidden recess of her silky delta, then two and three.

"Cunt stuffer!" squawked Alvin.

Glancing at the door to make sure it was locked, I whipped my shorts to my ankles, baring my stiffened meat to the antiseptic air.

The lady vet lowered her lips toward my extended prong, skewering her head on it. Her slick mouth soothed the crackling nerve-endings on my bulging rod like butter on a burn. With a swift, sure lunge, she deep-throated my staff, gently teething the root.

Pushing my joint past her tonsils, I reached to place my hands on her head—to more firmly fuck her face—but her hair was arranged in a braided bun at the back, and I didn't want to muss it. Instead, I used my free hands to help her slip off her dress.

My dick never left the lady vet's mouth as she stripped, all the while self-frigging her box. Naked, she stood to reveal her tits, rose-colored nipples aiming skyward, and her generously hairy pubic thicket.

"Don't stop," I told her, disappointed that my spit-wet cock poked empty air.

The lady vet pushed me backward, toward the stainless-steel operating table.

"Do me doggy-style," she commanded, climbing atop the table on all fours.

"Fuck me!" howled Alvin.

Parting the animal doctor's lower lips, I sank my cock inside her. Tongue wagging, she reached behind to pop three pussy-damp fingers in my mouth. I licked the salt-wiped digits and pumped her twat hard and deep. Her exposed asshole flickered up at me.

"Fuck me like a dog!" cried the bent-over physician. I slipped my cunt-oiled cock out of her pussy and, with a well-aimed thrust, popped it into her shitter.

The lady vet's surprised scream was drowned out by my demented parrot, who was shrieking obscenities at the top of his lungs. With my tortured cock pinched in the iron grip of outraged sphincters, I pushed and pulled until the clamped spasm of butt-ring relented, and I could ride easy.

The earthy odor of pud-pummeled colon pierced my nostrils. I pulled out and shot a thick spool of silvery cum across the vet's back. Turning to face me, she caught the last squirts of my muddy prick's prodigious eruption.

Flapping to rest on my shoulder, Alvin crowed, "Gargle it, baby!"

Red-faced, sitting in a cooling puddle of cunt wash, the lady vet rubbed her battered butt. She couldn't gargle my spunk. She'd already swallowed it.

Exotic entertainment

EDITED BY MIKE McPADDEN

PUSSYMAN 5: CAPTIVE AUDIENCE

Fully Erect. *Directed by David Christopher; starring Leena, Krysti Lynn, Misty Rain, Lynn LeMay, Rebecca Bardoux, Lacey Rose, Nikki Sinn, Kaitlyn Ashley, Isis Nile, Summer Knight, Alicia Rio, Steve Drake, Nick East, Joey Silvera, Tony Martino, Gerry Pike, Alex Sanders and Jake Williams. Videocassette: Snatch.*

Leena launches herself toward fuck-movie superstardom by way of *Pussyman 5*, the latest in the slick-and-sexy series directed by David Christopher. Leena plays hostess to a pair of stressed-out smut mavens who retire to her mountaintop mansion hoping for a weekend of pussy-free relaxation. They fail miserably in this endeavor, since pussy practically lines the walls at Leena's place, be it her own (which she works with a flashlight for the duration of the limo-ride leading to her snatch-permeated digs), or that of the pierced and clamped trio of lovely, lesboid exotic dancers who greet the guests in fabulous ginch-pinching fashion. An unexpected couch orgy sees Leena and Lacey Rose poked every way possible by Gerry Pike, Tony Martino and Alex Sanders; Leena wets herself down, then bathes with and boffs Steve Drake in a luxurious bedroom setting; uncommonly beautiful and vibrant starlets Krysti Lynn and Kaitlyn Ashley tussle with each other before taking on Joey Silvera's veteran joy-log; and Nikki Sinn snacks on and packs the poles of Nick East and Jake Williams into each of her holes during the tape's triumphant, cum-flinging finale. Of all the outstanding elements in *Pussyman 5* (hot sex, a great cast, top-flight production values), Leena stands out most sensationally. Her dynamic presence ignites every one of *Pussyman 5*'s scenes (including the ones she's not even in), and could well revitalize a facet sadly lacking in porn's current era: star quality. —*Selwyn Harris*

THE REEL SEX WORLD VOLUME 1

Half Erect. *Directed by Jonathan Morgan, Leena and Stephan St. Croix; starring Leena, Isis Nile, Wednesday, Jonathan Morgan and Stephan St. Croix. Videocassette: Wicked Pictures.*

A hard-core hybrid of *Three's Company* and MTV's *The Real World, The Reel Sex World Volume 1* is purportedly a day in the lives of three porn stars who live together. Daybreak finds unnaturally orbicular Leena sleeping on the couch of a sprawling pre-fab suburban dwelling. Before she even has her morning Pop Tarts, coffee and BM, Leena is awakened by the equally too-round tits of raven-maned Isis Nile. Nile and Leena nosh and gnash on gash and a double dong, then trot upstairs to play reveille on the skin flutes of Jonathan Morgan and Stephan St. Croix. One guy comes; the other doesn't. Then it's to the showers, time for makeup and wake-up chatter, and off to work in a long stretch limousine.The carnal careerists check in at the office, St. Croix sneaking upstairs to bone the redhead receptionist, then it's back to the limo to cruise for chicks and have lunch on the Venice Beach boardwalk. For dessert, the gonad-positive group shares a murky cluster-fuck in the back of the car. Three chicks plug all holes atop a pool table, and Morgan hits high and hard up into a plaid-skirted slit. More fantasy sex could have helped *Reel Sex World.* —*Christian Shapiro*

White Shadow: *The pink parts are best.*

WHITE SHADOW

Half Erect. *Directed by Ronn Shadow; starring Dyanna Lauren, Crystal Wilder, Brittany O'Connell, Krista, Calista J., Alex Sanders, Cal Jammer, Jonathan Morgan and Brad Armstrong. Videocassette: VCA.*

White Shadow is ostensibly a "couple's tape," meaning it's earmarked by soft lighting (*Shadows* indeed), relatively romantic scenarios and veritable vats of massage oil. Much of the flesh that gets pressed in *White Shadow* is slippery palms against aching backs, but when the focus shifts to more captivating body parts, the video musters more heat than is the norm for its genre. In gauzy succession, Jonathan Morgan makes a milky mess on Krista's cute chest-scoops; Crystal Wilder wets for Alex Sanders and some poolside probing; and Dyanna Lauren makes a colorful drop cloth for amply hung housepainter Brad Armstrong. Lauren's shower-stall lesbo session with Brittany O'Connell, the video's only other sex scene, is *White Shadow*'s least watery affair and might have raised its erection rating, except that the girls retire to a blue-lit bedroom and hence render their lark too dark. *White Shadow* will get the white stuff flowing, but at a slow boil. —*S. H.*

DICK AND JANE GO TO HOLLYWOOD PART 1

Half Erect. *Directed by Avica Entertainment; starring Sunset Thomas, Nikki Sinn, Alicia Rio, F. M. Bradley, Zack Thomas, K. C. Williams and Corby Wells. Videocassette: Avica Entertainment.*

Hollywood, California, means many things to many people, but mostly Tinseltown means sex and tourists. *Dick and Jane Go to Hollywood Part 1* is presented as the vacation videos of horny Dick and Jane, who cruise various Hollywood landmarks picking up seasoned porn performers, who then go off in the *Dick and Jane* limousine to film a passably erotic approximation of an amateur sex tape. F. M. Bradley's long, black crowbar tools every hole of hyper-tongued Nikki Sinn, lubing her face with gonad grease; fetching squint Sunset Thomas and a full-boobed brunette put Zack Thomas through a cunt, mouth and sphincter wringer; and Alicia Rio shares her dilating asshole with a dark-haired doxie and her mammoth strap-on. The box cover promises all-anal action, and buttholes do make perfunctory appearances, but *Hollywood* is basically a weekend getaway's worth of straight sex. —*C. S.*

Dickin' a Jane in **Dick and Jane.**

THE NAKED GODDESS 2

Half Erect. *Directed by Gerard Damiano; starring Moana Pozzi, Jonathan Morgan, Buck Adams, Flame, K. C. Williams, Holly Ryder, Stacy Nichols, Barbara Woods and Gloria Leonard. Videocassette: VCA.*

Perhaps as a carryover from his participation in the original *Naked Goddess* fuckflick, Jonathan Morgan's character in *The Naked Goddess 2* can't get a hard-on anymore and is afraid he might be a faggot. Like its predecessor, *Goddess 2* suffers from a disjointed time line, but it doesn't suffer as much. Morgan's dream sequences make more sense here than did the nightmarishness of the original, and Moana Pozzi's asshole is put into profitable and vigorous play. Close-ups of plump penises plunging into pucker-ringed poopholes are plentiful, prolonged and right up in there. Cum-shots are slopped on faces and creamed in ass creases. Kooky, spooky night visions are too silly for wad, and the ridiculously serious and seriously ridiculous dialogue is alternatingly funny-dumb and boring-dumb. In the end, Morgan does opt for heterosexuality, peeling a false beard off Pozzi's face and planting his dick in her fuzzy butt. Still, lack of a hard-on while viewing much of *Naked Goddess 2* is not an indication of homosexuality. —*C. S.*

Buck Adams pops one into Pozzi: ***Naked Goddess 2.***

QUITE A THRILL

Waiters cast many nervous glances around the Long Beach Airport Holiday Inn on May 21, and with good reason. The occasion was Versatile Fashion's annual Dressed-to-Thrill Ball, a bondage-themed boogie night that attracts dominants, submissives, drag queens, leather freaks, the multiply pierced and, this year, one lost-looking soul who wandered about in full baby regalia. The current season's stylings tend toward the old standby of spidery black cowhide and rubber, though blood-red variations on the form seem to be staging a comeback. Among the glitterati were former porn princess Veronica Vera, Mistress Antoinette, HUSTLER EROTIC VIDEO GUIDE's Goddess Sondra and XXX's current vinyl vixen, Lili Xene. All milled about with woefully out-of-place members of the tabloid press and the tightly bound masses. What could be more thrilling? —Mike Albuquerque

BOOTY IN THE HOUSE

Half Erect. *Directed by Jim Enright; starring Champagne, Janet Jacme, Veronica Castel, Kira, Ariana, T. T. Boy, Marc Wallice, Jonathan Morgan, Paul McCoy and Pepe LePeew. Videocassette: Wicked Pictures.*

A guy. A trench coat. Bottle in his desk. Clipped dialogue. Dead man falls into his office. Another public penis playing a private dick, but with a licorice twist: All the molls are black chicks. The guys are mostly white. Caucasian dudes screwing spade broads is to interracial sex what girls eating girls is to homosexual sex. She looks like Michael Jackson would if his surgery had been successful. T. T. Boy's pale wand probes her pillow-lipped mouth. She's on the edge of his desk, facing him, his rod reaming her shitter. He slops on her dusky face. Marc Wallice's scimitar slices into a nappy bush. Hanger tits swing low. Condom-coated choad crams her sphincters. White wad on brown buns. Jonathan Morgan's face in a big, Brazilianesque butt. He chomps her nips. Tweaks her clit. Cranks her crap ring. Her hand deep in her snatch. A charge of wad on her smiling, jade-moon mug. A black guy's eel in a musky poop nook. Salvo of milky thickness into greasy bum crease. Wanton Negress riding Boy's bone from desktop to sofa. Piercing her ass as she's on her back. Mess on gash. *Booty in the House.* Come in. Stay a while. Then go home. —*C. S.*

Liver-lipped love-lock: ***Booty in the House.***

Little-titty Laurie Cameron soars high in ***X-Butterfly.***

X-BUTTERFLY

Half Erect. *Directed by Wes Brown; starring Isis Nile, Laurie Cameron, Sahara Sands, Stacy Nichols, Tricia Yen, Jonathan Morgan, Jake Williams and Alex Sanders. Videocassette: Odyssey Group.*

Wad waif Laurie Cameron is the cocooned cooze of *X-Butterfly*. Thin, short-haired, with a hypersensitive face and warm doe-eyes, Cameron brings a seldom-seen illusion of vulnerability to the blue screen, a quality of impending defilement that is both refreshing and ideally suited to her *Butterfly* role as an agoraphobic but horny nymphet who's afraid to venture out of her own home, except in her sexual fantasies. Cameron's direct-to-camera monologues about her imprisoning condition are almost believable and sympathetic, and her eroticized imaginings—which are enacted by a crew of hot-box squacks and hard-rod studs—also elicit empathic responses. Tricia Yen arches her Eurasian pussy into a tattooed hair-farmer's face, clamps his dick within her prognathous jaw and accepts his wad upon her twinkle of a butthole. Jonathan Morgan makes a gross semen mess of a clapping ass crack. Cameron plays cute and coy as a blonde licks her fur-rimmed toy—not much tits on either slit, but very nice nipples. Isis Nile blinks as Alex Sanders licks her from the rear, and Cameron's fear of fucking is cured by an anal injection from Morgan's beef syringe. *X-Butterfly* spreads its wings and halfway flies. —*C. S.*

Buttslammers 6: *Let the girls do girls—SLAM!*

BUTTSLAMMERS 6

Three-Quarters Erect. *Directed by Bruce Seven; starring Veronica Hall, Evon, Kaitlyn Ashley, Suzie Matthews, Debi Diamond, Sydney Dance, Krysti Lynn, Rebecca Wilde, Tammi Ann, Ariana and Bionca. Videocassette: Bruce Seven Productions.*

Raw butts and rubber goods, tangled tongues and titty-tweaking, 11 nymphomaniacal sluts and any number of lucky sex toys—Bruce Seven's ass-obsessed all-girl *Buttslammers* line is among the most reliable video series in all whackdom. Even when a less-than-stellar porn slot slips in with her pussy-bumping betters, Seven is remarkably adept at coaxing a pound-worthy performance from her. Case in point: *Buttslammers 6*'s Rebecca Wilde looks like a rubber snake with a pair of aborted Frankenstein projects haphazardly stitched on its underbelly, and she usually fucks that way too. Wilde mixes here with mountain-mammaried Sydney Dance, angular, winky-anused Krysti Lynn and the infinitely energetic Evon to ball-bursting effect, coming off as vaginally charged and vivacious—proof that Bruce Seven is some sort of miracle worker. *Buttslammers 6*—which puts its near-dozen starlets through every trick in the *Encyclopedia Lesbiannica*—is sure to make magic in the loins of sofa-strokers who believe. —*S. H.*

Doggiestyle: *Debi Diamond barks; Bridgett Ami brunches on butt.*

DOGGIESTYLE

Three-Quarters Erect. *Directed by Jim Enright; starring Bridgett Ami, Debi Diamond, Beatrice Valle, Stephan St. Croix, Jasper, T. T. Boy and Jonathan Morgan. Videocassette: Caballerro.*

Doggiestyle is a short movie with a small number of sex scenes and a little dog as its narrating hero, yet it delivers big in stroke and entertainment value. Max is the pet dachshund of the Butts family, a rambunctious canine with no appreciation for his owners' frenzied fuck tendencies, though his voice-overs suggest he has quite the affinity for cranky comic Gilbert Gottfried. Max amusingly goes about his business in *Doggiestyle* while the Buttses heatedly go about theirs: Mom and Dad Butts (Bridgett Ami and Stephan St. Croix) enjoy a passionately played-out morning bone-burial; nookie-prone neighbor Debi Diamond visits Mom for some breakfast-hour vagina-chowing; deadbeat son Jonathan Morgan works up a tasty fuck for Gallic ginch Beatrice Valle; adorable daughter Jasper bends for her stud-collared paramour (T. T. Boy) over her parents' toilet. Later in the day, old Daddy Butts pops over to Diamond's domain to poke his tool where his wife's tongue had been earlier. With sex scenes extensive and professionally crafted, *Doggiestyle* is a trustworthy porn product that, like a fine lapdog, will keep its masters warm in just the right places. —*S. H.*

REAL SEXY Real Small Real Stars

In an industry rife with amazons, a quartet of delicate delectables serve as oases for the sofa-stroker who prefers his poon petite. Lolita-like Tammi Ann, limber Krysti Lynn, smoldering Laurie Cameron and bewitching Wednesday (clockwise from left) are compact cuties making giant waves in adult entertainment. Their sexual dynamism is as real as their relatively tiny titties and, like their silicone-free, eminently suckable love-lumps, the erotic enthusiasm of these wee wonders is a jerk-jockey's joy to behold. Stand tall, ladies: You're stars!

These four mini-muffs can be caught in *Sodomania 7* (Elegant Angel), *She-Quest* (Odyssey Group) and *Buttman's Inferno* (Evil Angel).

THE HUSTLERS

Half Erect. *Directed by Buck Adams; starring Savannah, Buck Adams, Brittany O'Connell, Nikki Shane, Rebecca Wilde, Diva, Victoria Gold, Tony Martino, Ron Jeremy and Dan Steele. Videocassette: Midnight Films. Shot on Film.*

The box cover reads *Hustlers*, the videocassette is labeled *The Hustler*, and the film itself opens under the title *The Hustlers*. Whatever they call it, this Buck Adams-directed semen-and-billiards drama is basically a XXX version of the classic Paul Newman pool-shark picture of almost the same name. The film quality is good, the story is as plausible as it needs to be, the squack—three of them, at least—are rod-rousing holes, and the acting, though wooden and one-dimensional, remains in character from the movie's beginning to end. The only real problem in the film of three names is that the sex scenes are too short. Adams's bang of Savannah is over just about the time the viewer is ready to get into it. A two-twat, one-dick bathroom-stall ball ends with a spill of cock swill on Brittany O'Connell's pixie-perfect face, but the guy at home is still fumbling with the top of his Vaseline jar. Tony Martino pries open a model-blond slattern, only to pop off almost upon penetration. The most satisfying fuck is O'Connell on Ron Jeremy's skewer—as much a curse as it is a blessing. These *Hustlers* should have slowed down and screwed more. —*C. S.*

Desire: *Don't even think about it.*

ANDREW BLAKE'S DESIRE

One-Quarter Erect. *Directed by Andrew Blake; starring Amber Lynn, Savannah, Zorena, Jeanna Fine, Viviana, Capri Danell, Nina Alexander, Randy West, Jennifer Kingsley, Brad Gerig, Peter North, Marc Wallice, Tara Heart, Blake West, Jon Dough, Ashley Lauren, Marc Francis and K. C. Williams. Videocassette: VCA.*

Though bordering on fraudulent in its boast of being the comeback vehicle for former fuck-flick phenom Amber Lynn, *Desire* does bear a tellingly accurate title. Strokers subjected to this latest assault of the anti-erotic from limpmeister director Andrew Blake will quickly be overcome by some very powerful desires: desire to hurl their VCRs out a window, desire to kick themselves for falling prey to the fancy artwork on the cassette box, but most of all a desire to strangle the idiot auteur who would assemble a jaw-dropping cornucopia of porn's most dazzling cooze, then mar their sex acts with muted sound, seizure-inducing edits and senseless, over-stylized color and split-screen effects (message to Mr. Blake: Showing "pink" does not mean the entire screen should be tinted magenta for the duration of a cunnilingus scene). The undeniable eye candy provided by the stunning-but-squandered squack talent earns *Desire* what little erection rating it's worth. For the record, Amber Lynn is on hand for two numbers, in which she watches fucking couples and does her own hand. Lynn is lucky: *Andrew Blake's* infuriating art-fart foulness isn't there to impede her view. No one else who witnesses *Desire* will be able to make that claim. —*S. H.*

PENILE LOVE BEADS

ANCIENT JAPANESE SECRET NO MORE

by Mike McPadden

Cliff Cadaver holds someone's defenseless cock in one hand and a long, sharp, sterile needle in the other. He joins the two, poking straight through the sensitive flesh of *glans penis* in order to leave a hole large enough to accommodate several garbanzo beans. Cadaver's assistant hands him a series of surgical-grade stainless-steel beads. Stretching the cock skin open about a quarter inch, Cliff uses a razorlike, tapered device to implant the nuggets in quick, meticulously precise succession. With a second tool, Cadaver positions the beads, stitches the incision shut and smiles. He loves his work.

Despite any sinister appearances, Cliff Cadaver's intentions are good. He is a highly regarded California-based body piercer and tattoo artist demonstrating a penis-modification process that he has perfected. Both the ritual and the inserted steel spheres are called *Love Beads*. The phallus Cadaver fiddles with belongs to someone who has paid for the privilege—$100 per implant, to be exact. The implantee is seeking the "no-maintenance, immensely heightened sexual responsivity" (as one of Mr. Cadaver's clients defines it) that results from having little balls permanently placed just beneath the skin of a willing dick.

The Love Bead-bolstered penis looks much like any other, except for the significant bumps. Flesh rises in hard, round, highly visible mounds along the shaft wherever the metal balls are imbedded. Upon close inspection, the cosmetic aspect of the implants becomes apparent: The sub-surface beads resemble warts-in-progress, though the little hills appear healthy. The wearer's decree that he's got a cock full of mini pleasure-domes may be subjective, but his dick *is* full of lumps.

Like many Americans, Cliff Cadaver was first alerted to this Japanese-born penile-alteration process by *Modern Primitives*, an influential tome published by Re/Search Press in 1989. *Modern Primitives* offers a collective overview of body-modification culture. Among its features is an interview with Heather McDonald, a photographer and fashion designer who lived for several years as a denizen of the *yakuza*—the Japanese mafia.

McDonald states that yakuza members "often have beautiful tattoos all over their bodies. Supposedly that originated as a means of guarding against would-be infiltrators and informers. And in prison they do these penile implants—take a pearl and insert it under the skin of the penis for every year they've been in jail."

In the spring of 1993, when physical alterations and flesh adornments (such as nipple, nose, ear and genital piercing, decorative scarification and cosmetic branding) had become nearly as familiar to suburban mall-dwellers as to the outlaw types who pushed them into vogue, Cliff Cadaver sought to add "something different" to the services provided by his parlor in Studio City.

"I ran into a guy who designs latex clothing at a bondage-themed party last year," the tattooed entrepreneur recalls. "Sort of in passing, he told me about having pearls implanted while he was incarcerated. I got to wondering, *What would be necessary for me to perform this in my shop?* I wasn't about to use a chopstick and some urine to clean the area, as is the Japanese tradition; so I adapted."

Cadaver's first move was to design a device to function specifically for the insertion of Love Beads. The right tool turned out to be a long-stemmed variation on the sort of instrument used to enlarge traditional piercings. Cadaver pitched the idea to one of his most enthusiastic customers. The customer was intrigued enough by the prospect of flaunting a gnarled, bumpy cock that he agreed to undergo what amounts to a surgical procedure to attain the lumpy love log. Cliff declares that the operation "couldn't have gone any smoother."

To prepare for the piercing and insertion process, Cadaver makes sure his instruments meet hospital-level standards of sterility. "Personal hygiene is important too," he adds. "I'm a strict vegetarian, I maintain good health and, like many surgeons do, I gave up coffee when I started. Common sense is the key."

Photos by Cliff Cadaver

Cadaver cleans the prospective prodding area with Betadine solution, pre-marks the points of insertion with a pen, then numbs it all down with Xylocaine ointment. "Most people are into the after-effect, not the piercing sensation," he notes. "I allow a half hour for the entire procedure. Regular piercings take one second, but Love Beads entails having a needle in the surrounding tissue for two minutes, a three-second incision and ten

seconds to insert the balls. I close everything up afterward with paper stitches and a butterfly bandage."

The subject is then instructed to care for his meat additives by avoiding getting water on his wounded penis for three days and staving off ejaculation for a solid month. "Beads are easier to take care of than a regular dick-piercing," Cadaver clarifies, "but that hole has got to close. The only real risk involved with Love Beads is if the recipient doesn't follow my after-care instructions. The balls are held in by tension between the tissues. There's a slight chance, if the implant subject puts too much immediate strain on the area, that the balls can pop off track. I'd have to reopen the incision in that case and realign everything. The tissue in that area grows very quickly, however, and once it encapsulates the beads, they're in there to stay."

Cadaver's clients insist that after the scarred wound has healed, the odd-looking loin-lumps launch them into new realms of sexual elevation.

Skyler is one convert. A 26-year-old carpenter who grew up as an Army brat in Japan, Skyler was familiar with the penis-pearls tradition when he met Cliff Cadaver. "My roommate is a tattoo artist, and I already have a Prince Albert [a metal ring driven through the head of the penis]," he explains; "so I'm more inclined to experiment in those areas than most people."

The alteration was not painful, Skyler insists. "The worst part was the anticipation. Any discomfort is negligible compared with the sexual payoff." Skyler had five beads inserted in a row along the top of his penis. "I've had sex with two women since," he states, "and they've both loved it. Discovering the beads was a really nice surprise for them visually; feeling the beads was even better."

James, an aerospace expert in his mid-30s, sports three beads in his jimmy: two on top and one underneath. "I'm not into tattoos or other modifications," he admits. "I don't even like jewelry; but I picked up the *Modern Primitives* book a year and a half ago, and I was intrigued. The main appeal of the Love Beads to me was that they require no care whatsoever once they're in there." If James is happy with the bumps on his pump, his girlfriend is fucking ecstatic. "She and I agree that sex has never felt better," he reveals. "The beads on top enhance female pleasure; the ones on the bottom rest in the most sensitive part of the penis. The sensations are unbelievable." James is strongly considering one or two further additions to his shaft's underside. When asked if that means he's getting selfish, James laughs and adds, "Maybe—but it's worth it."

Tara backs up the claims made by both modified men. A heavily altered 21-year-old, she remembers enjoying absolutely phenomenal coitus two years ago with an enhanced-hose wielder. "I met him at the annual tattoo show in Coney Island, New York," she relates. "He fit the stereotype perfectly: Japanese, former jailbird, the whole thing. He was also great in bed, which I guess is part of the myth too." Tara recalls her initial fascination with the wiener-welts: "They sort of looked like warts—big warts—but I really wanted to touch them. He had a lot of them, mostly on top, and he said they were real pearls. They felt great when I sucked his dick—gave me something to wrap my tongue around."

The heat of vaginal intercourse was heightened for Tara as well. "I really like ribbed condoms," she declares. "The beads give women that same kind of enjoyable friction, but it's more pronounced; so the feeling is more intense—especially when the guy enters from behind. The bumps stimulate the clit and feel really great rubbing along the top of the pussy. That one guy was the only experience I've had with pearl implants. I've been hoping they'd catch on in America ever since."

Cliff Cadaver thinks Tara may well be in luck, though he usually eschews sewing pearls into the human body due to expense and potential biodegradation. "When nose-piercing started in the '60s, it made for a genuinely shocking sight. Now, of course, anyone in the vicinity of teenagers knows how common it's become. Currently, I pierce a hundred navels a week, and I find myself doing more and more tongues. Implants [for the cock] seem to be the next logical step in the progression."

They may also signal a new beginning. Cadaver foresees a future in which physical alteration grows not only more popular but much more complex. Though he has yet to receive the Love Beads treatment himself—"I don't know of anybody besides me who's qualified to perform it and, like a haircut, it's not the sort of thing you should try with yourself as the subject"—Cadaver boasts myriad tattoos and 13 piercings of the largest gauge the human body can stand. He views such physical transformations as a profound outcry against the horrifically dull trappings of mainstream society.

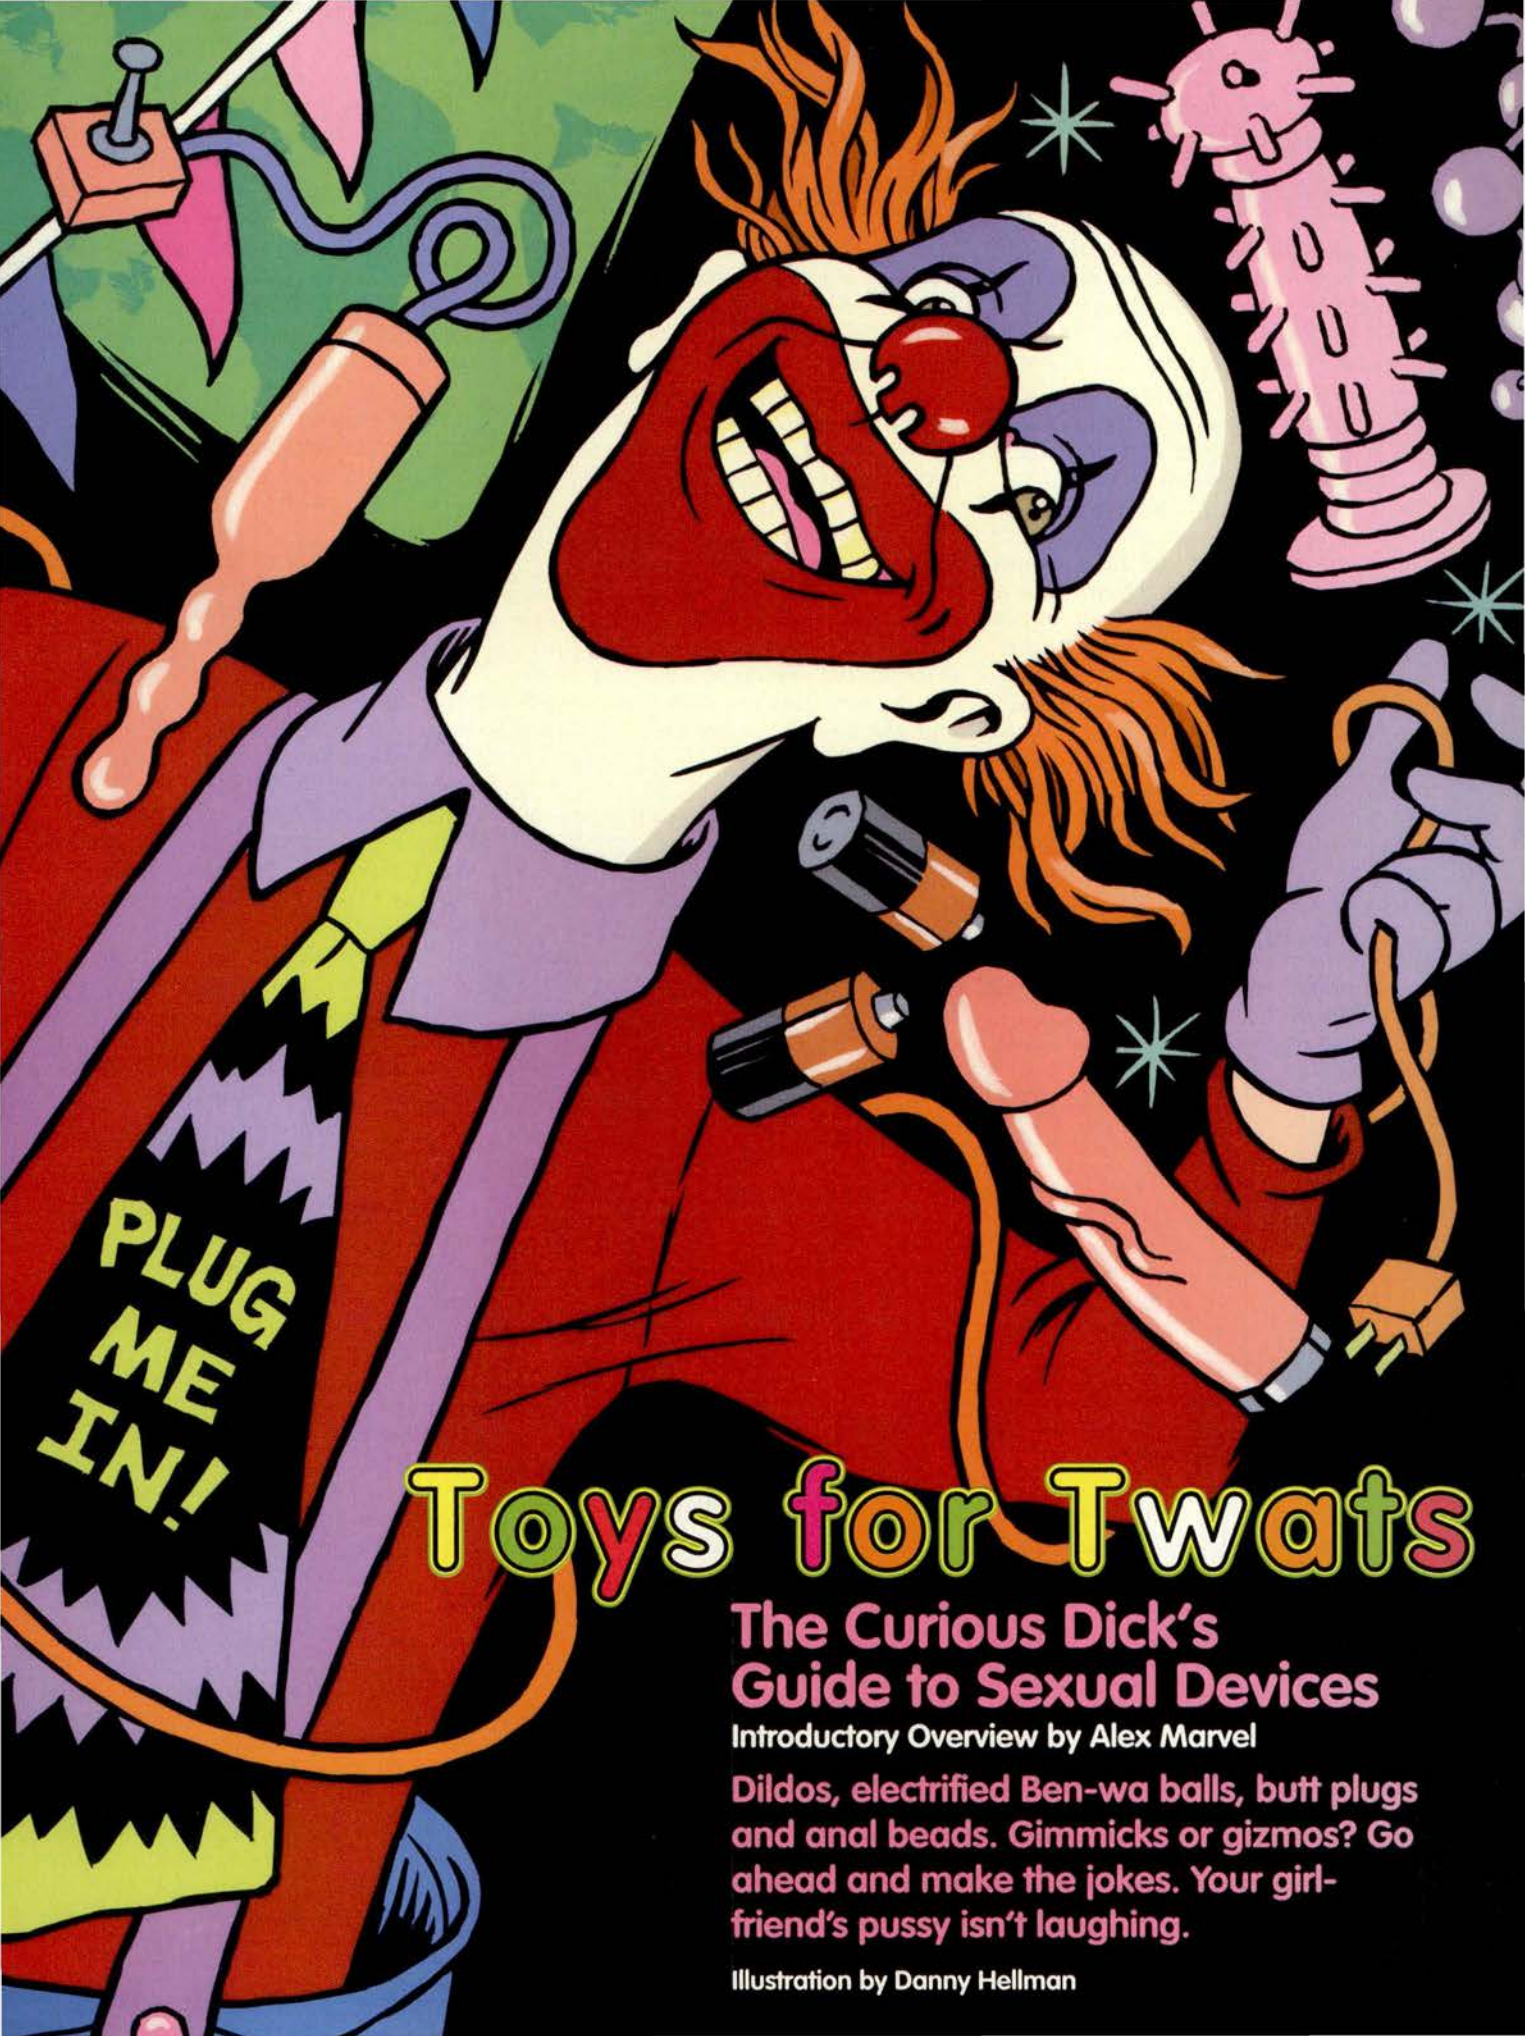

"I personally account the horror cinema and literature as being the prime influences in my monstrous evolution," Cadaver wrote last year. "Throughout time, monsters have both frightened and excited us. All too often, the movie monster meets with the the harshest of fates, accurately illustrating how the soul is discouraged into conformity. But occasionally the monster wins. Occasionally we are given hope that an escape from beige, mundane reality exists."

In Cliff Cadaver's expert hands, the penis is given hope that an alternative to beige, mundane sexuality exists. No wonder Cadaver is smiling. He *should* love his work.

The Curious Dick's Guide to Sexual Devices

Introductory Overview by Alex Marvel

Dildos, electrified Ben-wa balls, butt plugs and anal beads. Gimmicks or gizmos? Go ahead and make the jokes. Your girlfriend's pussy isn't laughing.

Illustration by Danny Hellman

Sex Toys

A lady who has suddenly been lofted to the sexual stratosphere will not think less of the guy who placed her there for employing a power trigger on the launching pad.

Bobby and Marilyn have no problems together sexually. Marilyn is an ardent practitioner of the libidinal arts, in and out of bed. Bobby laps up her spirit of playful adventure, and the couple revels in joys of the flesh, coming together with a flair that has hardly diminished since they began dating a year and a half ago.

They have nothing to be shy about. Every private cranny on either's body has been mouthed by the other. Still, in regard to one subject, the duo remains tongue-tied. About three years back, Marilyn knew a guy whose saving grace was a collection of vibrating dildos. Marilyn remembers the relentless pleasure of a battery-powered buzz against her fun nub while the guy's dick sliced her honey slot. It had felt unfathomably good, and the guy had been an asshole. She wonders, longingly, to what climactic peaks she might ascend if only Bobby, so much more attentive than her ex-prick, were to apply a little technology along with his God-given equipment. She's hesitant, however, to suggest add-ons to Bobby. What if he thinks she is dissatisfied with him as a man?

Coincidentally, Bobby has mechanical help on his mind. Being considerate is tough on a guy's tongue. Bobby likes to make sure that Marilyn comes at least once before he dicks in; consequently, his mouth muscle is chronically cramped. He's seen porn movies that show women getting off with vibrating appliances. He easily pictures Marilyn writhing in electric-powered ecstasy. But won't she feel used and slighted if he suddenly whips out a cock-shaped consumer item and urges her to stick it in her twat?

The story ends happily when resourceful Marilyn buys a Jeff Stryker-replica dildo and brings it home gift-wrapped, claiming the phallus to be a joke birthday present from her coworkers. Bobby and she have been enjoying the punch line ever since.

The only hurdle on the path to sex-toy mastery is initial reluctance.

"Even at this late date," complains feminist equal-sex advocate Claire Iris, "our society attaches a stigma to any erotic practice that, as is the case with most 'marital aids,' greatly enhances the female's sexual gratification. As I point out in my book, *Let the Caged 'O' Sing: Breaking Free From Sexual Confinement*, orgasm is the most liberating experience a woman can have. History shows that in times and places of the worst governmental or religious oppression, the sexuality of women has been specifically suppressed. We owe it to ourselves, and to our males, to come as hard and as often as possible. Vibrators, Ben-wa balls, butt plugs, anal beads—such are the keys to freedom."

Generally speaking, once contact is made between a man-made love tool and its human counterpiece, all systems are go. Unfortunately, sexually expanding sex-toy activity often occurs only during solo outings.

"My problem was that I got off better with my vibrator than I did with my boyfriend," confesses Tina Tetina, a college graduate and coffeehouse manager. "I did come with Frank, but he'd go home after, and I'd buzz myself to sleep—for a few hours. Finally, he found Chrome Dome, my vibrator. I was so embarrassed, until he plugged it in. Now, I come better with Frank, vibrator or not."

The first step for a male embarking upon battery operations is to accept that a woman is capable of attaining more orgasms than he is physically equipped to provide her with. This simple biological fact need not lead to emasculation. Women like to come. A lady who has suddenly been lofted to the sexual stratosphere will not think less of the guy who placed her there for employing a power trigger on the launching pad.

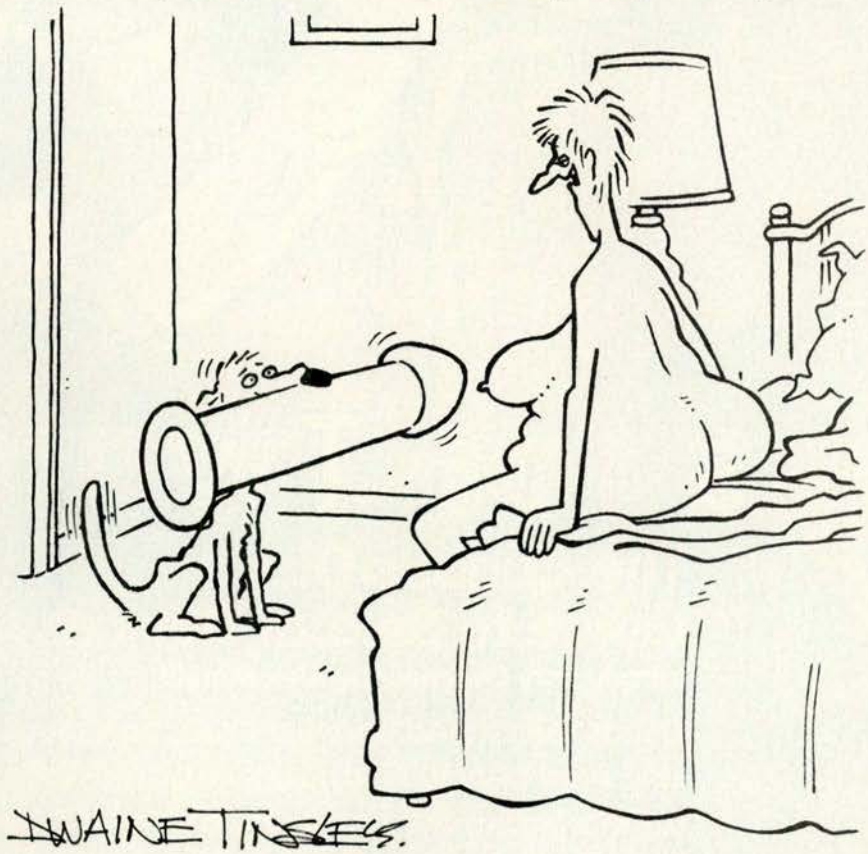

Introductory Ploys

Sex toys are like dinner guests. They are best enjoyed when they don't arrive unexpectedly.

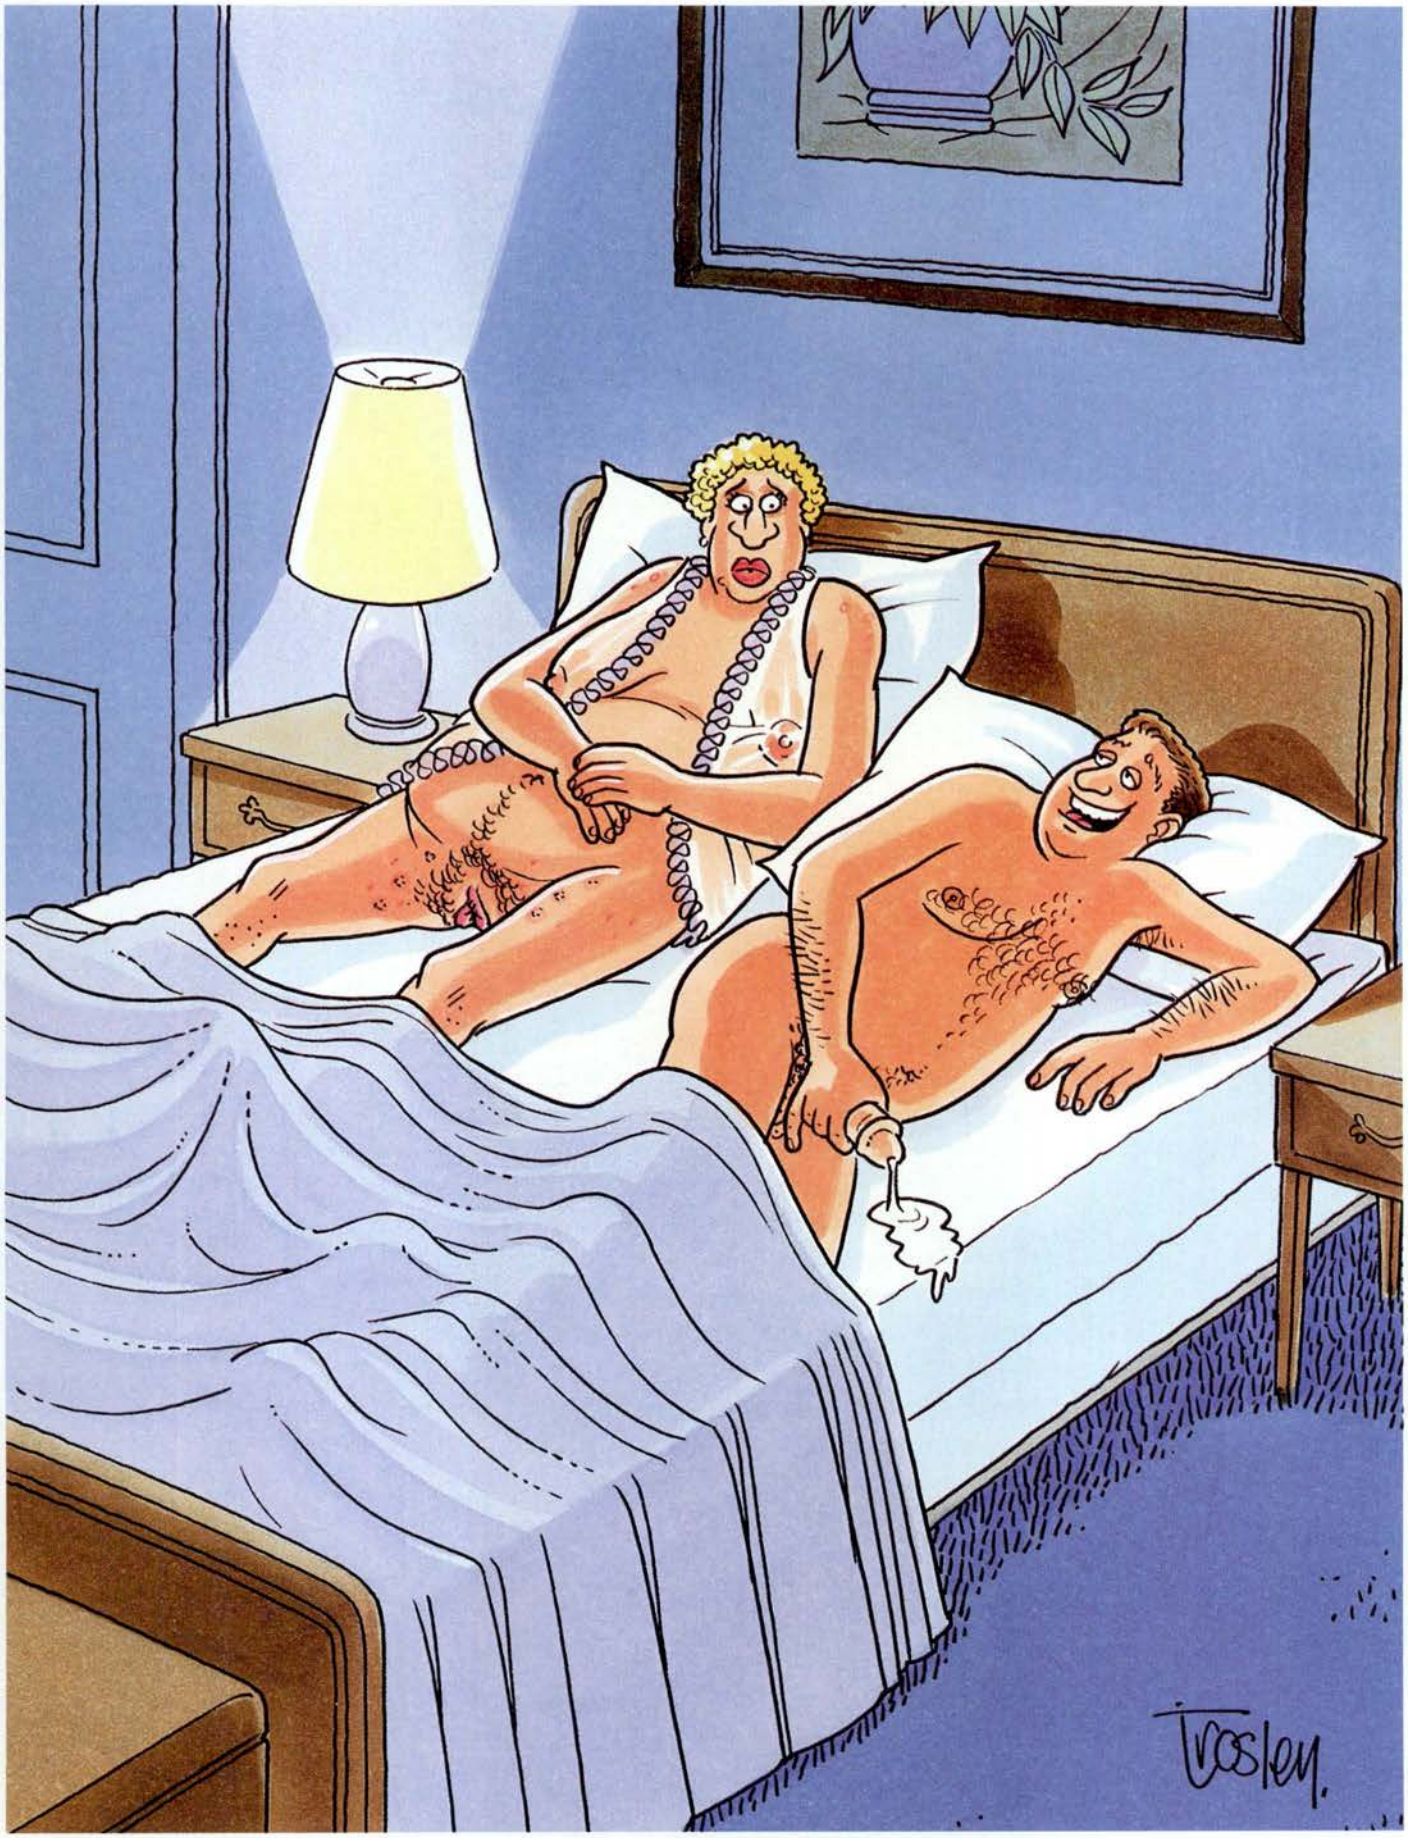

"First drop a few hints," advises Biff Stumply, sex therapist to the stars. "Assure the little lady that she's sexy and satisfying, and then casually wonder aloud what kind of people use sex toys and how those people benefit from the experience. If she signals positive curiosity, raise the possibility of experimentation." Stumply cautions against simply showing up with a plastic schlong and expecting the prosthetic extremity to be ardently embraced by the surprised lover. "Don't spring it on her," he insists. "Caught off guard, a woman may conclude that her bed performance is unappreciated." Such a misapprehension will require a lot of explaining from the male, which always defuses spontaneous carnal combustion.

"Furthermore," continues Stumply, who usually charges $110 an hour for his counseling, "that first sex toy should be presented in its original packaging, intact. A woman faced with some ragged

"Ahhhhh! That was wonderful, Doris—thanks for not joining in."

JuliAnn MYSTIC GLAZE

"Achieving ultimate pleasure takes concentration," advises sun-stroked JuliAnn, a meditation instructor from Manhattan Beach, California.

Resting her mind and body under the azure skies of Cabo San Lucas, JuliAnn shuts her eyes and thinks hard. She spreads her legs a fraction further.

"The more you focus...ah!"

JuliAnn's lips part, but she breaks off in mid-sentence. The gentle lapping of the sun-washed waves gives way to the sound of a woman smart enough to take her own advice.

dildo will wonder whom it's been in before her, a line of thinking that can wreck an entire weekend."

Where to Buy

The two primary vendors of utilitarian lust objects are mail-order firms and adult-novelty stores. Shopping through the mails ensures buyer anonymity, but is an impersonal experience. During the multi-week wait between ordering the devices of desire and their arrival, anything, such as loss of love partner, has time to happen. It is also easier to get ripped off through the mail than it is to be ganked in person. Goods are not available for in-hand inspection when purchased from 2,000 miles away.

"I ordered a string of Chinese love beads from a company out in California," laments data processor Rebecca Bungeen. "The beads arrived, plain-wrapped as promised, but they were made on the cheap. Instead of being smooth and round, each bead had a sharp plastic ridge. I tried inserting them into my anus as directed, using a liberal amount of lubricant, and it felt like I was sliding tiny razors up there."

Becky returned the painful sphincter spheres, but has not heard from the company. She claims the postmaster is lax in investigating mail fraud that deals with sexual items, but she probably never contacted the postal authorities. Many people order erotic materials through the mail because they are too shy to make the purchases in person. They often are reluctant to complain.

Still, mail order is the only available sex-toy outlet for much of the country. When ordering from these companies, make sure the dealer is reputable. Legitimate sellers include a working phone number in their advertisements and accept payment by credit card.

In-store shopping has its own perils. Plunking down 20 bucks for a rubber penis substitute can cause anxiety on a par with the first purchase of a condom. When a man buys a fake dong, he must let the cashier know that the penetrator is not for use in his own personal anus, even if perhaps it might be. The purchaser should make some highly manly gesture during the transaction, such as spitting a stream of tobacco juice upon the establishment's floor.

Another declaration of impenetrable heterosexuality is to bring the little lady along to browse. Keep in mind that some adult-novelty shops are very seamy, amounting to little more than peep-booth jackoff emporiums with sidelines in molded latex goods. Some women will be disgusted by such sordidness; others have a disturbing reaction. Little in life prepares a man for the sudden blossoming of his former wallflower when she is face-to-face with the astounding array of sexual implements available in a well-stocked fuck-gear boutique. Her eyes light up, her thighs twist, she gets ideas. This onslaught of enthusiasm can often be overlooked, but not when she latches onto a strap-on butt-buster and chases her date around the store with it.

Care and Storage

Due to texture, form and lingering personal flavoring of well-used erotic tools, dogs love the shit, and Bowser will delight in digging out forgotten toys from under the bed and bringing them out to the dining-room table, where he will engage visiting in-laws in a game of tug-of-war with a lengthy, vein-textured love log. A two-headed dildo needn't be as securely stored as a gun, but sensitive items should be kept in a safe place, albeit with easy access from the bed.

Battery-operated vibrators require simple maintenance. Remove batteries from the device between uses. This precaution necessitates reinsertion of the power packs prior to playtime, but that slight delay is preferable to rusting out the machine's connections.

The only thing worse than a dead dong is a dirty dong. Anything, synthetic or organic, that participates in a sexual act should be thoroughly washed as soon as possible afterward.

A Mandatory Disclaimer

Fucking with sex toys is like regular fucking. People are either good at it, or they are joyless, hopeless bastards. A dipshit with a vibrating stick in his hand is precisely that—a dipshit with a vibrating stick in his hand. Adding a dildo will not turn a lousy lay into the ultimate lover. A person can't be told how to use a fake dong anymore than he can be told how to use his own genitals.

For the Regular Guy

Most sex devices do not directly enhance the male's splooge launch. There are a few exceptions.

Blow-up Dolls: Though she embodies unquestioning compliance, finds any man irresistible and is a good listener, it is difficult to fuck a blow-up doll, particularly if the living, breathing girlfriend is present. Another drawback of love dolls is that, unless no one ever visits the owner, the air must be let out of these

beauties between every use so they can be hidden away. "Deflation is such a letdown," whines one blow-up's beau. "Life seems like a total waste of breath."

Pocket Pussies: The pocket pussy that feels better than five greased fingers has yet to be invented, and probably never will be. Fake cunts are sold as adult novelties only. However, Abco Research Associates of Monticello, Illinois, is marketing the Venus II: "the goddess of self-love...for men." The Venus II is a jerkoff vacuum contraption that is no bigger, more complex or louder during operation than a swimming pool's filter system. In a demonstration video, the Venus II looks as if it provides sensations approximating a blowjob from a suckling calf. A guy who buys the Venus II, at approximately $800, should guard against getting a girl again, just to be certain of recouping his investment.

Cock Rings: Cock rings come in many styles, fashioned from a variety of materials, and produce sensations that range from pleasurable to torturous. Typically, a cock ring is wrapped around the base of the penis, tying off the balls, and is fastened with snaps or a ligature. Aside from mythical clitoral stimulation, the effects of a snug cock ring include visual aesthetics, an intensified male orgasm and the thrill that comes from defying laws of physics.

For the Lady

As in every other aspect of sex, when it comes to selecting a fuck toy, women have more choices than men.

Dildos: Some vibrate; others don't. Surfaces are metal-plated or fleshy, and sometimes nubbed. From tiny dinks to humongous hoses—if a lady likes any of them, she won't be able to pick just one. A synthetic shank is used with a lubricant. She can put it anywhere she'd put a real dick. It can be used in conjunction with a real dick. The vibrating models, as any idiot would know, function best when applied directly to the clit.

Ben-wa Balls: Supposedly originating hundreds of years ago in Japan, where women were for some reason feeling shorted by the attentions of their men, Ben-wa balls are basically a pair of steel spheres the size of small cherries, with the weight and density of ball bearings. A woman slips the Ben-wa balls well into her vagina. Every motion she makes causes a corresponding motion in the balls within, which sets off spreading circles of sensation that ultimately climax in gut-wrenching orgasm. No *click* is audible outside the vagina as the steel orbs bounce around within. Concealed Ben-wa balls are often worn while going about daily business, as any airport security guard can attest.

Thunder Balls™: Thunder Balls™, which are connected by a string and electronically activated, are bigger and more numerous than Ben-wa balls. The four smooth, vibrating spheres are inserted vaginally or rectally, with self-explanatory benefits. Manufactured in China, and costing about 20 bills, Thunder Balls™ are a racking testimonial to the good that comes from that country's "most-favored nation" trading status.

Anal Invaders: One thing about a butt plug—the name doesn't sound good. And those undulating anal intruders have a sneaky appearance. The bulbous butt plug is meant to be fitted into milady's rectum and held there while other arousements take place. The skinny intruder is designed to slide in and out. Anal beads are popped in prior to vaginal intercourse and withdrawn to good effect at the moment of climax. This is all well and fine in theory and in practice, but if a woman is not butt-active before encountering these sphincter gizmos, forget it.

The Penultimate Pussy Product: The Hitachi Magic Wand's packaging is deceptively anticlimactic. The device, a round, spinning buff pad on the end of a foot-long handle, is shown massaging a tense neck, a hyperflexed shoulder blade, a stressed knee. Some inventive mind made the jump from whirring along aching joints to buzzing the clit. Modeling student Theresa M. was an everyday user of the gadget for six months before realizing that the power control has a low-speed setting. The Magic Wand retails for about 60 clams, and is by all accounts worth saving up for.

The Ultimate: From Abco Research Associates comes Sybian. Named after a fabled Greek city of free love and pleasure, Sybian looks like a bucking bronco horsey ride. In place of a saddle horn, Sybian features a soft, fleshy phallus. The user squats on Sybian, invaginating the rubbery prong. Separate controls regulate the prong's rotation and vibration. Snug within the pussy walls, the thing spins and shakes at the same time, providing obviously intense stimulation. It's hard to imagine what type of emergency would compel a woman to get off of Sybian once she slotted onto it. At approximately $1,200, Sybian ain't just a toy—it's a way of life.

"The only thing keeping federal troops from kicking down our front doors is that they're afraid of our guns. And they're doing everything they can to take 'em away from us."

February 7, 1994. Responding to a notice in the Vancouver, Washington, newspaper The Columbian, a small group of people gathers outside the Clark County courthouse. The notice had announced a meeting of a grassroots political-activist organization called the Impeach Clinton Committee, which seeks to unseat President Bill Clinton because of his vow to legislate mandatory gun control.

At approximately 6:30 p.m., Jonathan Burgess—the man who'd placed the notice in the paper—arrives. Burgess appraises the assembly of 16 men and three women for a few seconds, then announces, "Okay, let's do it." The group marches past the nearby Federal Building, the U.S. Post Office and Vancouver City Hall to the Vancouver Public Library, eight blocks away.

There, the marchers join more than 50 additional people, all of whom have come to express their dismay over growing government efforts to restrict gun sales.

"We in America are this far away from martial law," Burgess warns the gathering, the fingers on his right hand extended an inch apart. "The only thing keeping federal troops from kicking down our front doors is that they're afraid of our guns. And they're doing everything they can to take 'em away from us."

The popular media image of gun owners as political conservatives can be traced to former Senator Barry Goldwater's 1964 Republican presidential campaign. Newspapers and TV portrayed Goldwater's far-right supporters as gun-toting flag-wavers dedicated to the idea that extremism, in the pursuit of liberty, is no vice.

Jonathan Burgess is not the prototypical pro-gun conservative. With his short, wavy, black hair and trim, slightly graying beard, Burgess resembles a philosophy professor. In fact, Burgess is a licensed podiatrist who opposed the war in Vietnam and supported the civil rights movement in the 1960s. More recently, Burgess served on the board of directors of the local chapter of the National Organization for Women, helping lead the drive to oust a former state judge who was accused of sexually harassing a female employee.

Likewise, the group gathered with Burgess at the library—including a card-carrying member of the American Civil Liberties Union (ACLU), a Korean War veteran who opposed the wars in Vietnam and Iraq and a smattering of high-school students—resists being stereotyped. The assembly lasts more than three hours, with the First Amendment—freedom of speech—being defended nearly as often as the Second—the right to bear arms.

Burgess and his associates make up a political hybrid that blurs the traditional distinction between left and right. According to Chip Berlet, the director of Political Research Associates—a Cambridge, Massachusetts, organization that monitors radical political activists—like-minded groups exist in Chicago, Philadelphia and Boston.

Convening on the first Wednesday of every month in Portland, Oregon, is an open-mike forum called the Secret Government Seminars. With their denunciation of petty bureaucrats, the Seminars participants seemingly voice the concerns of far-right organizations such as the Christian Patriot Association; with their accusation that the wealthy classes are destroying the environment, they echo a sentiment straight out of the Communist Party of America. Clearly, this is a new mixed-breed of activist.

"The name I'd like to use is New American Revolutionaries," says Burgess. "Not revolutionaries like in the '60s, but like the Founding Fathers. The term *revolutionaries* scares people, but that's what we need to become."

On Monday, January 10, 1994, the famously liberal ACLU and the notoriously conservative National Rifle Association (NRA) held a joint press conference in Washington, D.C. The ACLU and the NRA strongly disagree on most issues, but joined forces to decry the mounting evidence of mismanagement within America's law-enforcement agencies.

Deploring the lack of supervision of the estimated 79,000 officers in 53 separate agencies, the two organizations jointly released a letter to President Clinton calling for a national commission to review the policies and practices of all high-ranking U.S. law-enforcement agencies. In addition to the ACLU's and NRA's endorsements, the letter was signed by representatives of the Citizens' Committee for the Right to Keep and Bear Arms, the International Association for Civilian Oversight of Law Enforcement, the National Association of Criminal Defense Lawyers and the National Legal Aid and Defender Association.

had not only been unprovoked, but that the government had lied about the circumstances surrounding the raid and standoff. In the end, a federal jury acquitted both defendants on all counts except Weaver's failure to appear for trial on the original gun charges. Judge Edward J. Lodge fined the FBI, admonishing that "the actions of the government, acting through the FBI, evidenced a callous disregard for the rights of the defendants and the interests of justice."

Despite the extensive national news coverage of the federal siege on the Branch Davidian compound in Waco, Texas, the reasons for the confrontation remain unclear. Initially, government officials charged that David Koresh, the charismatic leader of the Davidian sect, sexually abused the children of the followers who flocked to him. The government also claimed that the Davidians possessed illegal machine guns. Rather than requesting to inspect the weapons, the ATF decided to raid the Davidians' compound on February 28, 1993. Heavily armed government troops, dressed in combat clothes and armed with automatic weapons, entered the compound hidden in cattle trucks. The raid was planned as a surprise, but Koresh and his followers were somehow warned in advance. Gunfire erupted, during which people were killed and wounded on both sides.

A standoff ensued. As in Idaho, the ATF forces at Waco were replaced by FBI and other federal law-enforcement agents. Armored vehicles were brought in, as were sophisticated, electronic monitoring devices. Negotiations for the surrender of Koresh and his cult lasted 51 days. Finally, on April 19, the government sent a number of 58-ton tanks into the compound. Reportedly, the tanks had been designed to pump tear gas into the compound, and were to be used to compel the Davidians to decamp. Shortly after the assault began, however, fire broke out within the compound. Within 45 minutes, the structure had burned to the ground, killing Koresh and more than 80 cult members.

The U.S. government admitted to making crucial strategic errors during the initial raid, and owned up to legal transgressions as well. An investigative report issued by the Treasury Department determined that ATF agents had lied to their supervisors and altered documents after the original artillery exchange at the Waco compound. ATF head Stephen Higgins resigned shortly before the report was released.

Jonathan Burgess had followed the Weaver siege through the mainstream press. Like many of his fellow newborn activists, Burgess promised himself that he wouldn't sit by during the next government outrage. After the initial shootout at the Branch Davidian compound, Burgess drove to Waco. Wanting to help treat the Davidians who were wounded in the firefight, he was prevented from approaching the compound by armed government troops.

"I didn't know what a Davidian was, but I knew they needed help," says Burgess. "The Branch Davidians and the FBI said I could go in, but the ATF said no. At machine-gun point."

Pro-gun organizations such as the Liberty Lobby have spent decades warning their fellow citizens that the federal government is the greatest threat to the Bill of Rights. The Liberty Lobby, a small political action committee headquartered in Washington, D.C., was founded by a man named Willis Carto, an active figure in fringe politics since the 1940s. In the 1950s, Carto joined the John Birch Society, but quickly departed after clashing with that organization's founder, Robert Welsh. In August 1957, Carto announced the formation of the Liberty Lobby, which was intended to gather news and provide research for patriots and conservative groups. The organization published a newsletter, *The Liberty Letter*, the circulation of which reached 200,000 in 1967. The *Letter* was replaced by a weekly tabloid, the *Spotlight*, in 1975. The *Spotlight* currently boasts a circulation of more than 250,000, making it one of the largest alternative political publications in the United States.

The *Spotlight* has published numerous stories on the Weaver and Waco standoffs and trials, being especially critical of the ATF, but the Liberty Lobby isn't the only source of information about these two incidents. In recent months, literally thousands of people across the country have begun sharing their concerns through a variety of inexpensive—and frequently ingenious—means.

In 1993, Texas lawyer Linda Thompson founded the American Justice Federation, which, according to Thompson, is

"The killers stick the gun up the guy's asshole. The ass cheeks act like natural silencers. The bullets fired into the asshole bounce around like pinballs inside the body cavity."

For the first time since breaking them off in April 1975, the United States reestablished diplomatic ties with Vietnam in August 1993. The newly created Southeast Asia visitor's program allows direct entry into Vietnam only to foreigners able to produce someone to vouch for them. By his own admission, the people that would vouch for HUSTLER correspondent Eugene Robinson are not sterling characters; so he found his own way into the long-forbidden territory. Following is Robinson's firsthand account of his journey through Southeast Asia.

* * *

The route to Vietnam that leaves the least paper trail is through Thailand. Travelers who promise to stay fewer than 15 days do not need a visa to get into Thailand and can fly right out of the Thai city of Bangkok into Phnom Penh, Cambodia. Since Khmer Rouge terrorists claim the jungles, and the country is caught up in what amounts to a civil war, Cambodia is not the recommended garden spot for American tourists. Nevertheless, to get to Vietnam, I decided to travel overland from Bangkok into Cambodia.

Arriving in Bangkok after an 18-hour China Airlines flight, I headed east. Cambodia is about as wide across as Missouri; so I expected to be in Vietnam in a day or so. Once inside the enigmatic territory, I met up with my unofficial tour guide to the sights and plight of postwar Vietnam: Bronco, a retired, 30-year veteran of American special operations.

Pass the Ammo

Before kicking around Southeast Asia, Bronco had been dismissed from the Central Intelligence Agency (CIA) because of a drinking problem. Entertaining romantic notions of sailing around Malaysia and into the South China seas, the man sold everything he had of value and abandoned his home in Northern California. One night, aboard a small merchant ship in the Gulf of Martaban, outside of Yangon (formerly Rangoon) in Myanmar (formerly Burma), Bronco was jostled out of his sleep by a crewmate who slapped a submachine gun on his bunk and ordered the former CIA functionary to hit the deck. The ship faced a pirate raid.

"I thought I was going to get some R&R or find myself or some shit," explained Bronco during our trip into downtown Ho Chi Minh City (formerly Saigon), "but those fucking Asian seas are full of pirates, man, and it ain't nothing like the movies. When they catch a boat, they kill all the fucking men outright. That is, if the men are lucky. There are stories about pirates cutting open dudes' stomachs, throwing ropes around them, and then dragging them in the ocean like bait. These pirates fuck any women on board and kill the ugly ones. If they think they can make any money off of them, they'll make them work in massage joints as party girls. To make a long story short, the crew started drawing fire, and we poured it on until the pirates backed off. Ain't no cops or Coast Guard out in Asian waters. Nothing, man. I never did find out what the ship I was riding was carrying that pirates would want to steal, but when we got into Singapore, I was offered payment in either gold or opium."

Bronco and I pulled into a small hotel after what amounted to a 50-cent cab ride into the heart of town. Nice by Vietnam standards, okay by U.S. standards, rooms at the main-strip inn cost only $2 a night.

Leaving me to crash after my travels, Bronco took off. Before hitting the sheets, I heard a knock at the door. Having been warned that clueless Americans often end up left for dead in Southeast Asia, I answered the door with a fighting knife tucked into my sleeve. Two Vietnamese women greeted me, wearing flowered skirts and carrying towels.

"You want?" they inquired.

The only Vietnamese I spoke, I'd picked up from war movies. Like tourists everywhere, I figured that talking louder would make me easier to understand.

"NO ROOM SERVICE," I practically shouted.

Then it dawned on me that the shapely ladies hadn't come to change the sheets. "How much?" I asked.

"Four dollars," they told me.

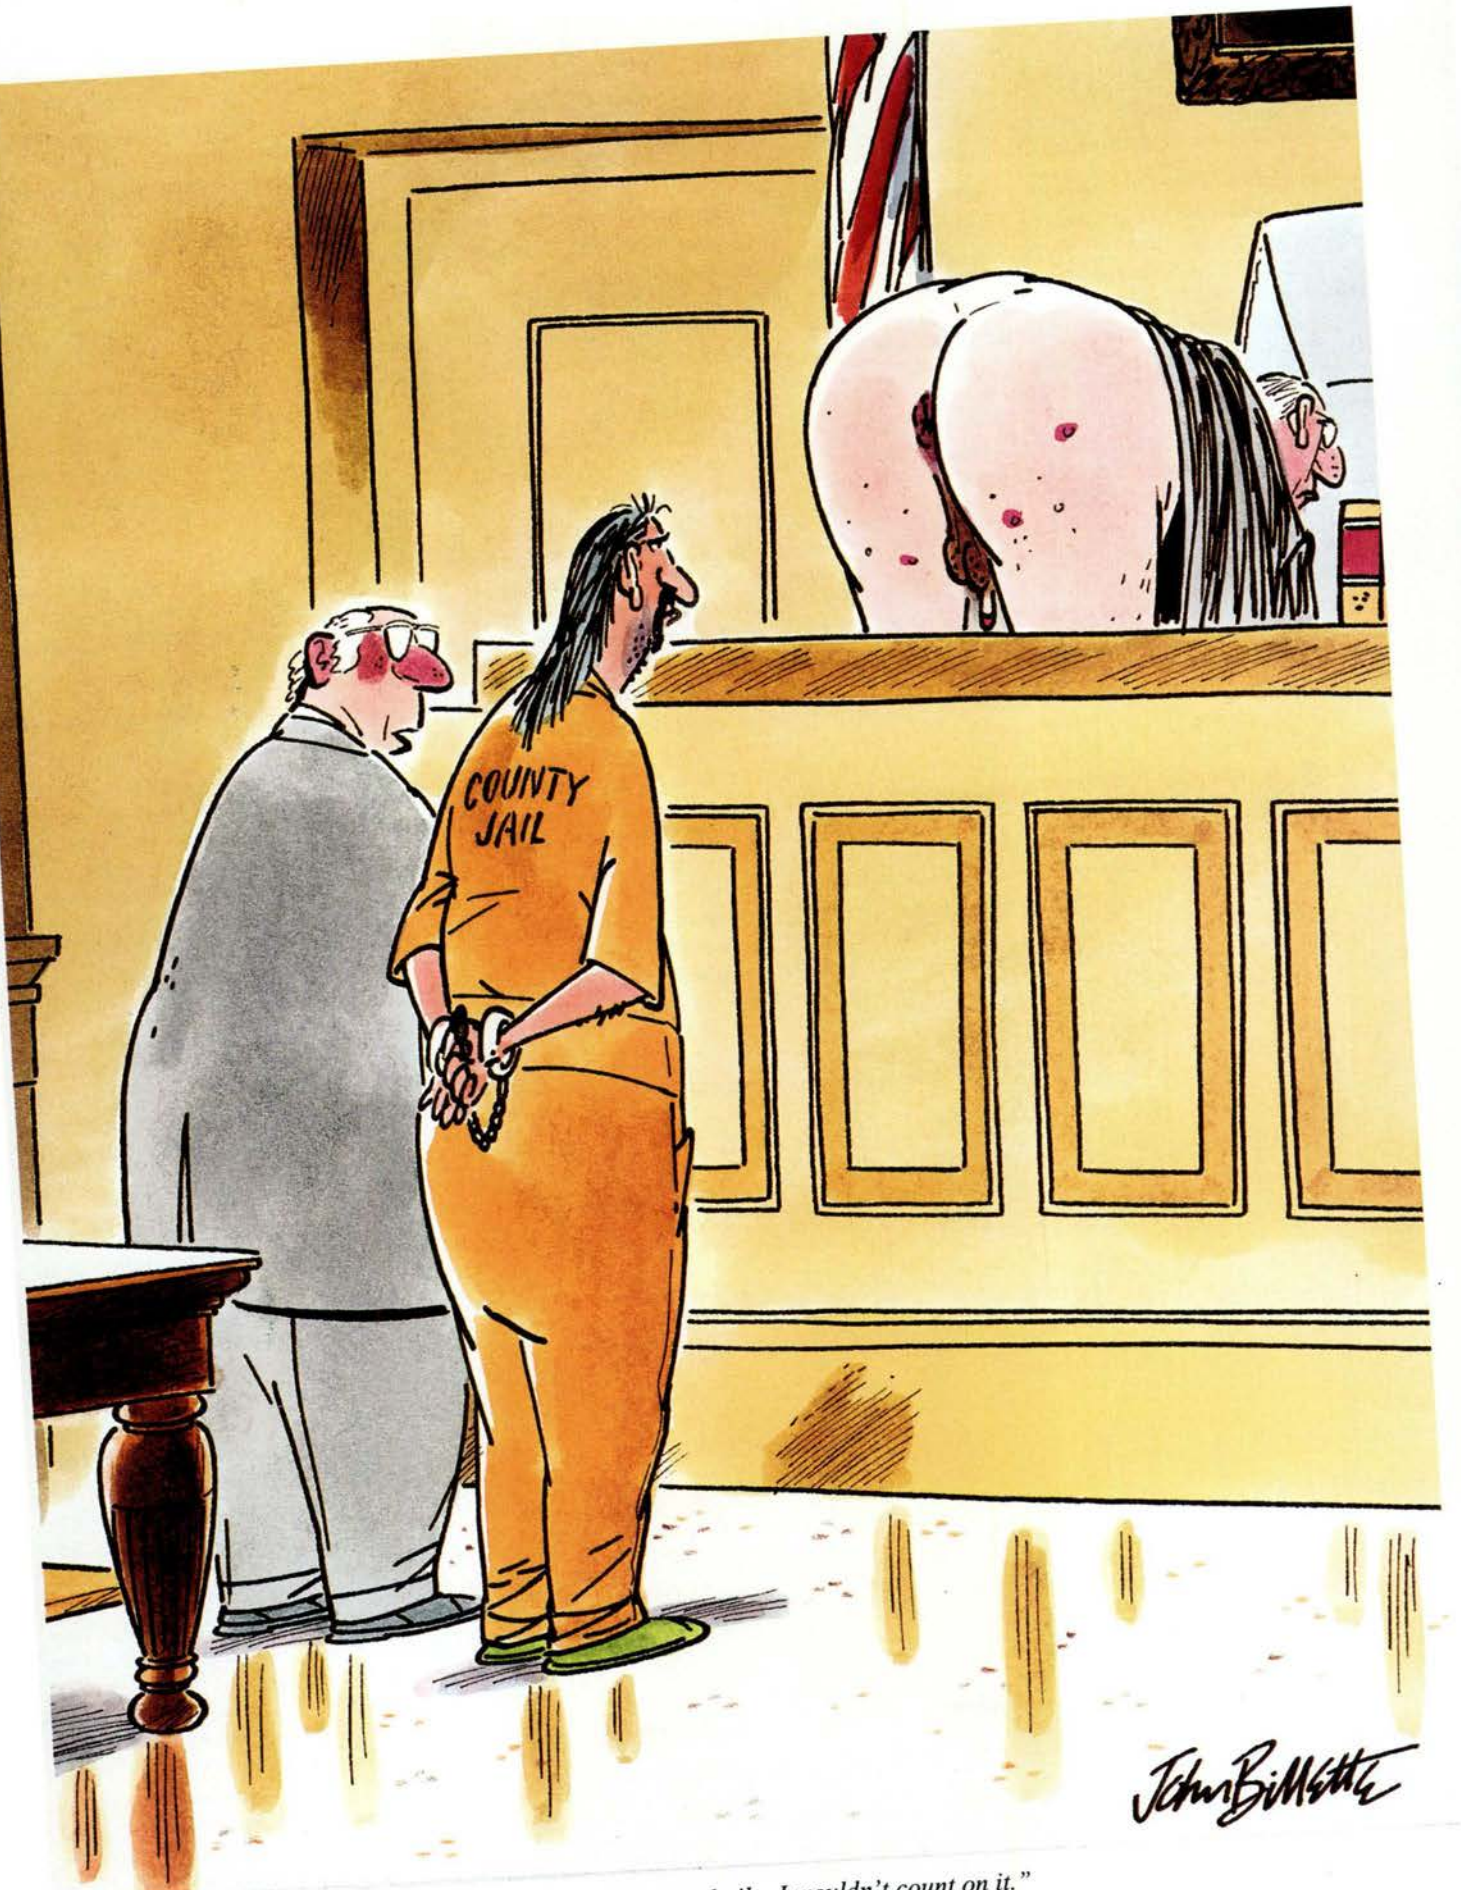

My mouth must have dropped open, because the prettier of the two amended, "*Three* dollars."

The ladies were invited inside. What I'd figured to be a bottle of drink turned out to contain a sweet-smelling oil. The smiling Vietnamese girls massaged the slick, fragrant stuff onto my bare legs, working their way toward my crotch. Due to VD anxiety, I told them to take off their tops. Jerking my cock while they rubbed the oil over their tits, my imagination flooded with flashbacks of every Vietnam War movie I'd ever seen until I came in a splashing burst.

Bronco had warned me never to be seen in public in Vietnam carrying more

"Get lost! He's eating me."

"As for your getting bail—I wouldn't count on it."

than a few singles in traveling money. With a gross national product of $230 per capita, flashing a $20 can get a guy killed. I gave the girls the price they asked, saw them to the door and hit the sack. Bronco returned shortly afterward. Turned out I'd forgotten to lock the door.

"You don't lock your fucking door?" exclaimed Bronco.

"I'm so tired, I guess I forgot," I said.

Bronco then kindly explained a popular local assassination technique.

"When the killers get into their target's room," explained Bronco, "they knock him unconscious, duct-tape his hands and feet together and roll him on his stomach. Then they take a small-caliber gun and stick the barrel up the guy's asshole. The ass cheeks act like natural silencers. The bullets fired into the asshole bounce around like pinballs inside the body cavity. They untape you and pull the sheets up. Everybody thinks you're sleeping until the body starts to rot or your rent's overdue. By that time, whoever the fuck did you in is long gone."

Bronco rose to leave. When the door shut behind him, I locked it.

Killing Is His Business

Postwar Vietnam is a one-stop bazaar for the sleazy and the easy. Coffeemakers, $4. Boom boxes, $5. Most of the stuff comes from Hong Kong, a town Bronco jokingly calls "the world's supermarket." Recognizing names like Sony and Sanyo, I tried to bargain. Many words in Vietnamese have half a dozen different meanings, depending on the inflection. Trying to call somebody *onj*—the Vietnamese word for "sir"—was a killer. I made do with pointing at what I wanted. In the end, though, I saved my money, the main deterrent to spending it being that I had to hand-carry whatever I bought. Anyway, it was the "wet" goods—flesh peddling for fun, profit and political gain—I was interested in.

Bronco led me to a man called Rama, a 32-year-old expert in at least four martial-arts styles. Rama consented to meet me only after Bronco's formal introduction. If things worked out, I planned to travel with Rama to where he was staying in Thailand—somewhere in Chiang Mai, near the Burmese border.

We met at a roadside cafe. The meeting was scheduled for one o'clock in the afternoon, and we found Rama already seated at a back corner table, munching on *bahn chung*—sweet rice, bean paste and what the native cooks call "pork." Five-foot-nine, dark enough to be almost East Indian in appearance, Rama rose to meet us and bowed with his hands pressed together in front of him: a greeting of peace from a man of war.

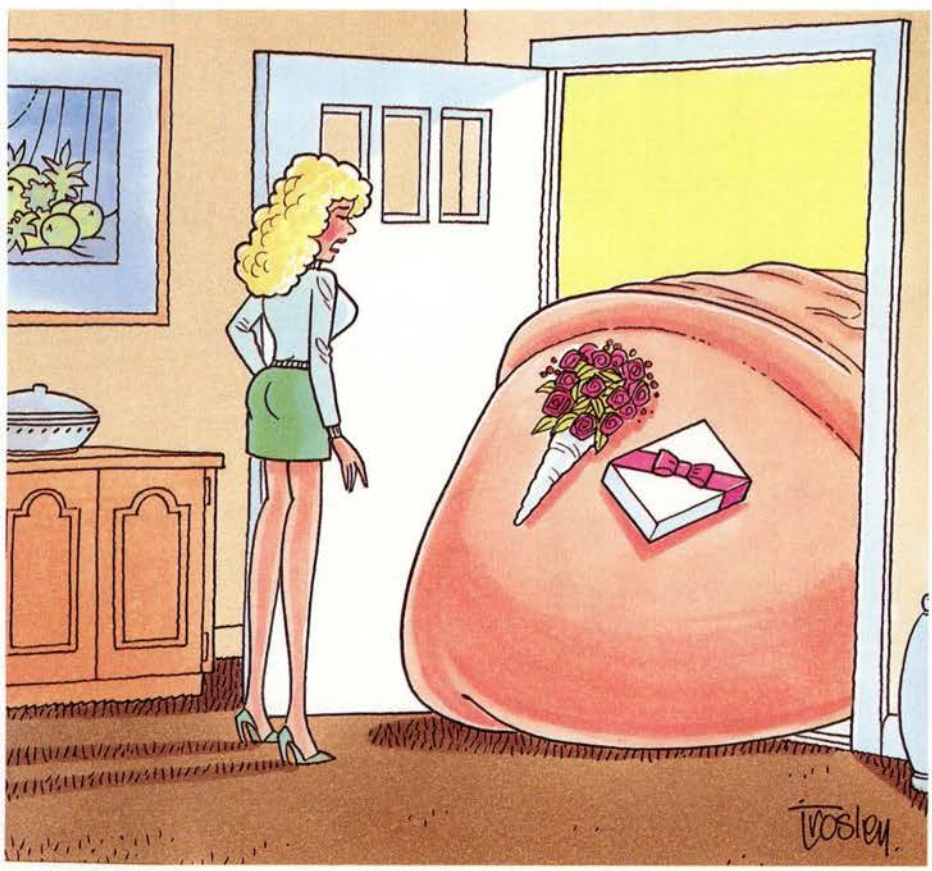

Having tangled with thugs, crooks, gangsters and soldiers, I would not have judged Rama to be a man posing a threat. Rama appeared so easygoing, he looked almost asleep. Had it not been for the worshipful reverence with which Bronco returned Rama's bow, I would have thought the famed martial artist was merely a big fish in a very small pond.

In contrast with his laid-back appearance, Rama was a renowned paid assassin. His first killing built his reputation. At 26 years old, he got the contract to take out a local politician's political rival in Cuttack, an Indian village about 200 miles south of Calcutta. While the politician stood in the village square on a festival day, talking with his associates, Rama walked up to him in broad daylight and, without breaking pace, placed the business end of his Korean-made semi-automatic against the base of the politician's skull. Rama fired up through the man's *foremen magnum*, the spot where the neck meets the head. The man was dead before he hit the ground. No one even knew that he had been shot, because of all the noise in the square. In the ensuing confusion, Rama dropped the gun and walked calmly out of the square. He was paid the American equivalent of $25.

Rama's most recent gig had been training the Burmese secret police in interrogation tactics. "Interrogation tactics need only a little imagination," Rama explained. As he waved his arms, his sleeves slid up to reveal long scars from what he described as "silly knife fights" in Thai alleyways.

"My favorite interrogation techniques are abrasion and private-parts manipulation," Rama continued. "The human body is nothing like what Americans might imagine from watching *Rocky* pictures. You can punch a man for hours, and you won't necessarily come any closer to obtaining what you want to know. On top of that, you'll be very tired yourself. With a fraction of the energy, you can get twice the results with a little sandpaper. It's just common sense. What part of the body has more nerve endings than any other part? The lips. The head of the penis. The same parts that give you pleasure also may give you great pain. Pain, though, is not the goal of the

HUSTLER HUMOR

Everyone on Earth was excited the day a spaceship from Mars landed and its passengers proved to be friendly, intelligent beings.

The Martian leader was even happy to be interviewed by TV newsman Dan Rather.

"Does everyone on your planet have seven fingers and toes?" Rather inquired.

"Yes," the extraterrestrial answered, waving his green appendages.

"And are you all two-headed?"

"Indeed," the Martian said, nodding both his heads in affirmation.

"And all those lovely diamonds and rubies embedded in your chest—do all Martians have those?"

"Most certainly not," the spaceman snapped. "Only the Jews."

The HUSTLER Dictionary defines *rib-tickler* as: a vibrator shoved in way too deep.

Peter and Kate were necking furiously, when suddenly Kate pulled back.

"Do you have protection?" she asked.

"Yes," Peter answered. "I've got a .357 Magnum in my pocket, and if I don't get some pussy soon, I'll be forced to use it on you."

Question: Why is it that black males make the best gynecologists?

Answer: They're used to kinky hair, big lips and bad breath.

A mongoloid husband came home from work and sat down at the kitchen table, hungry for dinner.

His mongoloid wife put a plate in front of him that had nothing but meat on it.

"Where are the vegetables?" he asked.

"They're not home from school yet," she answered.

Thomas and Serge, a gay male couple, decided they wanted to raise a child. With the help of a lesbian friend and the miracle of artificial insemination, they became proud parents of a baby boy nine months later.

Viewing their offspring in the hospital nursery, Thomas cooed, "Look how well-behaved our son is. All the other babies are bawling and squalling, while ours just lies there, happy and content."

The nurse in attendance looked on amusedly. "Well, he's okay now," she told the fag fathers, "but every time I pull the pacifier out of his ass, he screams bloody murder!"

Question: How do you get Michael Jordan to quit playing baseball?

Answer: Shoot his mother.

Billy the cabdriver pulled over to let out his last fare of the night: an obese, elderly woman.

"That'll be five bucks, lady," he said.

She didn't answer.

Billy thought maybe she was hard of hearing; so he raised his voice: "Five bucks, please."

Still no response. Billy turned around to see the fat old broad with her skirt hiked up, her legs spread wide and sporting no undergarments to impair his view.

"Will this be enough to settle the bill?" she queried.

"Aw, geez, lady," Billy groaned. "Don't you have anything smaller?"

Question: What do you call a leper in a hot tub?

Answer: Stew.

Eureka!" Professor Vrusho exclaimed. "I've invented an apple that tastes like pussy!"

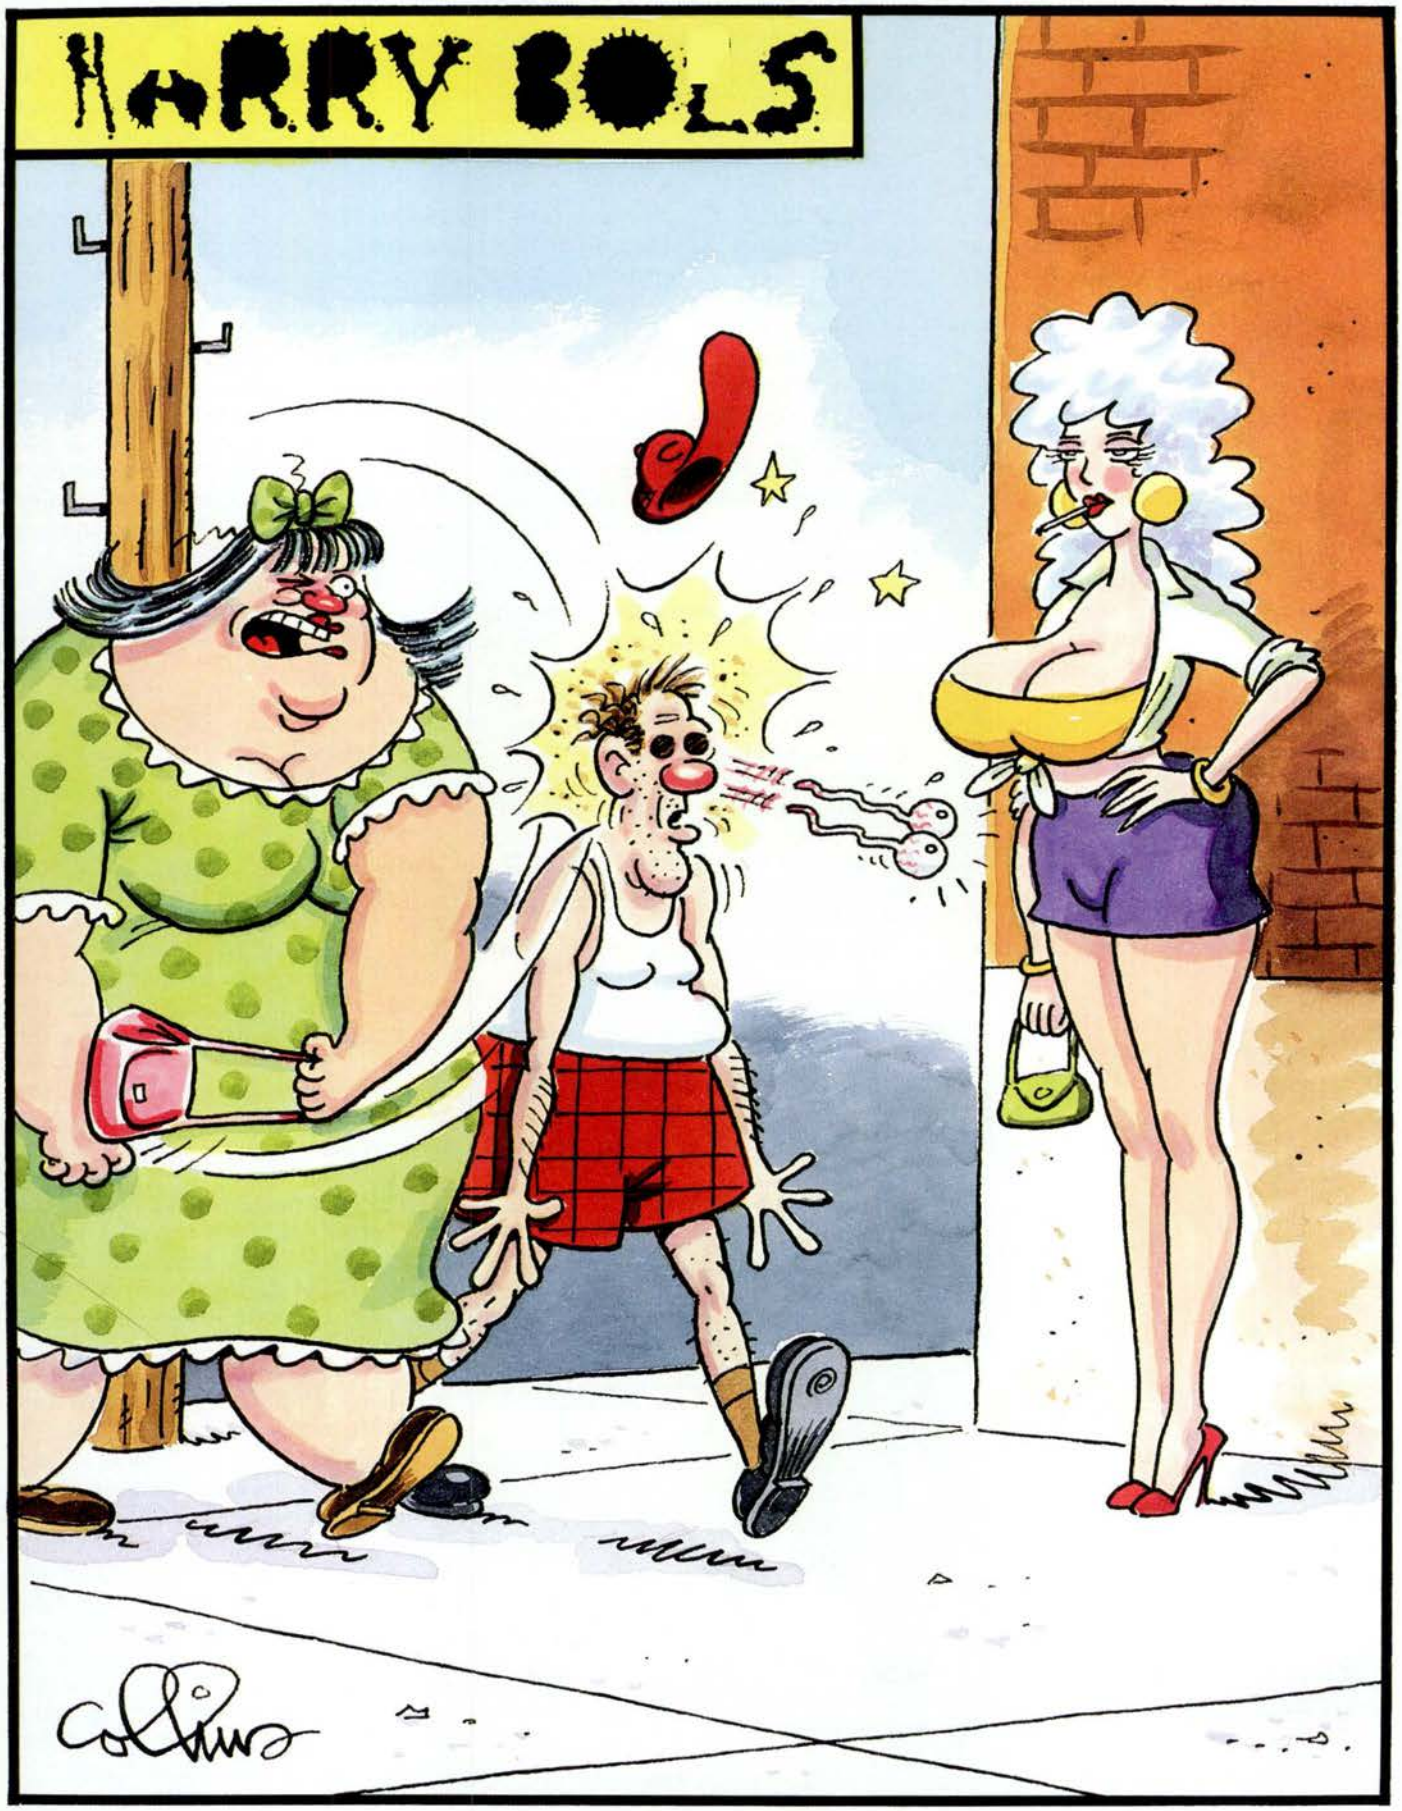

With great enthusiasm, he offered his colleague, Dr. Verilli, a sample.

Verilli took one bite and spit it out in disgust. "This apple tastes like *shit!*" he hollered.

"Indeed," Professor Vrusho beamed. "Turn it around."

The HUSTLER Dictionary defines *cocktail party* as: an affair where a man gets stiff, a woman gets tight, and they return home to find that neither is either.

"Hey!"

Hua went around the pile of prostrate seamen, taking off their rings and watches and efficiently snapping two fingers on each of their right hands. "I never fight for free," he explained.

interrogator. His goal is information, and if he can get it without lifting a finger, so be it. Often, people think that the worst that can happen to them is that they die. Interrogators want their subjects to live, and to suffer."

Rama apologized for having arranged a background check on me, something I hadn't been aware of.

"Have you ever heard of the Taymil Tigers, Mr. Robinson?" the sleepy-eyed fellow inquired, referring to a much-feared terrorist organization.

I answered in the affirmative.

"The Taymil Tigers have been trying to kill me," remarked Rama. "Here in Southeast Asia, anybody with money can do anything. The Tigers have money. I am not worried." Rama paused and examined me with his sloe eyes. His English was flawless. "But I'm careful," he continued. "This is for *Playboy* magazine, am I correct?"

"HUSTLER Magazine," I answered. "Better than *Playboy*."

"Will you be staying for *cung chuc tan xuan*?"

"He's asking if you're going to be here through the New Year," Bronco translated. "Are you staying through February?"

"No," I said.

Rama laughed. I could only imagine what sort of entertainment he had considered arranging for me, had my stay been longer.

As we were nearing Chiang Mai, Rama described a few of the tactics that he taught the secret police. Using the first of Rama's recommended procedures, the secret police literally sandpapered their prisoner's lips off his face. The raw, red hole that used to be the subject's mouth "held the nicest teeth," recalled Rama.

The subject apparently waited until his lips had been scraped away before he told the secret police what they wanted to know. I said that I would have told whatever they wanted to know right away. Rama smiled.

"We would not have believed you," murmured the gentle-voiced torture maestro. "Or at least we would not have been sure that you were telling the truth. The same thing would have happened. Either that, or the other thing."

"The other thing" involved thin glass rods, an item occasionally hard to find in local markets. Many times, interrogators employing Rama's glass-rod method of questioning had to make do with glass thermometers. These they would grease with animal fat and slide up their detainee's urethra—straight up and into his dick through the peehole. Toying with the hapless and scared-shitless sucker, they would stretch his withered, thermometer-stuck cock across a desktop. When the interrogators tired of threats, they'd whack the guy's cock with a long wooden stick, shattering the glass rod within. If a thermometer were being used, in addition to the excruciating pain of razor-sharp bits of glass shredding the guy's dick from within, the victim of Rama's glass-rod procedure would develop complications from the temperature gauge's toxic mercury.

And if the subject were a woman?

"How many men would have to rape you before you'd tell me whatever it was I wanted to know?" A smile spread slowly on Rama's face. "Not everybody has the stomach for this kind of work. I like it that way. At least some good comes out of it."

"What is that?" I asked.

"I get paid," replied Rama.

Dudes Look Like Ladies

A few days later, Rama hooked me up with a Thai kickboxing friend from Bangkok named Hua. Hua stood 5-3, but I'd bet on him every time against the hardest-core yardbird in the hardest-core correctional facility in America. Hua talked of wanting to go to the United States, but it upset him that American kickboxing officials had outlawed the most violent methods of the Thai version of the sport.

"They say people die in the ring here in Thailand, but it's not true," said Hua, explaining that most fighters are actually dragged out of the ring before they die.

"They die on the floor *outside* the ring," stressed Hua.

Although I outweighed Hua by more than half, he inflicted considerable damage when we casually sparred. After 20 minutes of sparring and 20 more minutes explaining what I had done wrong, Hua declared he would show me the town.

Bangkok reminded me of New York City's Times Square before real-estate developers turned it into a mall: dirty, dangerous and decadent. Bangkok whores are accustomed to Japanese sex tours and American soldiers; they didn't know quite what to make of Hua and I. While Hua spoke the lingo, I smiled like I knew what he was talking about. Settling into a bar called the Disco Cafe, my antenna told me that the ladies of the

TANNA

"My brother says a zipper is the second most dangerous thing in the world," muses 19-year-old Tanna, a dancer from Des Moines, Iowa. "I can understand that. Zippers have a way of sliding open all by themselves."

Tanna demonstrates. Breathing deeply, she expands her chest. Sure enough, the zipper fastening her glossy vinyl top drops in a flash, revealing the tender flesh inside.

The most dangerous thing in the world, according to Tanna's sage sibling: A girl who says no when she means yes.

"I don't understand that," Tanna frowns, thoughtfully tugging the tawny nipples of her breeze-blown breasts. "Not that I consider myself super-honest. I just never say no!"

Revolutionaries

(continued from page 94)

working to support the Branch Davidian defendants. A video Thompson produced titled *Waco: The Big Lie* sets out to prove that the U.S. government purposely set fire to the Branch Davidian compound, intentionally killing nearly everyone inside.

An international computer bulletin board operated by Glenn Farkas of Richmond, Virginia, offers dozens of articles and opinion pieces on Weaver and Waco. The American Patriot Fax Network, privately operated out of San Antonio, Texas, will flood anyone with a fax machine with articles, press releases, flyers and personal letters alleging government wrongdoing around the country.

The Liberty Lobby is opposed to the U.S. Food and Drug Administration's recent move to regulate vitamins and other health supplements, as are the people who attend the Secret Government Seminars. The latter also believe that drugs should be legalized, and they approve of the distribution of condoms in the public schools.

Uniting the diverse community of what Jonathan Burgess would like to call New American Revolutionaries is the conviction that the Weavers and the Branch Davidians were attacked because they refused to buckle under to a system of government that serves only the rich. According to a theory espoused by the freethinking radicals, the ruling elite desire to assemble a single military force through the aegis of the United Nations. As part of this plan, the power brokers wish to disarm the world's civilians, beginning with law-abiding gun owners in the United States. In other words, fighting the current round of gun-control efforts is more important than merely defending the Second Amendment—it also means standing up to an approaching global dictatorship.

* * *

Upon returning to Washington State from Waco, Jonathan Burgess met with like-minded people who share his outrage over the government's actions. Meetings were organized in people's homes and the back rooms of restaurants and taverns in and around Vancouver.

For Burgess, the assembly at the Vancouver Public Library was a notable success: It kept the word going.

"I was expecting a couple thousand people," complained one participant before the small group departed for the library. Replied another in the group, "This is the way revolutions start."

Vietnam

(continued from page 114)

night Hua had invited to our table were likely dudes by day. Over the blasting music, I motioned for Hua to follow me to the can so I could tell him I wanted to find myself a real girl.

With Hua's help, I hooked up with a 45-year-old lady. I decided to call her "Lucky," because any 45-year-old hooker should be called Lucky in this day and age. Hua and I rented a nearby hotel room, where I bought my hooker and Hua's girlboy schnapps. Lucky broke out the rubbing oil, and I directed her in my favorite Southeast Asian sex trick. Watching Lucky grease her tits while I jerked my dick, I glanced over at Hua, who was fucking his girlboy. Both of them were watching me. I started flashing on *Apocalypse Now*, picturing Hueys strafing village after village while blasting Wagnerian opera.

Leaving the apartment to my girl and Hua's girlboy for the remainder of the night, Hua and I headed back to the boxing ring, where there was a decent shower. Our hookers hung out the window, smiling and waving. A group of rowdy American sailors happened to spot Hua's girlboy. The Americans began to harass Hua, calling him "fag-lover" and "homo."

Hua wasn't a fluent speaker of English, but he'd learned the cusswords and knew that the sailors were fucking with him. Unfortunately for the American boys, watching Chuck Norris pictures can never prepare you for what it's like when people who fight to kill fight.

Hua hadn't broken a sweat by the time the misguided sailors were all unconscious. Although Hua had had the element of surprise on his side, I couldn't see that things would have been much different had the sailors been prepared. Just as he had played with me when we were sparring, Hua was probably playing a little bit here, too, because the men were still alive.

Hua went around the pile of prostrate seamen one by one, taking off whatever rings and watches they were wearing and efficiently snapping two fingers on each of their right hands. Pocketing the booty after the finger-breaking, Hua looked at me and explained, "I never fight for free."

The next day, before the jitney took me to the airport, Hua handed me one of the sailor's watches as a souvenir of my visit to a land whose people use every means to survive. I gave him a Los Angeles Raiders T-shirt. Together we bowed in a gesture of mutual respect.

She calls herself an "entertainer" but, with legs as long and lean as hers, one can only guess that high-jumper is her true occupation. Her name is Kendra, and she enjoys jet-skiing, in-line skating and horseback riding in San Antonio, Texas. Only 24 years old, Kendra has plenty of time to satisfy her desire to have sex in the snow. Hopefully the balls that hit her face will be warm and fuzzy.

Jan likes to be nude. In fact, this 29-year-old exhibitionist from Lelystad, Netherlands, lists her main hobbies as being naked in the sun, having sex in nature and shaving her pussy—all of which leaves little time for her to fulfill her fantasy of "helping" her boyfriend while another woman watches. Helping resuscitate him, no doubt.

Happy birthday to comely Karla of San Fernando, California, who turns 20 years old this month. Watching horror movies and reading books are two of this housewife's favorite pastimes, while her fantasy of making love to a famous unnamed singer remains unfulfilled. Hear that, Barry Manilow? ***Photo by Husband***

Judging from this photo, dinner guests at Carrie's house enjoy heaping platefuls of tuna casserole. A student from Virginia Beach, Virginia, this 19-year-old daredevil dreams of having group sex on a secluded island. Her hobbies include watching football, shooting pool and taking nude photos. ***Photo by Friend***

For first-time HUSTLER readers, this is a butt. The fingers feeling the fur belong to Kate from San Francisco, California. It's hard to tell from this angle that 25-year-old Kate is a student who digs riding motorcycles and having sex. Her legal fantasy is to be handcuffed and strip-searched by two women posing as cops. Doesn't sound like there'll be any concealed weapons. ***Photo by Friend***

The phrase "What'll you have?" takes on new meaning when uttered by Monique, a waitress in Burlington, Vermont. Horseback riding, gambling and nude sunbathing are some of this 22-year-old's hobbies, while her fantasy consists of a threesome with her boyfriend and singer Melissa Etheridge. Make Melissa hit the high notes. ***Photo by Friend***

Flexibility is obviously this girl's secret to being a good mother. Lynn, 24 years old, lives in Springfield, Massachusetts, where she enjoys collecting coins and having sex. Her dangerous fantasy? "To have sex in public with three guys and almost get caught." Some things are worth the risk. ***Photo by Friend***

Her habit of sucking sweet, juicy things on the ends of sticks isn't the only reason residents of Toronto, Ontario, Canada, call this girl "Candi." She's also a chef who must specialize in desserts, if this photo is any indication. Candi is 29 years old and likes working out and having sex. Her fantasy involves another naked woman and a video camera. ***Photo by Friend***

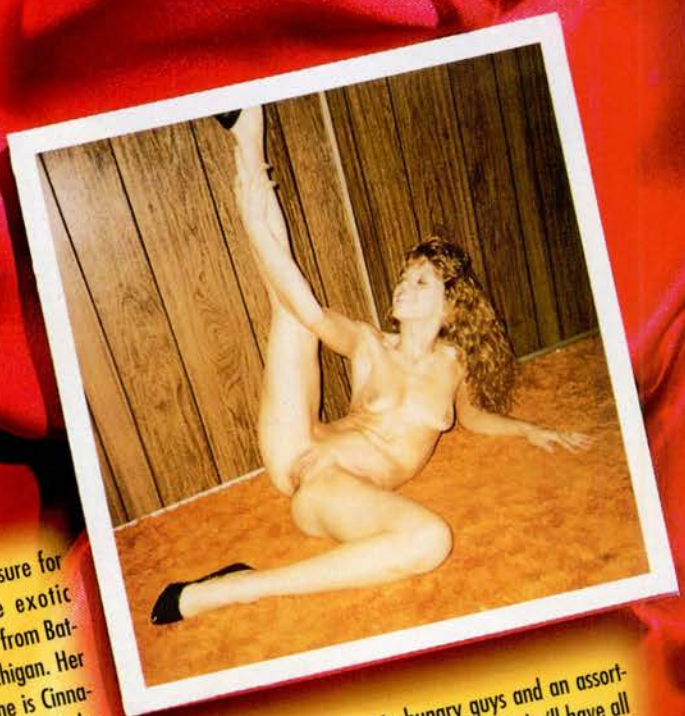

Darling Dena causes men to check their pulses. She's a medical assistant from Long Beach, California, who likes reading, watching sexy videos and making love. This 28-year-old angel dreams of having sex on a deserted beach. But then the sand wouldn't be deserted, would it?

Photo by Friend

The movie Threesome may have sucked, but it obviously inspired many women nationwide to realize new fantasies. Bianca is an otherwise-conservative nurse who dreams of having sex with a woman and a man at the same time. She's 23 years old, lives in Columbus, Ohio, and enjoys skiing and jogging.

Photo by Husband

Business is pleasure for this excitable exotic dancer hailing from Battle Creek, Michigan. Her nom de plume is Cinnamon, she's 33, and she enjoys nude dancing and topless fishing. Her gut-wrenching fantasy involves six hungry guys and an assortment of fruits, vegetables and dessert toppings. Add a piece of meat, and she'll have all the food groups covered.

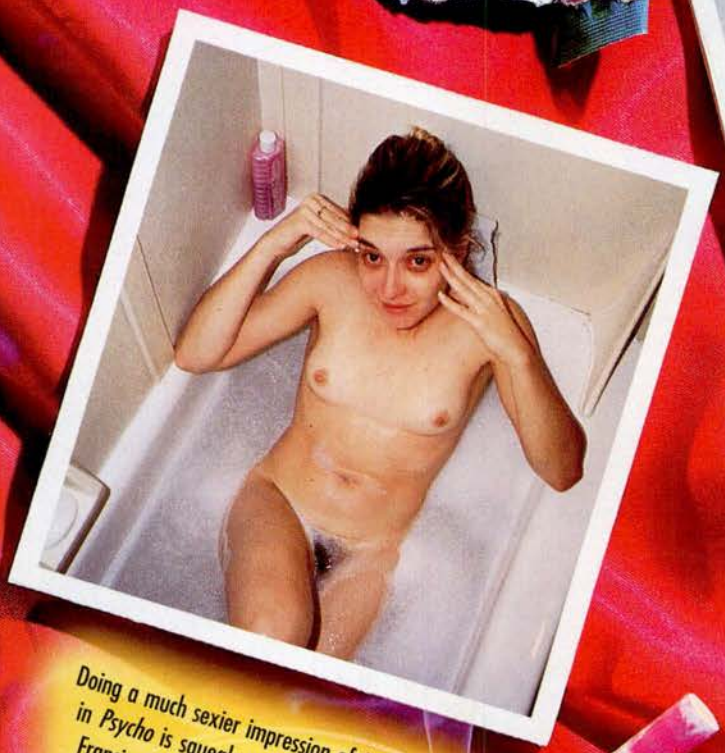

Photo by Friend

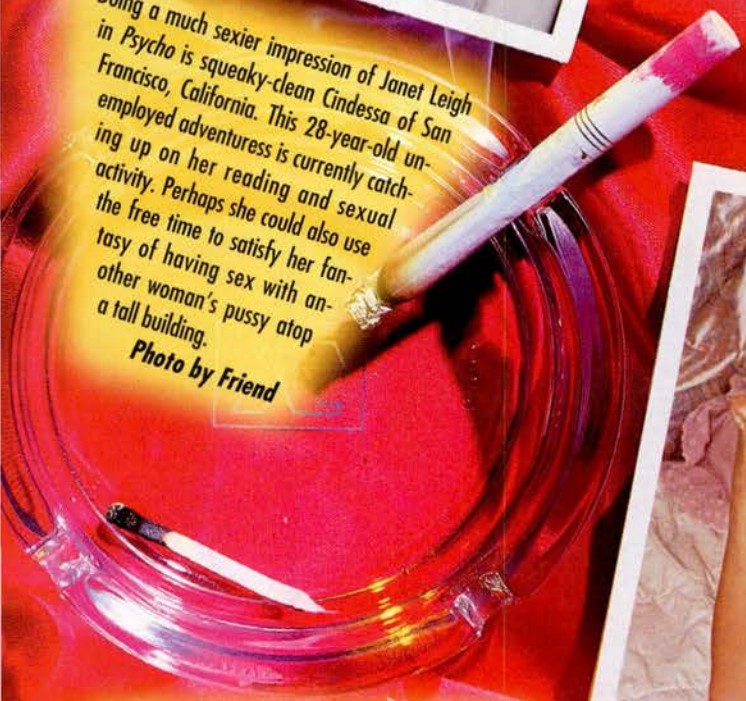

The eyes of Fort Worth, Texas, are undoubtedly always upon this pride of the Lone Star State. Gina's her name, and data entry is her occupational game. On days off, 26-year-old Gina enjoys going to the gym and tending to her plants, and she dreams of making love on the beach.

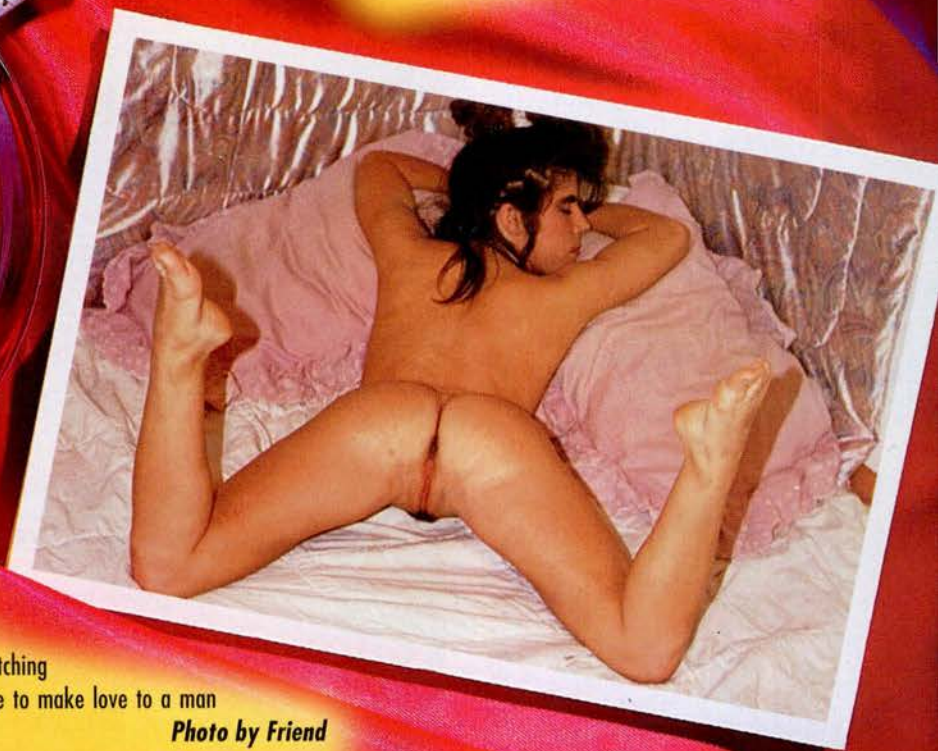

Photo by Husband

Doing a much sexier impression of Janet Leigh in *Psycho* is squeaky-clean Cindessa of San Francisco, California. This 28-year-old unemployed adventuress is currently catching up on her reading and sexual activity. Perhaps she could also use the free time to satisfy her fantasy of having sex with another woman's pussy atop a tall building.

Photo by Friend

Cutie-pie Corey, an adult entertainer, strikes the pose that's made her famous in Rockaway, New Jersey. Offstage, she enjoys drawing, dancing and watching porn movies. A 22-year-old dreamer, Corey would love to make love to a man and woman in a hot tub.

AFTER MORE THAN 20 YEARS . . . THE ORIGINAL SUPRA-12

PENIS ENLARGER

Reg. $39.95 REDUCED TO $22.95 plus FREE VIDEO

YOU CAN ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Is the size of your penis bringing you down? Want to "hang out" where the big boys do? In the neighborhood of nine, ten, eleven inches or more? Then wrap your fist around this hot new package offer which includes the very latest in vacuum pump design and the world's first "personal trainer" video on penis enlargement!

DESIRE IS NOT ENOUGH

The world is literally full of men who have tried to increase their genital measurements – and have failed miserably. The secret of success lies in personal professional instruction such as that supplied by our **SUPRA-12 SYSTEM.** Here in step-by-step easy to see and understand techniques you will be guided on the path to success! Now, with a simple device you can follow in the footsteps of over 3 million men who have proven that there is a way to **INCREASE PENIS SIZE** and **THICKNESS!** A safe and proven natural way to add inches to penis length and thickness.

OVER 3 MILLION SATISFIED CUSTOMERS

4 GOOD REASONS YOU SHOULD OWN THE ORIGINAL SUPRA-12 SYSTEM!

1. *We must be doing something right! Over 3 million customers have been satisfied with SUPRA-12.*
2. *The original and oldest in the field (over 20 years). Every pump made in the U.S.A.*
3. *The only pump made with our exclusive (patent pending) SUPRA-VALVE . . . for superior vacuum and suction.*
4. *The only affordable, quality electric pump available in the world!*

HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

The male erection results from the flow of blood (triggered by stimulation) into hollow chambers inside the penis. As these chambers fill, the penis grows in diameter and length until the chambers are filled to capacity. By increasing the capacity of these chambers (making them bigger), they can hold more blood and the result will be a **LONGER, THICKER PENIS.** The **SUPRA-12** Vacuum Enlarger is the very zenith of technical perfection – the latest in design and comfort – nothing short of "miraculous" in the way they allow you to **ACTUALLY SEE YOUR OWN PENIS** grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG** . . . how really **FAT** . . . how **LONG** . . . how **HARD** and **STIFF** your own penis can get!

SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONG** and **THICKER.** And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equiped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes!

YOU OWE IT TO YOURSELF . . . TO YOUR SEX PARTNER . . . TO YOUR SELF-ESTEEM . . . JOIN THE COUNTLESS OTHER MEN WHO STARTED OUT "AVERAGE" OR "BELOW AVERAGE", AND LEARNED ALL ABOUT MAKING A "BIG" IMPROVEMENT IN THEIR SEX LIVES!!

NEW, IMPROVED ELECTRIC MODEL
Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."
Sir Henry Royce (Rolls Royce)

SCOTT TAYLOR TAKES YOU STEP-BY-STEP AND SHOWS YOU HOW TO ENLARGE YOUR PENIS!

He'll show you what phenomenal increases he has made in both the length and diameter of his penis. See photos above. This video tape is a full color, detailed, step-by-step explanation by Scott of what you need to know to increase your own genital size.

FULL DEMONSTRATION BEFORE YOUR EYES! ANSWER ALL YOUR QUESTIONS!

★ Find out exactly what is happening to your penis to make it grow longer and thicker!
★ Discover what the enlargement process really feels like!
★ Find out how big you can expect your penis to get!

See photos and videos demonstrating an actual increase of ***5 inches!*** *The only complete penis enlargement system including step by -step instructions used successfully for 20 years with more than* ***5 Million*** *men!*

PENIS ENLARGEMENT

MAKE YOUR PENIS HARDER, THICKER, WITH ERECT MEASUREMENTS UP TO 12 INCHES OR YOUR MAXIMUM POTENTIAL!

The following photos dramatically demonstrate an actual case history before and after using our powerful **Penis Pump**. The man demonstrating these increases is Chris Parker. His height is 5'9", and his weight is 135 lbs. The pump can be used by any man of any age, any height or weight for a longer, thicker, harder penis.

Before using the Penis Pump, Chris' penis is thin and small, about 3 inches

In this photo, Chris inserts his small penis into the pump.

Above, Chris has grown 2 to 3 inches but has not reached his maximum potential

Chris shows you his penis without the pump. There is a remarkable increase, but he can still grow and reach his maximum.

Look at Chris now! See how much longer, thicker and harder his penis is!

In this photo, Chris almost fills the entire pump. He is much thicker and 10 inches long!

A close-up look at Chris' thicker, longer, harder penis.

Even without an erection after using the pump, Chris' penis is much thicker and longer.

Our Penis Developer will increase penis length, thickness and make your erection harder and stiffer. Complete step-by-step instructions on our video and magazine. Do not accept any substitute. This is the original How-To-Penis Enlargement System developed over 20 years ago.

"A JOURNEY INTO THE BIZARRE"

with PAUL NORMAN . . . *the master of the unusual!*

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen – we guarantee it! PAUL NORMAN, "The Master of the Unusual!" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed – XXX hardcore that appeals to every taste – every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true **hermaphrodites** (people who possess a penis and vagina); **Siamese twins** who perform sex on camera; **bisexual nymphs and satyrs** who will do anything to get off; and much, much more! NOW – by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) – The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" – A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) – A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) – Perhaps Paul Norman's most incredible discovery of all – gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish – to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" – Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) – A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) – The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) – The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) – "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" – Imagine what happens when 8 multi-orgasmic male & female bisexuals get together for an "orgy to end all orgies." It's all here – hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

DOES MARIJUANA MAKE SEX BETTER?

WOW! DOES IT EVER!

Anyone who's tried it knows it true. Marijuana, whose chemical name is CANNABIS SATIVA,can give you more potency, staying power, and intensity of orgasm than you ever thought possible. Lovers the world over say nothing can compare with sex on the weed. Well, MARIJUANA IS ILLEGAL, but its chemical relative AVEENA SATIVA is not only legal, it is FDA approved. The Institute of Human Sexuality says it is "an effective sexual enhancer for most men." It helps stimulate sexual energy and response. You can want it more, do it more often, do it longer and better without disappointment to your partner. Completely natural, safe and effective.Like being 18 again.

November HUSTLER on sale August 30, 1994

TALL TAIL

HUSTLER toes the line on high heels in November with a bevy of statuesque stunners. Double-check the sweetest figures in the school of carnal knowledge as two tight-bodied prep-school coeds bend over backward to study hands-on, clothes-off anatomy; rub the tight, beach-ball tummy of a milk-full-breasted, eight-months-pregnant redhead who shows how a girl with a bun in the oven can still be fun-lovin'; beat around the bush of a sun-browned, oiled-down island girl hunting up a mouthful of stud in a ripe, raunchy, tropical lay; point out a warm lap to welcome a slim-hipped, 19-year-old American tourist tracing her favorite spot in Rome with her own roamin' hands; and mop up after a frisky French maid spit-polishes the pink finger bowl between her legs in an all-out attempt to shine for her master. HUSTLER in November is a sight to soar eyes. Get up for it.

DEATH BY SON-IN-LAW

Chicago real-estate speculator Kenneth Falco drove without stopping from Chicago to Phoenix—a trip of 46 hours—to kill his. Twenty-three-year-old Kenneth Parks claimed he stabbed his to death while sleepwalking. Michael Caputo of Plymouth, Massachusetts, attacked his with such ferocity that the knife wounds he inflicted broke her bones. The targets of these men's murderous rages? Their intrusive mothers-in-law. In *"Honey, I Murdered Your Mom,"* writer Larry Wichman presents evidence that, while mothers of the bride have always been known to drive a guy crazy, increasingly, the groom's insanity is proving fatal to his wife's old lady. "My life is not important," swore Falco before offing his mother-in-law. "She's got to be stopped!"

THE BOOK ON HOOK

Bangs-for-bucks businesswomen include bottom-of-the-rung streetwalkers, middle-of-the-road massage-parlor girls and go-for-broke, gold-card callgirls. From street-level to suite-level, painted ladies of many colors share one thing in common: a head—and tail—for making money with honey. Writer Lisa Crystal Carver scales the hierarchy of hooking to interview working girls from the bottom to the top of the oldest profession in *Head for Tail*, an inside view of the many paths in the life.

RAPPING PAPER

Bungholes are better known for what comes out of them, but an increasing number of buttheads are more concerned with shoving things in. According to hospital workers, beer bottles and lightbulbs are among the most common—and dangerous—objects encountered mid-rectum among men and women with an itch for ass stitches. Writer Vivian Mayfair lists what's safe and what's not when buggering browneye in "Anal Probe," HUSTLER's *Sex Play* for November; *Hot Letters* gets writers into a rut; *Beaver Hunt* shoots the Mrs.; and *Bits & Pieces* prepares for a long, lean winter with a fistful of belly laughs. HUSTLER in November sees straight. Take a look.
